### SUMMARY

#### Synopsis of Bill

Senate Memorial 20 (SM 20) resolves that by the Senate of the State of New Mexico that, in recognition of the importance of the ongoing fight against heart disease and stroke, Friday, February 1, 2008, be proclaimed "Wear Red Day" at the Senate. All New Mexicans are encouraged to show their support for women and the fight against heart disease by commemorating this day by wearing the color red.

### SIGNIFICANT ISSUES

SJM 20 proclaims the following:

- Diseases of the heart are the nation's leading cause of death and stroke is the nation's third-leading cause of death; and
- Cardiovascular disease claim the lives of over four hundred sixty thousand American women each year, which is an estimated one death per minute; and
- Each year, fifty-three percent of all cardiovascular-disease deaths occur in women as compared to forty-seven percent in men; and
- Each year, approximately thirty-two thousand eight hundred more women than men die from a stroke; and
- The estimated costs, both direct and indirect, of cardiovascular diseases and stroke in New Mexico in 2008 are nine hundred million (\$900,000,000); and
- More women die of cardiovascular disease than the next five leading causes of death combined, including all cancers; and
- Only twenty-one percent of women consider cardiovascular disease their greatest health risk; and
- February is designed as "American Heart Month;" and
- "Go Red for Women" is the American Heart Association's national call to increase awareness about heart disease, the leading cause of death for women, and to inspire women to take charge of their heart health; and

- All women should learn from their own personal risk for heart disease, using tools such as the American Heart Association’s “Go Red for Women” heart checkup and by talking to their health care providers.

**WHAT WILL BE THE CONSEQUENCES OF NOT ENACTING THIS BILL**

The support for women and the fight against heart disease at the Senate will not be recognized.
