Section 2. AUTHORIZATION OF CHARTER SCHOOL PROJECTS.--

A. The New Mexico finance authority shall adopt rules governing the terms and conditions of loans made from the public project revolving fund. The rules shall provide criteria for determining charter school eligibility for funding, shall require that the public education department certify that a charter school is approved for funding through the public project revolving fund and shall require that the charter school meet accountability standards. The rules shall be approved by the New Mexico finance authority oversight committee.

B. Pursuant to the provisions of Section 6-21-6 NMSA 1978, and subject to Subsection A of this section, the legislature authorizes the New Mexico finance authority to make loans from the public project revolving fund to the following qualified charter school entities for the following public projects:
