

Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Bill

House Memorial 92 requests that the members of the New Mexico congressional delegation be urged to ensure that funding for the national laboratories, to support original research and technology development in medical, environmental, energy, biological, communications and information technology is included in the economic stimulus and recovery bills that come before them during this congressional session.

The memorial also requests that the congressional delegation be urged to ensure that the national laboratories are able to retain the best scientific and engineering talent from throughout the world so that our nation can remain in the forefront of scientific and engineering technology and innovation worldwide.

FISCAL IMPLICATIONS

No fiscal impact.
