1 as the "Public Assistance Act"."

2 SECTION 2. A new section of the Public Assistance Act is  
3 enacted to read:

4 "[NEW MATERIAL] BASIC HEALTH PROGRAM--ESTABLISHMENT--  
5 PROGRAM REQUIREMENTS--ELIGIBILITY--NEGOTIATION WITH CARRIERS--  
6 RULEMAKING.--

7 A. By January 1, 2013 and consistent with federal  
8 law, the secretary shall establish a basic health program for  
9 eligible individuals that provides health coverage through  
10 standard health plans and that:

11 (1) provides benefits and services that are  
12 actuarially equivalent to ninety-eight percent or greater of  
13 the full actuarial value of the benefits provided under each  
14 participating standard health plan;

15 (2) has and maintains a medical loss ratio of  
16 at least eighty-five percent;

17 (3) provides a selection from which  
18 participants may choose, during enrollment periods, of at least  
19 three standard health plans offered by carriers;

20 (4) limits annual enrollee premiums to one  
21 hundred dollars (\$100) per individual and cost-sharing of no  
22 more than two percent of expenses. The annual premiums shall  
23 not in any case exceed three thousand nine hundred sixty-seven  
24 dollars (\$3,967) for families and one thousand nine hundred  
25 eighty-three dollars (\$1,983) for individuals in fiscal year

1 2013, adjusting in accordance with Section 223(c)(2)(A)(ii) of  
2 the federal Internal Revenue Code of 1986; and

3 (5) allows small employers to pay a portion or  
4 all of their employees' cost-sharing obligations under the  
5 basic health program on behalf of the small employers'  
6 employees.

7 B. The basic health program shall not require the  
8 following enrollees to pay premiums or be responsible for any  
9 cost-sharing in a standard health plan:

10 (1) enrollees who are Native American, Native  
11 Alaskan or Native Hawaiian and who are a member of a federally  
12 recognized nation, tribe or pueblo; and

13 (2) enrollees who have household incomes below  
14 one hundred thirty-three percent of the federal poverty level  
15 and who are not eligible to participate in the state's medicaid  
16 program.

17 C. In evaluating and negotiating with carriers  
18 regarding the health plans that carriers offer for  
19 participation in the basic health program as standard health  
20 plans, the secretary shall adopt a uniform procedure that  
21 includes a request for proposals that includes standards  
22 regarding:

23 (1) whether health benefits and services are  
24 substantially similar to those benefits provided to recipients  
25 under the state's medicaid program;

.187849.2

1 (2) the quality of services to be provided  
2 under the standard health plan, which shall be at least as  
3 rigid as what is currently required of managed care health  
4 plans participating in the state medicaid program;

5 (3) the ability of the carrier to address the  
6 health care needs of, and provide quality health care services  
7 to, people with low incomes; and

8 (4) the minimum provider network development  
9 to ensure that the carrier's network for each service area  
10 within which it will participate has a sufficient number, mix  
11 of practice areas and geographic distribution to meet the  
12 target population's needs and to ensure adequate service  
13 availability.

14 D. A standard health plan shall include provisions  
15 for:

16 (1) coordinating and managing care for  
17 enrollees, especially enrollees living with chronic health  
18 conditions;

19 (2) providing incentives to enrollees for the  
20 use of preventive services;

21 (3) establishing relationships between  
22 providers and patients that maximize patient involvement in  
23 health care decision-making, including providing incentives for  
24 the appropriate utilization under the plan;

25 (4) providing quality of care and improved

.187849.2

1 health outcomes; and

2 (5) reporting to the secretary on the  
3 provisions set forth in Paragraphs (1) through (4) of this  
4 subsection.

5 E. The secretary shall publish an annual report  
6 that sets forth:

7 (1) the average premiums and cost-sharing  
8 amounts for standard health plans;

9 (2) the disposition of any federal funds not  
10 expended during the previous federal fiscal year;

11 (3) enrollment statistics by county;

12 (4) an explanation of the procedures used to  
13 select standard health plans for participation in the basic  
14 health program; and

15 (5) the progress that participating standard  
16 health plans have made in implementing the provisions of  
17 Paragraphs (1) through (4) of Subsection D of this section.

18 F. The state shall establish a single application  
19 for participation in the state's medicaid program, children's  
20 health insurance program, basic health program and any health  
21 insurance exchange operating in the state.

22 G. In the event that a health insurance exchange is  
23 established in the state, any navigator or consumer outreach  
24 program established to serve consumers on the state health  
25 insurance exchange shall assist eligible individuals in

1 enrolling in the state's basic health program.

2 H. The department shall coordinate the basic health  
3 program's benefits administration, enrollment and eligibility  
4 to maximize the continuity of coverage between the basic health  
5 program and the state's public coverage programs, including the  
6 state's medicaid program and children's health insurance  
7 program.

8 I. The secretary shall promulgate any necessary  
9 rules for the implementation and operation of the basic health  
10 program, including:

11 (1) rules to establish procedures and  
12 protocols for participant grievances and appeals;

13 (2) annual and special enrollment periods,  
14 including qualifications and procedures for annual and special  
15 enrollment periods; and

16 (3) rules to establish sources of non-state  
17 revenue for any shortfall in federal funding for the basic  
18 health program.

19 J. The secretary shall establish a trust fund for  
20 the deposit of federal funds for the establishment or operation  
21 of the basic health program. Amounts in the trust fund shall  
22 be used only to reduce the premiums or other cost-sharing or to  
23 provide additional benefits for enrollees. Amounts in, and  
24 expenditures from, the trust fund shall not be included in the  
25 state's determination of any nonfederal funds for purposes of

1 meeting any matching or expenditure requirement of any  
2 federally funded program.

3 K. As used in this section:

4 (1) "carrier" means an insurer, a health  
5 maintenance organization, a nonprofit health care plan or other  
6 entity responsible for the payment of health benefits or  
7 provision of health care services;

8 (2) "eligible individual" means an individual:

9 (a) who is a resident of the state;

10 (b) who is not eligible to enroll in the  
11 state's medicaid program;

12 (c) whose household income exceeds one  
13 hundred thirty-three percent but does not exceed two hundred  
14 percent of the federal poverty level;

15 (d) who is not eligible for minimum  
16 essential coverage as defined in Section 5000A(f) of the  
17 federal Internal Revenue Code of 1986 or who is eligible for an  
18 employer-sponsored plan that is not affordable coverage as  
19 determined under Section 5000A(e)(2) of the federal Internal  
20 Revenue Code of 1986;

21 (e) who has not attained the age of  
22 sixty-five as of the beginning of the plan year; and

23 (f) who is not eligible to purchase  
24 health coverage on a state or federal health insurance or  
25 health benefits exchange;

[bracketed material] = delete

1 (3) "enrollee" means an eligible individual  
2 who has enrolled in a standard health plan under the basic  
3 health program;

4 (4) "medical loss ratio" means the amount of  
5 an assessment received under a health plan or policy that a  
6 health maintenance organization pays for services rendered to  
7 an enrollee by a health maintenance organization or a health  
8 care practitioner, facility or other provider, including case  
9 management, disease management, health education and promotion,  
10 preventive services, quality incentive payments to providers  
11 and any portion of an assessment that covers services rather  
12 than administration, and for which a health maintenance  
13 organization does not receive a tax credit pursuant to the  
14 Medical Insurance Pool Act or the Health Insurance Alliance  
15 Act; provided, however, that "medical loss ratio" does not  
16 include care coordination, utilization review or management or  
17 any other activity designed to manage utilization or services;  
18 and

19 (5) "standard health plan" means a health  
20 benefits plan offered by a health maintenance organization to  
21 eligible individuals pursuant to the state's basic health  
22 program as provided in this section."

23 SECTION 3. A new section of the New Mexico Insurance Code  
24 is enacted to read:

25 "[NEW MATERIAL] BASIC HEALTH PROGRAM--POOLING--RISK

.187849.2

underscoring material = new  
[bracketed material] = delete

1 ADJUSTMENT.--

2 A. The risk in each standard health plan  
3 participating in the basic health program established pursuant  
4 to Section 2 of this 2012 act shall be pooled with all of the  
5 health plans in the individual and small group markets for  
6 purposes of risk adjustment.

7 B. Standard health plans shall be subject to  
8 assessment of risk adjustment fees and shall be eligible for  
9 provision of risk adjustment payments.

10 C. For purposes of this section, "risk adjustment"  
11 means the process by which the state assesses charges on  
12 qualified health plans that participate in a health insurance  
13 exchange operating in the state that incur lower-than-average  
14 risk and provides payments to qualified health plans that incur  
15 greater-than-average risk."

16 SECTION 4. APPROPRIATION.--One hundred thousand dollars  
17 (\$100,000) is appropriated from the general fund to the human  
18 services department for expenditure in fiscal years 2013 and  
19 2014 to hire employees for, establish and operate the basic  
20 health program pursuant to Section 2 of this 2012 act. Any  
21 unexpended or unencumbered balance remaining at the end of  
22 fiscal year 2014 shall revert to the general fund.
