### SUMMARY

#### Synopsis of Bill

House Joint Memorial 39 calls for support by the New Mexico Legislature for the formation of a Presidential Youth Council. Copies of the memorial will be transmitted to the office of the President of the United States and to the campaign for a presidential youth council.

### SIGNIFICANT ISSUES

The bill notes that the Presidential Youth Council would consist of youths between the ages of 16 and 24, appointed by leaders of the majority and minority parties in the US House of Representatives and US Senate, who can constructively contribute to public policy deliberations and conduct outreach to solicit the views and perspectives of youth peers.

The bill states that youth councils have been proven to be an effective means of receiving input from young people, which leads to more effective and efficient policies and policy-related youth programs.
