

AN ACT

RELATING TO PUBLIC SCHOOLS; AMENDING THE PUBLIC SCHOOL FINANCE ACT TO MODIFY AND UPDATE THE AT-RISK INDEX.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 22-8-23.3 NMSA 1978 (being Laws 1997, Chapter 40, Section 7, as amended) is amended to read:

"22-8-23.3. AT-RISK PROGRAM UNITS.--

A. A school district is eligible for additional program units if it establishes within its department-approved educational plan identified services to assist students to reach their full academic potential. A school district receiving additional at-risk program units shall include a report of specified services implemented to improve the academic success of at-risk students. The report shall identify the ways in which the school district and individual schools use funding generated through the at-risk index and the intended outcomes. For purposes of this section, "at-risk student" means a student who meets the criteria to be included in the calculation of the three-year average total rate in Subsection B of this section. The number of additional units to which a school district is entitled under this section is computed in the following manner:

$$\text{At-Risk Index} \times \text{MEM} = \text{Units}$$

where MEM is equal to the total district membership, including

early childhood education, full-time-equivalent membership and special education membership and where the at-risk index is calculated in the following manner:

Three-Year Average Total Rate x 0.106 = At-Risk Index.

B. To calculate the three-year average total rate, the department shall compute a three-year average of the school district's percentage of membership used to determine its Title I allocation, a three-year average of the percentage of membership classified as English language learners using criteria established by the federal office of civil rights and a three-year average of the percentage of student mobility. The department shall then add the three-year average rates. The number obtained from this calculation is the three-year average total rate.

C. The department shall recalculate the at-risk index for each school district every year.

SECTION 2. EFFECTIVE DATE.--The effective date of the provisions of Section 1 of this act is July 1, 2015.
