53RD LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 2017

INTRODUCED BY

Paul C. Bandy

AN ACT

RELATING TO TAXATION; AMENDING SECTIONS OF THE MEDICAL INSURANCE POOL ACT; EXEMPTING MEDICAID MANAGED CARE PREMIUMS FROM NEW MEXICO MEDICAL INSURANCE POOL ASSESSMENT CALCULATIONS; REMOVING PREMIUM TAX CREDITS ON ASSESSMENTS FOR NEW MEXICO MEDICAL INSURANCE POOL EXPENSES; REMOVING ELIGIBILITY FOR NEW MEXICO MEDICAL INSURANCE POOL ENROLLMENT OF INDIVIDUALS WHO ARE ELIGIBLE FOR SUBSIDIZED COVERAGE THROUGH THE NEW MEXICO HEALTH INSURANCE EXCHANGE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 59A-54-10 NMSA 1978 (being Laws 1987, Chapter 154, Section 10, as amended) is amended to read:

"59A-54-10. ASSESSMENTS.--

A. Following the close of each fiscal year, the pool administrator shall determine the net premium, being

.205580.1SA
premiums less administrative expense allowances, the pool
expenses and claim expense losses for the year, taking into
account investment income and other appropriate gains and
losses. The assessment for each insurer shall be determined by
multiplying the total cost of pool operation by a fraction, the
numerator of which equals that insurer's premium and subscriber
contract charges or their equivalent for health insurance
written in the state during the preceding calendar year and the
denominator of which equals the total of all premiums and
subscriber contract charges written in the state; provided that
premium income shall not include receipts of medicaid managed
care premiums [but] and shall not include any payments by the
secretary of [health and] human services pursuant to a contract
issued under Section 1876 of the Social Security Act, as
amended. The board may adopt other or additional methods of
adjusting the formula to achieve equity of assessments among
pool members, including assessment of health insurers and
reinsurers based upon the number of persons they cover through
primary, excess and stop-loss insurance in the state.

B. If assessments exceed actual losses and
administrative expenses of the pool, the excess shall be held
at interest and used by the board to offset future losses or to
reduce pool premiums. [As used in this subsection, "future
losses" includes reserves for incurred but not reported
claims.]
C. The proportion of participation of each member in the pool shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed with it by the member. Any deficit incurred by the pool shall be recouped by assessments apportioned among the members of the pool pursuant to the assessment formula provided by Subsection A of this section; provided that:

(1) prior to the 2016 pool assessment year, the assessment for any pool member shall be allowed as a fifty percent credit on the premium tax return for that member and a seventy-five percent credit on the premium tax return for that member for the assessments attributable to pool policyholders that receive eligible premiums; [in whole or in part, through the federal Ryan White CARE Act, the Ted R. Montoya hemophilia program at the university of New Mexico health sciences center, the children's medical services bureau of the public health division of the department of health or other program receiving state funding or assistance.]

(2) beginning in the 2016 pool assessment year that begins on January 1, 2016 and ends on December 31, 2016, the assessment for any pool member shall be allowed as a twenty-five percent credit on the premium tax return for that member and a thirty-seven and one-half percent credit on the premium tax return for that member for the assessment.
attributable to pool policyholders that receive eligible premiums; and

(3) no credit shall be allowed based on assessments for pool expenses on and after January 1, 2017.

D. The board may abate or defer, in whole or in part, the assessment of a member of the pool if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligation. In the event an assessment against a member of the pool is abated or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other members in a manner consistent with the basis for assessments set forth in Subsection A of this section. The member receiving the abatement or deferment shall remain liable to the pool for the deficiency for four years.

E. For the purposes of this section:

(1) "eligible premiums" means premiums received, in whole or in part, through the federal Ryan White CARE Act, the Ted R. Montoya hemophilia program at the university of New Mexico health sciences center, the children's medical services bureau of the public health division of the department of health or any other program that receives state funding or assistance; and

(2) "future losses" includes reserves for incurred but not reported claims."
SECTION 2. Section 59A-54-12 NMSA 1978 (being Laws 1987, Chapter 154, Section 12, as amended) is amended to read:

"59A-54-12. ELIGIBILITY--POLICY PROVISIONS.--

A. Except as provided in Subsection B of this section, an individual is eligible for a pool policy only if on the effective date of coverage or renewal of coverage the individual is a New Mexico resident, and:

(1) is not eligible as an insured or covered dependent for a health plan that provides coverage for comprehensive major medical or comprehensive physician and hospital services;

(2) is currently paying a rate for a health plan that is higher than one hundred twenty-five percent of the pool's standard rate;

(3) has a mental health diagnosis and has individual health insurance coverage that does not include coverage for mental health services;

(4) has been rejected for coverage for comprehensive major medical or comprehensive physician and hospital services;

(5) is only eligible for a health plan with a rider, waiver or restrictive provision for that particular individual based on a specific condition;

(6) has a medical condition that is listed on the pool's prequalifying conditions;
(7) has as of the date the individual seeks coverage from the pool an aggregate of eighteen or more months of creditable coverage, the most recent of which was under a group health plan, governmental plan or church plan as defined in Subsections P, N and D, respectively, of Section 59A-23E-2 NMSA 1978, except, for the purposes of aggregating creditable coverage, a period of creditable coverage shall not be counted with respect to enrollment of an individual for coverage under the pool if, after that period and before the enrollment date, there was a ninety-five day or longer period during all of which the individual was not covered under any creditable coverage; or

(8) is entitled to continuation coverage pursuant to Section 59A-23E-19 NMSA 1978.

B. Notwithstanding the provisions of Subsection A of this section,

(1) a person's eligibility for a policy issued under the Health Insurance Alliance Act shall not preclude a person from remaining on or purchasing a pool policy; provided that a self-employed person who qualifies for an approved health plan under the Health Insurance Alliance Act by using a dependent as the second employee may choose a pool policy in lieu of the health plan under that act; and

(2) if a pool policyholder becomes eligible for any group health plan, the policyholder's pool coverage
shall not be involuntarily terminated until any preexisting condition period imposed on the policyholder by the plan has been exhausted.

C. Coverage under a pool policy is in excess of and shall not duplicate coverage under any other form of health insurance.

D. A policyholder's newborn child or newly adopted child is automatically eligible for thirty-one consecutive calendar days of coverage for an additional premium.

E. Except for [a person] an individual eligible as provided in Paragraph (7) of Subsection A of this section, a pool policy may contain provisions under which coverage is excluded during a six-month period following the effective date of coverage as to a given individual for preexisting conditions.

F. The preexisting condition exclusions described in Subsection E of this section shall be waived to the extent to which similar exclusions have been satisfied under any prior health insurance coverage that was involuntarily terminated, if the application for pool coverage is made not later than ninety-five days following the involuntary termination. In that case, coverage in the pool shall be effective from the date on which the prior coverage was terminated. This subsection does not prohibit preexisting conditions coverage in a pool policy that is more favorable to the insured than that
specified in this subsection.

G. An individual is not eligible for coverage by the pool if:

(1) except as provided in Subsection I of this section, the individual is, at the time of application, eligible for medicare, [or] medicaid or subsidized coverage through the New Mexico health insurance exchange that would provide coverage for amounts in excess of limited policies such as dread disease, cancer policies or hospital indemnity policies;

(2) the individual has voluntarily terminated coverage by the pool within the past twelve months and did not have other continuous coverage during that time, except that this paragraph shall not apply to an applicant who is a federally defined eligible individual;

(3) the individual is an inmate of a public institution or is eligible for public programs for which medical care is provided;

(4) the individual is eligible for coverage under a group health plan;

(5) the individual has health insurance coverage as defined in Subsection R of Section 59A-23E-2 NMSA 1978;

(6) the most recent coverages within the coverage period described in Paragraph (7) of Subsection A of .205580.1SA
this section were terminated as a result of nonpayment of premium or fraud; or

(7) the individual has been offered the option of continuation coverage under a federal COBRA continuation provision as defined in Subsection F of Section 59A-23E-2 NMSA 1978 or under a similar state program and the individual has elected the coverage and did not exhaust the continuation coverage under the provision or program; provided, however, that an unemployed former employee who has not exhausted COBRA coverage shall be eligible.

H. [A person] An individual whose health insurance coverage from a qualified state high risk pool health policy is terminated because of nonresidency in another state may apply for coverage under the pool. If the coverage is applied for within ninety-five days after that termination and if premiums are paid for the entire coverage period, the effective date of the coverage shall be the date of termination of the previous coverage.

I. The board may issue a pool policy for individuals who:

(1) are enrolled in both Part A and Part B of medicare because of a disability; and

(2) except for the eligibility for medicare, would otherwise be eligible for coverage pursuant to the criteria of this section."
