B. Each page or group of pages of a petition
shall be accepted for filing by a municipal clerk, a county clerk, a governing body or a board of county commissioners only if:

(1) the municipal clerk has approved the form of petitions to be filed with the municipality prior to circulation of the petition; or

(2) the county clerk has approved the form of petitions to be filed with the county prior to circulation of the petition; and

(3) each page of the petition to be filed contains the approval or facsimile approval of the municipal or county clerk and the petition heading and penalty statement are legible when submitted for filing.

C. The municipal or county clerk shall approve a petition as to form if the proposed petition form contains:

(1) a heading that complies with a particular form of heading required by law; or

(2) a heading that clearly conveys the purpose for signing the petition if no particular form of heading is required by law;

(3) a place for the person signing the petition to write the date and the person's name (printed), address and signature, unless other requirements are mandated by law, and then the petition shall comply with those requirements; and
(4) a statement that any person knowingly providing or causing to be provided any false information on a petition, forging a signature or signing a petition when that person knows that person is not a qualified elector in the municipality is guilty of a fourth degree felony.

D. The requirements of Subsection B of this section shall be deemed complied with if an original form of petition is submitted to a municipal or county clerk for approval prior to circulation and after approval by the clerk that the original form is reproduced by photocopying or other similar means so that the form and clerk's approval are unchanged from the original and are legible on each page of the petition to be filed.

E. A petition filed with a municipal clerk, a county clerk, a governing body or a board of county commissioners shall include all individual pages of a petition complying with the provisions of this section, regardless of whether the pages are filed singly or in a group. Pages complying with the provisions of this section may be filed at different times so long as filing is within the time period allowed by law for the filing of the particular petition to be filed. If no time period is established by law, petition signatures may not span a period of time greater than sixty days from the date of the earliest signature on the petition, and the petition shall be filed
within sixty-five days from the date of the earliest
signature on the petition.

F. Upon approval of a proposed petition as to
form, the municipal clerk shall notify the county clerk of
the approval, and the county clerk shall furnish a current
voter registration list of qualified electors entitled to
vote in municipal elections to the municipal clerk within
fourteen days of the notification.

G. When a petition is filed with a municipal
clerk, a county clerk, a governing body or a board of county
commissioners, the governing body or board of county
commissioners shall either certify the petition as valid or
order an examination of the petition and the names, addresses
and signatures on the petition.

H. When an examination of the petition and the
names, addresses and signatures on the petition is ordered,
the municipal clerk, county clerk, governing body or board of
county commissioners shall:

(1) resolve issues of residency and major
infractions in accordance with the Election Code;

(2) determine the minimum number of valid
names, addresses and signatures, as mandated by law, that
must be contained in the particular petition filed in order
for it to be declared a valid petition;

(3) examine the petition and the names,
addresses and signatures on the petition, purge from the petition the signature of any person who is not shown as a qualified elector of the municipality on the list of registered voters provided by the county clerk, purge any signature that is a forgery or that is illegible, purge any signature that appears more than once or that cannot be matched to the name, address and signature as shown on the voter registration lists and the original affidavit of registration, purge the signature of any person who has not signed within the time limits set by law and purge the signature of any person who does not meet the qualifications for signing the petition as prescribed by law; and

(4) certify, no later than ten days after the petition is filed or after the expiration of the period within which the petition can be filed as prescribed by law, whichever occurs last, whether the petition contains the minimum number of valid names, addresses and signatures as mandated by law.

I. Nothing in this section shall preclude a person with a disability or an illiterate person from causing another person to sign a petition on a person with a disability's or an illiterate person's behalf, so long as the person signing for the person with a disability or illiterate person executes an affidavit acknowledged before a notary public that the person is authorized to sign the petition for
the person with a disability or illiterate person. In order for the signature on behalf of the person with a disability or illiterate person to be counted and not purged, the original affidavit shall be submitted along with the petition containing the signature on behalf of the illiterate person or person with a disability.

J. If the petition is certified as valid pursuant to Subsection G of this section or is certified as containing in excess of the minimum number of valid names, addresses and signatures mandated by law, then such certification shall be recorded as part of the minutes at the next meeting of the governing body or the board of county commissioners.

K. If the petition is certified as containing less than the minimum number of valid names, addresses and signatures mandated by law, then the municipal clerk, county clerk, governing body or board of county commissioners shall:

(1) cause the names, addresses and signatures that were purged from the petition to be posted in the municipal or county clerk's office no later than on the day the petition is certified;

(2) determine the total number of people signing the petition, the number purged, the number that were not purged and the minimum number of valid names, addresses and signatures required by law for such a petition and post this information along with and at the same time as the
posting required in Paragraph (1) of this subsection;

(3) publish once, pursuant to the provisions of Subsection J of Section 3-1-2 NMSA 1978, within one week of the certification, the information compiled pursuant to Paragraphs (1) and (2) of this subsection; and

(4) cause the information compiled pursuant to Paragraphs (1) and (2) of this subsection and the date and place of publication pursuant to Paragraph (3) of this subsection to be recorded as part of the minutes at the next meeting of the governing body or the board of county commissioners after publication has occurred.

L. The following rules shall govern reinstatement of purged signatures:

(1) within ten days after the petition is certified as containing less than the minimum number of valid names, addresses and signatures mandated by law, any person whose signature has been purged from a petition may present evidence to the clerk to show that the person's signature has been wrongfully purged;

(2) if the clerk fails to reinstate that person's signature within three days of demand, then that person may, within ten days of the clerk's refusal to reinstate, petition the district court for an order to reinstate the person's signature on the petition. Upon a prima facie showing by the petitioner of the right to have
that person's signature included upon the petition, the
district court shall issue an order to the municipal clerk,
county clerk, governing body or board of county commissioners
to require reinstatement of the signature of the petitioner;

(3) within ten days after receiving the
order of the district court, the municipal clerk, county
clerk, governing body or board of county commissioners shall
reinstate the signature of the petitioner on the petition or
show cause why the signature of the petitioner has not been
reinstated. Upon hearing, if the district court finds that
the person whose signature has been purged meets the
qualifications for signing the petition, the district court
shall make final its order of reinstatement to the municipal
clerk, county clerk, governing body or board of county
commissioners; and

(4) if a sufficient number of signatures are
reinstated by the clerk, the district court or both to make
the petition valid, then the reinstatement by the clerk or
the district court, whichever occurs last, shall be deemed
the date of certification of the validity of the petition for
the purposes of adopting election resolutions, calling
elections or for other matters as provided in the Municipal
Code or otherwise provided by law.

M. Any petition that contains an insufficient
number of signatures after all signatures have been
reinstated pursuant to Subsection L of this section is invalid.

N. When a petition governed by this section is filed with the municipal clerk or the governing body of a municipality, the governing body or municipal clerk shall perform or cause to be performed the duties required under this section, except as otherwise prohibited by law. When a petition governed by this section is required to be filed with the county clerk or board of county commissioners, the board of county commissioners or county clerk shall perform or cause to be performed the duties required under this section, except as otherwise prohibited by law.

O. Any person or any municipal or county official knowingly violating the provisions of this section, knowingly providing or causing to be provided any false information on a petition or forging a signature or otherwise signing a petition when that person knows the person is not a qualified elector in the municipality is guilty of a fourth degree felony.

P. The provisions of this section shall not be binding upon a municipality to the extent such provisions are inconsistent with or superseded by the terms and provisions of:

(1) the charter of a municipality
(2) the charter of a municipality adopted pursuant to Article 10, Section 6 of the constitution of New Mexico;

(3) the charter of a municipality adopted pursuant to the Municipal Charter Act; or

If there is no newspaper of general circulation in the territory proposed to be incorporated, notice of the determination shall be posted in eight public places within the territory proposed to be incorporated.

be held in June or July in odd-numbered years or July or

"3-21-19. ZONING COMMISSION.--A zoning commission consisting of five members shall be elected by the registered electors residing within the district in accordance with the provisions of the Local Election Act. Members of the commission shall be residents of the district, and each shall be elected for a term of two years. Any vacancy on the commission shall be filled by the remaining members appointing a new member to fill the unexpired term. Members of the commission shall serve without compensation."

SECTION 62. Section 3-21-20 NMSA 1978 (being Laws 1965, Chapter 206, Section 6) is amended to read:

"3-23-2. ELECTION ON QUESTION OF ACQUIRING UTILITY.--

A. No municipality shall acquire a municipal utility from funds acquired from the issuance of revenue bonds until the question of acquiring the utility is submitted, at a regular local election or special election,
to a vote of the qualified electors of the municipality, and a majority of the votes cast on the question favors the acquisition of the utility. No special election shall be set for a date ninety days prior to the day of a regular local election. The acquisition by a municipality, which owns municipal electric facilities on July 1, 1979, of a generating facility or any interest in a jointly owned generating facility from funds acquired from the issuance of revenue bonds shall not be subject to the election requirement of this section.

B. Each question shall be listed separately on the ballot. The ballot shall:

creating a debt for the acquisition of a municipal utility
and the municipality has incurred the debt, the municipality
need not hold the election required in this section and it
shall be presumed that the acquisition of a municipal utility
has been approved, or, if the municipality has owned and
operated a municipal utility for a period of more than one
year, it shall be presumed that the acquisition of the
municipal utility has been approved."

SECTION 64. Section 3-23-5.1 NMSA 1978 (being Laws 2001,

governing body of the municipality for expenditure for any
purpose related to the operation, maintenance and improvement
of the municipal utility or deposited in the municipal
utility permanent fund.

D. Money in the municipal utility permanent fund
may be appropriated or expended only pursuant to approval of
the voters of the municipality. The municipality may adopt a
resolution calling for an election on the question of the
expenditure of a specified amount of the municipal utility
permanent fund for a specified purpose. The election shall
be held within sixty days after the adoption of the
resolution by the governing body. The election shall be
called, conducted, counted and canvassed pursuant to the
provisions of the Local Election Act. If a majority of the
voters of the municipality voting on the question votes to
approve the expenditure, that amount of money shall be
available for appropriation from the municipal utility
permanent fund for expenditure by the municipality for the
specified purpose. If a majority of the voters of the
municipality voting on the question votes against the
expenditure, no money in the municipal utility permanent fund
may be appropriated or expended for that purpose. Following
an election at which the question was not approved, that
question shall not again be submitted to the voters of the
municipality for at least one year from the date of that
election."
SECTION 65. Section 3-30-6 NMSA 1978 (being Laws 1965, Chapter 300, Section 14-29-6, as amended) is amended to read:

"3-30-6. BOND ELECTION--QUALIFICATIONS OF VOTERS--SEPARATION OF ITEMS--TIME--PUBLICATION OR POSTING--BALLOTS.--

SECTION 67. Section 3-31-4 NMSA 1978 (being Laws 1965, Chapter 300, Section 14-30-4, as amended) is amended to read:

"3-31-4. ORDINANCE AUTHORIZING REVENUE BONDS--THREE-FOURTHS MAJORITY REQUIRED--RESOLUTION AUTHORIZING REVENUE BONDS TO BE ISSUED AND SOLD TO THE NEW MEXICO FINANCE AUTHORITY.--

A. At a regular or special meeting called for the purpose of issuing revenue bonds as authorized in Section 3-31-1 NMSA 1978, the governing body may adopt an ordinance that:

(1) declares the necessity for issuing revenue bonds;

(2) authorizes the issuance of revenue bonds
by an affirmative vote of three-fourths of all the members of
the governing body; and

(3) designates the source of the pledged
revenues.

B. If a majority of the governing body, but less
than three-fourths of all the members, votes in favor of
adopting the ordinance authorizing the issuance of revenue
bonds, the ordinance is adopted but shall not become
effective until the question of issuing the revenue bonds is
submitted to a vote of the qualified electors for their
approval at a special or regular local election. If an
election is necessary, the election shall be conducted in the
manner provided in the Local Election Act.

C. In addition and as an alternative to adopting an
ordinance as required by the provisions of Subsections A and
B of this section, at a regular or special meeting called for
the purpose of issuing revenue bonds as authorized in Section
3-31-1 NMSA 1978, the governing body may authorize the
issuance and sale, from time to time, of revenue bonds in
amounts not to exceed one million dollars ($1,000,000) at any
one time to the New Mexico finance authority by adoption of a
resolution that:

(1) declares the necessity for issuing and
selling revenue bonds to the New Mexico finance authority;

(2) authorizes the issuance and sale of
revenue bonds to the New Mexico finance authority by an
affirmative vote of a majority of all the members of the
governing body; and

(3) designates the source of the pledged
revenues.

At the option of the governing body, revenue bonds in an
amount in excess of one million dollars ($1,000,000) may be
authorized by an ordinance adopted in accordance with
Subsections A and B of this section and issued and sold to
the New Mexico finance authority.

D. No ordinance or resolution may be adopted under
the provisions of this section that uses as pledged revenues
the municipal gross receipts tax authorized by Section
7-19D-9 NMSA 1978 for a purpose that would be inconsistent
with the purpose for which that municipal gross receipts tax
revenue was dedicated. Any revenue in excess of the amount
necessary to meet all principal and interest payments and
other requirements incident to repayment of the bonds shall
be used for the purposes to which the revenue was dedicated."

SECTION 68. Section 3-41-2 NMSA 1978 (being Laws 1965,

subject to property taxation within the municipality for such
length of time as is necessary to accomplish the purpose
authorized in Sections 3-41-1 and 3-41-3 NMSA 1978. The rate
of the tax authorized by this subsection shall not exceed
five dollars ($5.00), or any lower maximum amount required by
operation of the rate limitation provisions of Section
7-37-7.1 NMSA 1978 upon a tax levied under this section, on
each one thousand dollars ($1,000) of net taxable value, as
that term is defined in the Property Tax Code.

B. Before levying the tax, the municipality shall

question of levying the tax. The question may be submitted
at any regular or special local election called for that
purpose. Notice of the election shall be given as provided
in the Local Election Act.

C. The municipality shall print the words "For tax
levy for flood protection purposes" and "Against tax levy for
flood protection purposes" or words of like import. The vote
upon the question shall be separately canvassed as other
municipal elections are canvassed.

D. If a majority of the votes cast favors the levy
of the tax, the governing body shall levy and certify the
levy as any other tax is levied for municipal purposes.

E. Nothing in this section shall be construed as
prohibiting the issuance of negotiable bonds as authorized in
Section 3-30-5 NMSA 1978 to pay the cost of preventing flood
damage.

F. If a county has levied a tax for flood control purposes as authorized in Sections 4-50-1 through 4-50-9 NMSA 1978 or any other law, the municipality is not prohibited from levying a tax as authorized in this section."

SECTION 69. Section 3-54-1 NMSA 1978 (being Laws 1983, Chapter 115, Section 1, as amended) is amended to read:

B. A municipality may lease or sell and exchange any municipal utility facilities or real property having an appraised value in excess of twenty-five thousand dollars ($25,000) by public or private sale or lease, subject to the referendum provisions set forth in this section. The value of municipal utility facilities or real property to be leased or sold and exchanged shall be determined by the appraised value of the municipal utility facilities or real property and not by the value of the lease. An appraisal shall be
made by a qualified appraiser and submitted in writing to the governing body. If the sale price is less than the appraised value, the governing body shall cause a detailed written explanation of that difference to be prepared, and the written explanation shall be made available to any interested member of the public upon demand.

C. If a public sale is held, the bid of the highest responsible bidder shall be accepted unless the terms of the bid do not meet the published terms and conditions of the proposed sale, in which event the highest bid that does meet the published terms and conditions shall be accepted; provided, however, a municipality may reject all bids. Terms and conditions for a proposed public sale or lease shall be published at least twice, not less than seven days apart, with the last publication no less than fourteen days prior to the bid opening, and in accordance with the provisions of Subsection J of Section 3-1-2 NMSA 1978.

D. Any sale or lease of municipal utility facilities or real property entered into pursuant to Subsection B of this section shall be by ordinance of the municipality. Such an ordinance shall be effective forty-five days after its adoption, unless a referendum election is held pursuant to this section. The ordinance shall be published prior to adoption pursuant to the provisions of Subsection J of Section 3-1-2 NMSA 1978 and Section 3-17-3.
NMSA 1978 and shall be published after adoption at least once within one week after adoption pursuant to the provisions of Subsection J of Section 3-1-2 NMSA 1978. Such publications shall concisely set forth at least:

F. Section 3-1-5 NMSA 1978 shall apply to all petitions filed calling for a referendum election on a sale or lease ordinance.

G. If the municipal clerk certifies to the municipal governing body that the petition does contain the minimum number of valid names, addresses and signatures required to call a referendum election on the sale or lease ordinance, the municipal governing body shall adopt an election resolution within fourteen days after the date the clerk makes such certification, calling for a referendum election on the sale or lease ordinance. The election resolution shall be adopted and published pursuant to the provisions of the Local Election Act and shall also concisely set forth:

(1) the terms of the sale or lease;
(2) the appraised value of the municipal utility facilities or real property;
(3) the time and manner of payments on the lease or sale;
(4) the amount of the lease or sale;
(5) the identities of all purchasers or lessees; and
(6) the purpose for the municipality making the lease or sale.

H. The referendum election on the sale or lease ordinance shall be held not later than ninety days after the election resolution is adopted. Such election shall be held at a special or regular local election and shall be conducted pursuant to the provisions of the Local Election Act. Any qualified elector of the municipality may vote in such a referendum election.

I. If a majority of the votes cast is to approve the sale or lease ordinance, the sale or lease ordinance shall be effective after the election results have been canvassed and certified. If a majority of the votes cast is to disapprove the sale or lease ordinance, the ordinance shall not be effective."

C. "60-5A-1. ELECTIONS FOR LOCAL OPTION.--Any municipality containing over five thousand persons according to the latest United States census, whether the county in which that municipality is situated has adopted the local option provisions of the Liquor Control Act or any former act or not, or any county in the state may adopt local option in the county or municipality upon the following terms and conditions:

A. at any time after the effective date of the Liquor Control Act, the registered qualified electors of a proposed local option district may petition the governing body by filing one or more petitions in the appropriate office to hold an election for the purpose of determining whether the county or municipality shall adopt the local option provisions of the Liquor Control Act. If the aggregate of the signatures of such electors on all the
petitions equals or exceeds five percent of the number of registered voters of the district, the governing body shall call an election within seventy-five days of the verification of the petition. The date of the filing of the petition shall be the date of the filing of the last petition that brings the number of signatures up to the required five percent; provided, however, that the governing body shall refuse to recognize the petition if more than three months have elapsed between the date of the first signature and the filing of the last petition necessary to bring the number of signatures on the petition up to five percent;

B. the election shall be called, conducted, counted and canvassed substantially in the manner provided by law for general elections within the county or special elections within the municipality, except as otherwise provided in this section;

(3) on Sundays only after midnight of the previous day until 2:00 a.m., except as provided in Subsections D and F of this section and Section 60-7A-2 NMSA 1978.

B. Except as provided in Subsection C of this section, alcoholic beverages may be sold by a dispenser or a retailer in unbroken packages, for consumption off the licensed premises and not for resale, only on Mondays through
Saturdays from 7:00 a.m. until midnight, except as provided in Subsections E and G of this section.

C. The governing body of a local option district that is a class B county with a population greater than seventy thousand and less than seventy-six thousand according to the most recent federal decennial census or that is a municipality located within a class B county with a population greater than seventy thousand and less than seventy-six thousand according to the most recent federal decennial census may pass an ordinance to place restrictions, in addition to those provided in this section, on the hours during which a dispenser or retailer may sell alcoholic beverages in unbroken packages for consumption off the licensed premises and not for resale. The ordinance may restrict sales between 7:00 a.m. and 10:00 a.m. and shall provide the hours between 7:00 a.m. and 10:00 a.m., if any, during which a dispenser or retailer may sell alcoholic beverages in unbroken packages for consumption off the licensed premises and not for resale.

D. A dispenser, restaurant licensee or club may, upon payment of an additional fee of one hundred dollars ($100), obtain a permit to sell, serve or permit the consumption of alcoholic beverages by the drink on the licensed premises on Sundays, subject to approval obtained pursuant to the process set forth in Subsection F of this
section. Alcoholic beverages may be sold, served and consumed from 11:00 a.m. until midnight as set forth in the licensee's Sunday sales permit, and in those years when December 31 falls on a Sunday, from 11:00 a.m. until 2:00 a.m. of the following day, except as otherwise provided for a restaurant licensee in Section 60-6A-4 NMSA 1978. The Sunday sales permit shall expire on June 30 of each year and may be renewed from year to year upon application for renewal and payment of the required fee. The permit fee shall not be prorated. Sales made pursuant to this subsection or Subsection H of this section shall be called "Sunday sales".

E. Retailers, dispensers, canopy licensees that were replaced by dispenser's licensees pursuant to Section 60-6B-16 NMSA 1978, restaurant licensees, club licensees and governmental licensees or their lessees shall not sell, serve, deliver or allow the consumption of alcoholic beverages on the licensed premises from 2:00 a.m. on Christmas day until 7:00 a.m. on the day after Christmas, except as permitted pursuant to Subsection G of this section.

F. Sunday sales pursuant to the provisions of Subsection D of this section are permitted in a local option district that voted to permit them. If in that election a majority of the voters in a local option district voted "no" on the question "Shall Sunday sales of alcoholic beverages by the drink for consumption on the licensed premises of
licensees be allowed in this local option district?", Sunday
sales are unlawful in that local option district upon
certification of the election returns unless the provisions
of Subsection K of this section apply. The question shall
not again be placed on the ballot in that local option
district until:

(1) at least one year has passed; and
(2) a petition is filed with the local
governing body bearing the signatures of registered qualified
electors of the local option district equal in number to ten
percent of the number of votes cast and counted in the local
option district for governor in the last preceding general
election in which a governor was elected. The signatures on
the petition shall be verified by the clerk of the county in
which the local option district is situated.

licensees that were replaced by dispenser's licensees
pursuant to Section 60-6B-16 NMSA 1978, restaurant licensees,
club licensees and governmental licensees or lessees of these
licensees, provided that the licensees have current, valid
food service establishment permits, may sell, serve or allow
the consumption of alcoholic beverages by the drink on
licensed premises from noon until 10:00 p.m. on Christmas
day, except in a local option district in which, pursuant to
petition and election under this subsection, a majority of
the voters voting on the question votes against continuing
such sales or consumption on Christmas day. An election
shall be held on the question of whether to continue to allow
the sale, service or consumption of alcoholic beverages by
the drink on licensed premises from noon until 10:00 p.m. on
Christmas day in a local option district, if a petition
requesting the governing body of that district to call the
election is signed by at least ten percent of the registered
voters of the district and is filed with the clerk of the
governing body of the district. Upon verification by the
clerk that the petition contains the required number of
signatures of registered voters, the governing body shall
adopt a resolution calling an election on the question of
allowing the sale, service or consumption of alcoholic
beverages by the drink on licensed premises from noon until
10:00 p.m. on Christmas day. The election may be held in
conjunction with a regular election of the governing body or
a regular local or special election held pursuant to the
Local Election Act. The election shall be called, conducted,
counted and canvassed in substantially the same manner as
provided for general elections in the county under the
Election Code or for special elections in a municipality
under the Local Election Act. If a majority of the voters
voting on the question votes against continuing the sale,
service or consumption of alcoholic beverages by the drink on
licensed premises from noon until 10:00 p.m. on Christmas
day, then such sales and consumption shall be prohibited. If
a majority of the voters voting on the question votes to
allow continued sale, service and consumption of alcoholic
beverages by the drink on licensed premises from noon until
10:00 p.m. on Christmas day, then such sales and consumption
shall be allowed to continue. The question then shall not be
submitted again to the voters within two years of the date of
the last election on the question.

H. Notwithstanding the provisions of Subsection F
of this section, any Indian nation, tribe or pueblo whose
lands are wholly situated within the state that has, by
statute, ordinance or resolution, elected to permit the sale,
possession or consumption of alcoholic beverages on lands
within the territorial boundaries of the Indian nation, tribe
or pueblo may, by statute, ordinance or resolution of the
governing body of the Indian nation, tribe or pueblo, permit
Sunday sales by the drink on the licensed premises of
licensees on lands within the territorial boundaries of the
Indian nation, tribe or pueblo; provided that a certified
copy of such enactment is filed with the office of the
director and with the secretary of state.

I. Subject to the provisions of Subsection J of
this section, a dispenser or retailer, upon payment of an
additional fee of one hundred dollars ($100), may obtain a
permit to sell alcoholic beverages in unbroken packages for consumption off the licensed premises on Sundays from noon until midnight, and in those years when December 31 falls on a Sunday, from noon on December 31 until 2:00 a.m. of the following day. The permit shall expire on June 30 of each year and may be renewed from year to year upon application for renewal and payment of the required fee. The permit fee shall not be prorated. Sales made pursuant to the provisions of this subsection shall be called "Sunday package sales".

J. If a petition requesting the governing body of a local option district to call an election on the question of continuing to allow sales of alcoholic beverages in unbroken packages for consumption off the licensed premises on Sundays is filed with the clerk of the governing body and that petition is signed by at least ten percent of the number of registered voters of the local option district and the clerk of the governing body verifies the petition signatures, the governing body shall adopt a resolution calling an election on the question. The election shall be held within sixty days of the date that the petition is verified, or it may be held in conjunction with a regular election of the governing body, if the regular election occurs within sixty days of the petition verification. The election shall be called, conducted, counted and canvassed substantially in the manner provided by law for general elections within a county or for
special elections within a municipality pursuant to the Local
Election Act. If a majority of the voters of the local
option district voting in the election votes to allow the
sale of alcoholic beverages in unbroken packages for
consumption off the licensed premises, then those sales shall
continue to be allowed. If a majority of the voters of the
local option district voting in the election votes not to
allow the Sunday package sales, then those Sunday package
sales shall be prohibited commencing the first Sunday after
the results of the election are certified. Following the
election, the question of allowing the Sunday package sales
shall not be submitted again to the voters within two years
of the date of the last election on the question.

K. Sunday sales of alcoholic beverages shall be
permitted at resorts and at horse racetracks statewide
pursuant to the provisions of Section 60-7A-2 NMSA 1978."
