an approved rural health care underserved area. An eligible rural health care practitioner who provided health care services for at least one thousand forty hours but less than two thousand eighty hours at a practice site located in an approved rural health care underserved area during a taxable year is eligible for one-half of the credit amount.

D. Before an eligible health care practitioner may claim the rural health care practitioner tax credit, the practitioner shall submit an application to the department of health that describes the practitioner's clinical practice and contains additional information that the department of health may require. The department of health shall determine whether an eligible health care practitioner qualifies for the rural health care practitioner tax credit and shall issue a certificate to each qualifying eligible health care practitioner. The department of health shall provide the taxation and revenue department appropriate information for all eligible health care practitioners to whom certificates are issued.

E. A taxpayer claiming the credit provided by this section shall submit a copy of the certificate issued by the department of health with the taxpayer's New Mexico income tax return for the taxable year. If the amount of the credit claimed exceeds a taxpayer's tax liability for the taxable year in which the credit is being claimed, the excess may be carried
