**J. HIGHER EDUCATION**

On approval of the higher education department, the state budget division of the department of finance and administration may approve increases in budgets of agencies in this subsection, with the exception of the policy development and institutional financial oversight program of the higher education department, whose other state funds exceed amounts specified. In approving budget increases, the director of the state budget division shall advise the legislature through its officers and appropriate committees, in writing, of the justification for the approval.

The department of finance and administration shall, as directed by the secretary of higher education, withhold from an educational institution or program that the higher education department places under an enhanced fiscal oversight program a portion, up to ten percent, of the institution's or program's general fund allotments. On written notice by the secretary of higher education that the institution or program has made sufficient progress toward satisfying the requirements imposed by the higher education department under the enhanced fiscal oversight program, the department of finance and administration shall release the withheld allotments. Money withheld in accordance with this provision and not released at the end of fiscal year 2020 shall revert to the general fund. The secretary of the

**K. PUBLIC SCHOOL SUPPORT**

Except as otherwise provided, unexpended balances of appropriations made in this subsection shall not revert at the end of fiscal year 2020.

PUBLIC SCHOOL SUPPORT:

(1) State equalization guarantee distribution:

The purpose of public school support is to carry out the mandate to establish and maintain a uniform system of free public schools sufficient for the education of, and open to, all the children of school age in the state.

Appropriations:	3,068,803.4	5,000.0	3,073,803.4
-----------------	-------------	---------	-------------

The rate of distribution of the state equalization guarantee distribution shall be based on a program unit value determined by the secretary of public education. The secretary of public education shall establish a preliminary unit value to establish budgets for the 2019-2020 school year and then, on verification of the number of units statewide for fiscal year 2020 but no later than January 31, 2020, the secretary of public education may adjust the program unit value. In setting the preliminary unit value and the final unit value in January, the public education department shall consult with the department of finance and administration, the legislative finance committee and the legislative education study committee.

The general fund appropriation to the state equalization guarantee distribution includes forty million four hundred thirty-three thousand dollars (\$40,433,000) contingent on enactment of House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth legislature amending the School Personnel Act to increase teacher and administrator minimum salary levels. The secretary of public education shall ensure that during fiscal year 2020 no full-time level one teacher receives a base salary less than forty-one thousand dollars (\$41,000), no full-time level two teacher receives a base salary less than fifty thousand dollars (\$50,000), no full-time level three-A teacher receives a base salary less than

sixty thousand dollars (\$60,000) and no full-time level three-B school principal or level three-B assistant school principal receives a base salary less than sixty thousand dollars (\$60,000) multiplied by the applicable responsibility factor as defined in Subsection B of Section 22-10A-2 NMSA 1978.

The general fund appropriation to the state equalization guarantee distribution includes seventy-seven million seven hundred fifty-three thousand dollars (\$77,753,000) to provide a six percent salary increase to all licensed teachers whose primary duty is classroom instruction. This amount shall be provided separately and prior to any amendments to the statutory minimum salary of level one teachers, level two teachers and level three-A teachers in the School Personnel Act enacted in the first session of the fifty-fourth legislature. The secretary of public education shall not approve the operating budget of a school district or charter school that does not provide a six percent salary increase for all licensed teachers whose primary duty is classroom instruction.

The general fund appropriation to the state equalization guarantee distribution includes six million two hundred twenty-five thousand four hundred dollars (\$6,225,400) to provide a six percent salary increase to all licensed school principals and licensed assistant school principals whose primary duty is school administration. This amount shall be provided separately and prior to any amendments to the statutory minimum salary of level three-B administrators in the School Personnel Act enacted in the first session of the fifty-fourth legislature. The secretary of public education shall not approve the operating budget of a school district or charter school that does not provide a six percent salary increase for all licensed school principals and licensed assistant school principals whose primary duty is school administration.

The general fund appropriation to the state equalization guarantee distribution includes thirty-seven million six hundred ninety-four thousand four hundred dollars (\$37,694,400) to provide a six percent salary increase for all instructional staff and other licensed and unlicensed staff, other than licensed teachers with a primary duty of classroom instruction and licensed school principals or licensed assistant school principals with a primary duty of school administration. Provided however that salary

increases for district superintendents shall be established by the district school board. The secretary of public education shall not approve the operating budget of a school district or charter school that does not provide a six percent salary increase for all instructional staff and other licensed and unlicensed staff, other than licensed teachers with a primary duty of classroom instruction, or licensed school principals and licensed assistant school principals with a primary duty of school administration. The secretary of public education shall not approve the operating budget of a school district or charter school that does not prioritize salary increases for instructional staff or disproportionately allocates salary increases for central office administrators; provided that school districts and charter schools are encouraged to allocate average salary increases for all school staff the same as licensed teachers with a primary duty of classroom instruction.

The general fund appropriation to the state equalization guarantee distribution includes four million two hundred fifty thousand dollars (\$4,250,000) to provide public education employees eligible for coverage under the Educational Retirement Act an employer-paid pension increase contingent on enactment of House Bill 501 or similar legislation in the first session of the fifty-fourth legislature amending the Educational Retirement Act to increase employer-paid pension contributions by twenty-five hundredths of one percent.

The general fund appropriation to the state equalization guarantee distribution includes one hundred three million two hundred eleven thousand eight hundred dollars (\$103,211,800) contingent on enactment of House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth legislature amending the Public School Code to do the following: define a maximum age for a school-age person and a qualified student of twenty-two years old, increase the at-risk index multiplier to twenty-five hundredths, eliminate school size adjustments for schools in large school districts and establish a formula factor for schools in rural areas.

The general fund appropriation to the state equalization guarantee distribution includes sixty-two million four hundred ninety-seven thousand five hundred dollars (\$62,497,500) contingent on enactment of

House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth legislature amending the Public School Code to establish an extended learning time program factor in the public school funding formula for extended learning time programs. The secretary of public education shall consider those extended learning time programs eligible for state financial support and the amount of state funding available for extended learning time programs and determine, in consultation with the department of finance and administration, legislative finance committee and legislative education study committee, the programs and consequent numbers of students in extended learning time programs that will be used to calculate the number of additional program units for extended learning time programs. Any amount of the sixty-two million four hundred ninety-seven thousand five hundred dollar (\$62,497,500) appropriation that is not distributed through the new extended learning time program factor, calculated by multiplying the final program unit value set for the 2019-2020 school year by the total extended learning time program units and subtracting that product from sixty-two million four hundred ninety-seven thousand five hundred dollars (\$62,497,500), shall be transferred to the public education reform fund.

The general fund appropriation to the state equalization guarantee distribution includes one hundred nineteen million eight hundred ninety-five thousand nine hundred dollars (\$119,895,900) contingent on enactment of House Bill 5 or Senate Bill 1 in the first session of the fifty-fourth legislature amending the Public School Code to establish a K-5 plus factor in the public school funding formula for K-5 plus programs. The secretary of public education shall consider those K-5 plus programs eligible for state financial support and the amount of state funding available for K-5 plus programs and determine, in consultation with the department of finance and administration, legislative finance committee and legislative education study committee, the programs and consequent numbers of students in K-5 plus programs that will be used to calculate the number of additional program units for K-5 plus programs. plus program units and subtracting that product from one hundred nineteen million eight hundred ninety-five thousand nine hundred dollars (\$119,895,900), shall be transferred to the public education reform fund.

For fiscal year 2020, if the program cost made available is insufficient to meet the level of state support required by the special education maintenance of effort requirements of Part B of the federal Individuals with Disabilities Education Act, the public education department shall reduce the program cost in an amount that equals the projected shortfall and distribute that amount to school districts and charter schools in the same manner and on the same basis as the state equalization guarantee distribution to meet the level of support required by Part B of the federal Individuals with Disabilities Education Act for fiscal year 2020 and shall reduce the final unit value to account for the reduction.

After considering those elementary physical education programs eligible for state financial support and the amount of state funding available for elementary physical education, the secretary of public education shall annually determine the programs and the consequent numbers of students in elementary physical education that will be used to calculate the number of elementary physical education program units, provided that no school district or charter school shall generate elementary physical education program units in fiscal year 2020 in excess of the total average number of elementary school students enrolled on the second and third reporting date of the 2018-2019 school year multiplied by the cost differential factor of six one-hundredths as established in Section 22-8-23.7 NMSA 1978.

The public education department shall monitor and evaluate the ways in which school districts and individual schools use funding distributed for at-risk program units, bilingual and multicultural education program units, extended learning time program units, K-5 plus program units, instructional materials and classroom instruction in fiscal year 2020 and report its findings and recommendations to the governor, legislative education study committee and legislative finance committee on or before December 1, 2019.

The general fund appropriation to the state equalization guarantee distribution includes sufficient

funding for school districts and charter schools to purchase culturally appropriate instructional materials for eligible students. The public education department shall monitor and evaluate the extent to which schools purchase and use instructional materials relevant to the cultures, languages, history and experiences of culturally diverse students.

The public education department shall not approve the operating budget of any school district or charter school to operate a four-day school week during the 2019-2020 school year that did not provide a four-day school week during the 2018-2019 school year.

The public education department shall not approve the operating budget of any school district or charter school with fewer than fifty thousand students that spends less than one standard deviation below the average expenditure rate of comparable school districts and charter schools on instruction, student support services and instructional support services unless that school district or charter school demonstrates the budgeted spending level for instruction, student support services and instructional support services is sufficient to provide a free and appropriate public education to all students.

The public education department shall not approve the operating budget of any school district or charter school with greater than or equal to fifty thousand students that spends less than seventy-five percent of general fund appropriations on instruction, student support services and instructional support services unless that school district or charter school demonstrates the budgeted spending level for instruction, student support services and instructional support services is sufficient to provide a free and appropriate public education to all students.

Funds appropriated from the general fund to the state equalization guarantee distribution or any cash balances derived from appropriations from the general fund to the state equalization guarantee distribution in any year shall not be used to fund any litigation against the state unless or until a court issues a final decision in favor of a plaintiff school district or charter school and all legal remedies have been exhausted.

The general fund appropriation to the public school fund shall be reduced by the amounts

transferred to the public school fund from the current school fund and from federal Mineral Leasing Act receipts otherwise unappropriated.

The general fund appropriation to the state equalization guarantee distribution reflects the deduction of federal revenue pursuant to Paragraph (2) of Subsection C of Section 22-8-25 NMSA 1978 that includes payments to school districts and charter schools commonly known as "impact aid funds" pursuant to 20 U.S.C. 7701 et seq., and formerly known as "PL874 funds."

The other state funds appropriation is from the balances received by the public education department pursuant to Section 66-5-44 NMSA 1978.

Within thirty calendar days of initial submission, the secretary of public education shall process and pay each request for reimbursement submitted to the public education department by a school district or charter school.

The department of finance and administration may adjust a school district's or charter school's monthly state equalization guarantee progress payment to provide flexibility to meet cash flow needs, provided that no school district or charter school shall receive an annual state equalization guarantee distribution that is more than their proportionate fiscal year 2020 share.

Any unexpended balances in the authorized distributions remaining at the end of fiscal year 2020 from appropriations made from the general fund shall revert to the general fund.
