(1) all negative amounts relating to any period prior to the three calendar years preceding the year of the current month, net of any positive amounts in that same time period for the same taxpayers to which the negative amounts pertain, shall be excluded from the total relating to prior periods. Except as provided in Paragraph (2) of this subsection, the net receipts to be distributed or transferred to the municipality or county shall be adjusted to equal the amount for the current month plus the revised total for prior periods; and

(2) if the revised total for prior periods determined pursuant to Paragraph (1) of this subsection is negative and its absolute value exceeds the greater of one hundred dollars ($100) or an amount equal to twenty percent of the average distribution or transfer amount for that municipality or county, the revised total for prior periods shall be excluded from the distribution or transfers and the net receipts to be distributed or transferred to the municipality or county shall be equal to the amount for the current month.

to the application.

E. No earlier than ninety days from the date notice pursuant to Subsection D of this section is given, the department shall begin recovering the recoverable amount from a municipality or county as follows:

(1) the department may collect the recoverable amount by:

(2) if, pursuant to Subsection B of this section, the secretary determines that the recoverable amount is more than fifty percent of the average distribution or transfer of net receipts for that municipality or county, the secretary:

for that municipality or county; and

audit adjustment, correction of a mistake by the department or
other adjustment of a prior period, but prior to any recovery
of the department pursuant to this section, the total net
receipts of a municipality or county for the twelve-month
period beginning with the current month are reduced or are
projected to be reduced to less than fifty percent of the
average distribution or transfer of net receipts, the secretary
may waive recovery of any portion of the recoverable amount,
subject to approval by the state board of finance.

F. No later than ninety days from the date notice
pursuant to Subsection D of this section is given, the
department shall provide the municipality or county adequate
opportunity to review an application for a claim for refund
that gave rise to the recoverable amount, exclusive of any
amended returns that may be attached to the application,
pursuant to Section 7-1-8.9 NMSA 1978.

G. On or before September 1 of each year beginning
in 2016, the secretary shall report to the state board of

debt obligations of the municipality or county to the New Mexico finance authority. A
decrease to or redirection of a distribution or transfer pursuant to this subsection that arose:

(1) prior to an adjustment of a distribution or transfer of net receipts creating a recoverable amount owed to the department takes precedence over any collection of any recoverable amount pursuant to Paragraph (2) of Subsection B of this section, which may be made only from the net amount of the distribution or transfer remaining after application of the decrease or redirection pursuant to this subsection; and

(2) after an adjustment of a distribution or transfer of net receipts creating a recoverable amount owed to the department shall be subordinate to any collection of any recoverable amount pursuant to Paragraph (2) of Subsection B of this section.

I. Upon the direction of the secretary of finance and administration pursuant to Section 9-6-5.2 NMSA 1978, the secretary shall temporarily withhold the balance of a distribution to a municipality or county, net of any decrease or redirected amount pursuant to Subsection H of this section and any recoverable amount pursuant to Paragraph (2) of Subsection B of this section, that has failed to submit an audit report required by the Audit Act or a financial report.
required by Subsection F of Section 6-6-2 NMSA 1978. The amount to be withheld, the source of the withheld distribution and the number of months that the distribution is to be withheld shall be as directed by the secretary of finance and administration. A distribution withheld pursuant to this subsection shall remain in the tax administration suspense fund until distributed to the municipality or county and shall not be distributed to the general fund.
