11 legally subject to parental control, guardianship, foster care
12 or similar control;

13 C. "foster parent" means a person licensed or

7 SECTION 3. [NEW MATERIAL] BLIND PARENTS--PARENTAL
8 RIGHTS.--

9 A. A blind parent's blindness shall not serve as a
10 basis for denial or restriction of a parental right.

11 B. Where a blind parent's blindness is alleged to
12 have a detrimental impact on the physical, mental or emotional
13 welfare of a child, or where a blind parent's blindness is in
14 any way a factor when determining a parental right, the party
15 making the allegation bears the burden of proving the
16 allegation by clear and convincing evidence. If this burden is
17 met, the blind parent shall have the opportunity to rebut the
18 allegation by demonstrating how the receipt of supportive
19 parenting services can alleviate or mitigate any detrimental
20 impact that the blind parent's blindness may have on a child.

21 C. If a court, state agency or other entity with
22 jurisdiction limits or denies a blind parent's parental right,
23 the court, state agency or other entity with jurisdiction shall
24 make specific written findings setting forth the clear and
25 convincing evidence for the determination and why the provision

.211417.1

1 of supportive parenting services is not a reasonable
2 accommodation that would serve to make that determination
3 unnecessary. The court, state agency or other entity with
4 jurisdiction shall also make a finding of fact as to the
5 prospects for supportive parenting services to allow the blind
6 parent to adequately parent the child in the future.

7 D. Nothing in the Blind Parents' Rights Act shall
8 in any way be construed to limit or restrict any other right or
9 remedy that a blind parent has in any administrative or court
10 proceeding to oppose the termination or limitation of parental
11 rights.

12 E. A blind parent who has been subject to a
13 violation of the Blind Parents' Rights Act has the right to
14 seek and recover reasonable attorney fees and costs, including
15 fees and costs arising in a domestic relations matter in which
16 a spouse or parent has alleged that a blind parent should be
17 denied any parental right on the basis of the blind parent's
18 blindness.
