(2) percentage of a lot that may be occupied;

(3) size of yards, courts and other open space;

(4) density of population; and

(5) location and use of buildings, structures and land for trade, industry, residence or other purposes."
B. The county or municipal zoning authority may:

(1) divide the territory under its jurisdiction into districts of such number, shape, area and form as is necessary to carry out the purposes of Sections 3-21-1 through 3-21-14 NMSA 1978; and

(2) regulate or restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land in each district. All such regulations shall be uniform for each class or kind of buildings within each district, but regulation in one district may differ from regulation in another district.

C. All state-licensed or state-operated community residences for persons with a mental or developmental disability and serving ten or fewer persons may be considered a residential use of property for purposes of zoning and may be permitted use in all districts in which residential uses are permitted generally, including particularly residential zones for single-family dwellings.

D. A board of county commissioners of the county in which the greatest amount of the territory of the petitioning village, community, neighborhood or district lies may declare by ordinance that a village, community, neighborhood or district is a "traditional historic community" upon petition by twenty-five percent or more of the qualified electors of the territory within the village,
community, neighborhood or district requesting the designation. The number of qualified electors shall be based on county records as of the date of the last general election.

SECTION 184. Section 3-30-1 NMSA 1978 (being Laws 1965, Chapter 300, Section 14-29-1) is repealed and a new Section 3-30-1 NMSA 1978 is enacted to read:

"3-30-1. BOND ELECTIONS--FINDINGS--QUALIFIED ELECTORS.--"
A. The legislature finds that the provisions of Article 9, Section 12 of the constitution of New Mexico regarding nonresident municipal electors violate the rights of property owners who are not qualified electors of the county where such city, town or village is situated compared to nonresident property owners who are qualified electors of the county where such city, town or village is located, and further finds that providing voting rights based on property ownership violates the franchise provisions in Article 7, Section 1 of the constitution of New Mexico.

B. Voting for all purposes in all public elections in a municipality shall be based exclusively on voter registration by qualified electors of the municipality as provided in the Municipal Code and Election Code."

SECTION 185. Section 3-30-6 NMSA 1978 (being Laws 1965, Chapter 300, Section 14-29-6, as amended) is amended to read:

"3-30-6. BOND ELECTION--QUALIFICATIONS OF VOTERS--SEPARATION OF ITEMS--TIME--PUBLICATION OR POSTING--BALLOTS."

A. Before bonds are issued, the governing body of the municipality shall submit to a vote of the qualified electors of the municipality the question of issuing the bonds. The election may be held at the same time as the regular local election or at any special election held pursuant to Article 9, Section 12 of the constitution of New Mexico.
B. The governing body of the municipality shall give notice of the time and place of holding the election and the purpose for which the bonds are to be issued. The election shall be conducted pursuant to the provisions of the Local Election Act.

C. The question shall state the purpose for which the bonds are to be issued and the amount of the issue. If bonds are to be issued for more than one purpose, a separate question shall be submitted to the voter for each purpose to be voted upon. The ballots shall contain words indicating the purpose of the bond issue and a place for a vote "For . . . (designate type) bonds" and "Against . . . (designate type) bonds" for each bond issue. The ballots shall be deposited in a separate ballot box unless voting machines are used.

SECTION 186. Section 3-33-14.1 NMSA 1978 (being Laws 2001, Chapter 312, Section 5) is amended to read:

"3-33-14.1. IMPOSITION OF IMPROVEMENT DISTRICT PROPERTY TAX--LIMITATIONS.--

A. If in connection with the creation of the improvement district the governing body determines that it is in the best interest of the municipality to finance the district improvements by the imposition of an improvement district property tax and the issuance of improvement district general obligation bonds, the governing body shall
enact an ordinance making the determination and provide in
the ordinance the improvement district property tax rate to
be imposed; the date, which may be a predetermined date or a
date to be established in the future after completion of the
improvements, of commencement of the tax; the amount of the
bonds to be issued to finance the improvements; and any other
matters the governing body deems necessary or appropriate.
The governing body shall call an election within the
improvement district for the purpose of authorizing the
governing body to issue general obligation bonds, the
proceeds of the sale of which shall be used for constructing
the improvements for which the district was created and to
impose improvement district property taxes on all taxable
property within the district for the purpose of paying the
principal, debt service and other expenses incidental to the
issuance and sale of the bonds. The election shall be
conducted as prescribed by the Local Election Act and
pursuant to the requirements of the property tax division of
the taxation and revenue department.

B. If at the election described in Subsection A of
this section the property tax imposition and the issuance of
improvement district general obligation bonds are approved by
a majority of the voters voting on the issues, the governing
body shall impose the tax at a rate sufficient to pay the
debt service on the bonds and retire them at maturity.
C. Imposition and collection of the improvement
district property tax authorized in this section shall be
made at the same time and in the same manner as impositions
and collections of property taxes for use by municipalities
and counties are made.

D. Bonds issued by the governing body for payment
of the specified improvement district improvements shall be
sold at a price that does not result in a net effective
interest rate exceeding the maximum net effective interest
rate permitted by the Public Securities Act. The bonds may
be sold at public or private sale and may be in denominations
that the governing body determines.

E. The form and terms of the bonds, including a
final maturity of thirty years and provisions for their
payment and redemption, shall be as determined by the
governing body. The bonds shall be executed in the name of
and on behalf of the improvement district by the mayor and
clerk of the municipality. The bonds may be executed and
sealed in accordance with the provisions of the Uniform
Facsimile Signature of Public Officials Act.

F. To provide for the payment of the interest and
principal of the bonds issued and sold pursuant to this
section, the governing body shall annually impose a property
tax on all taxable property in the district in an amount
sufficient to produce a sum equal to the principal and
interest on all bonds as they mature.

G. The bonds authorized in this section are general obligation bonds of the district, and the full faith and credit of the district are pledged to the payment of the bonds. The proceeds obtained from the issuance of the bonds shall not be diverted or expended for any purposes other than those provided in Chapter 3, Article 33 NMSA 1978.

H. All bonds issued by an improvement district shall be fully negotiable and constitute negotiable instruments within the meaning of and for all the purposes of the Uniform Commercial Code. If lost or completely destroyed, any bond may be reissued in the form and tenor of the lost or destroyed bond upon the owner furnishing to the satisfaction of the governing body:

(1) proof of ownership;
(2) proof of loss or destruction;
(3) a surety bond in twice the face amount of the bond and coupons; and
(4) payment of the cost of preparing and issuing the new bond and coupons.

I. The governing body may in any proceeding authorizing improvement district bonds provide for the initial issuance of one or more bonds aggregating the amount of the entire issue or may make provision for installment payments of the principal amount of any bond as it may
consider desirable.

J. The governing body may issue bonds to be denominated refunding bonds, for the purpose of refunding any of the general obligation bonded indebtedness of the improvement district. Whenever the governing body deems it expedient to issue refunding bonds, it shall adopt an ordinance setting out the facts making the issuance of the refunding bonds necessary or advisable, the determination of the necessity or advisability by the governing body and the amount of refunding bonds that the governing body deems necessary and advisable to issue. The ordinance shall fix the form of the bonds; the rate or rates of interest of the bonds, but the net effective interest rate of the bonds shall not exceed the maximum net effective interest rate permitted by the Public Securities Act; the date of the refunding bonds; the denominations of the refunding bonds; the maturity dates; and the place or places of payment within or without the state of both principal and interest. Refunding bonds when issued, except for bonds issued in book entry or similar form without the delivery of physical securities, shall be negotiable in form and shall bear the signature or the facsimile signature of the mayor and clerk of the municipality. All refunding bonds may be exchanged dollar for dollar for the bonds to be refunded or they may be sold as directed by the governing body, and the proceeds of the
sale shall be applied only to the purpose for which the bonds were issued and the payment of any incidental expenses.

K. The principal amount of improvement district general obligation bonds that may be issued by the governing body for any improvement district shall not exceed twenty-five percent of the final estimated value of properties in the district after completion of the projects to be financed with the improvement district general obligation bonds and after development of the properties in the improvement district in accordance with their planned use, as determined by the governing body with the assistance of the engineer and other qualified professionals.

L. In connection with an improvement district project to be financed with the proceeds of improvement district general obligation bonds issued pursuant to this section, a property owner subject to the improvement district property tax or the governing body may enter into contracts to design, engineer, finance, construct or acquire a project with contractors and professionals, on such terms and with such persons as a property owner subject to the improvement district property tax or the governing body determines to be appropriate, without following the procedures or meeting the requirements of the Procurement Code or the requirements of Sections 6-15-1 through 6-15-22 NMSA 1978."

SECTION 187. Section 3-52-3 NMSA 1978 (being Laws 1965, HB 407/a Page 259

(1) general transportation of persons is necessary and convenient;

(2) privately owned public transportation facilities in operation are inadequate;

(3) it is impossible for existing franchise operators to render necessary service with adequate resulting return on the investment of capital; and

(4) assignment of the existing franchise by the holder or release of the existing franchise and granting of a new franchise by the city will not afford adequate service. Such finding, if made, shall be by resolution adopted by the governing body on the affirmative recorded vote of at least two-thirds of the elected members of the governing body. The resolution shall be published in full in a daily newspaper of general circulation in the municipality. It shall not take effect until thirty days after the publication. If within the thirty days of the publication a petition signed by qualified voters in number equal to twenty percent of the number of voters at the preceding city election on which members of the governing body were elected
asks that the resolution in question be submitted to a vote of the people for adoption or rejection, the measure shall not take effect until an election is held as petitioned. The governing body may then rescind the resolution or, in its discretion, call an election within ninety days, at which time the proposition shall be submitted to the voters; provided that the date is not in conflict with the provisions of Section 1-24-1 NMSA 1978. The governing body shall provide for the election pursuant to the provisions of the Local Election Act. If a majority of the votes cast at such election are against the measure, it shall be void. If a majority of the votes cast favor the measure, the governing body may proceed to acquire and operate a transit system as provided in the Municipal Transit Law. If a majority of those voting on the proposition disapprove the proposition, the matter may not again be submitted by the governing body until the next election at which city commissioners are chosen.

B. Any transit department so established is declared to be a public utility."

annexed is not accurately described or that the conditions
described in Section 4-33-1 NMSA 1978 do not exist. The
judge, after hearing, shall make a determination as to
whether the allegations of the petition are well taken. If
the judge shall determine that the allegations of the
petition are well taken, the judge shall enter an order. If
the order is not stayed, it shall be the duty of the board of
county commissioners to call an election to be held within
ninety days within the county of the area proposed to be
annexed; provided that the date is not in conflict with the
provisions of Section 1-24-1 NMSA 1978. The county clerk

a newspaper of general circulation in the county, the last
publication thereof to be at least seven days before the date

"5-11-6. ORDER FORMING DISTRICT--FORMATION DETERMINATION--ELECTION.--

A. After the hearing, the governing body shall determine whether the district should be formed based upon the interests, convenience or necessity of the owners, residents of the district and citizens of the municipality or county in which the proposed district would be located. If the governing body determines that the district should be formed, it shall adopt a resolution ordering that the district be formed, deleting any property determined not to be directly or indirectly benefited by the district or modifying the general plan and then ordering that a formation determination be conducted and an election be held on the question whether to form the district. B. Before submitting the question of formation of the district to the qualified electors of the proposed district, a formation determination shall be conducted by the
governing body among the owners unless a petition is
presented to the governing body pursuant to Subsection F of
Section 5-11-7 NMSA 1978. In the formation determination,
each owner shall have the number of votes or portions of
votes equal to the number of acres or portions of acres
rounded upward to the nearest one-fifth of an acre owned by
that owner in the submitted district.

C. A formation or other determination shall not be

governing body or the district board may establish local
procedures for noticing, conducting and canvassing
determinations, which may include determinations made by
unanimous written approval of the owners in affidavits
executed by the owners and confirmed in a review by the
district board.

D. Should the formation determination by the
owners result in a three-fourths' majority vote in favor of
formation, the question shall also be submitted to a vote of
the qualified electors of the proposed district. The conduct
of a formation election by qualified electors shall meet the
requirements of Section 5-11-7 NMSA 1978.

E. The right of the qualified electors to vote on
the question of formation of the district shall not be
assigned or delegated to the property owners, or related

"5-11-7. NOTICE AND CONDUCT OF ELECTION--WAIVER.--

In addition to those matters required for notice as provided in the Local Election Act, the notice of election shall state:

(1) if the election is a formation election, the boundaries of the proposed district;

(2) if the election is a bond election, the amount of bonds to be authorized for the district, the maximum rate of interest to be paid on the bonds and the maximum term of the bonds, not exceeding thirty years;

(3) if the election is a property tax levy election pursuant to Section 5-11-19 NMSA 1978, the maximum tax rate per one thousand dollars ($1,000) of assessed valuation to be imposed, the purposes for which the revenues raised will be used and the existing maximum tax rate, if any;

(4) that a general plan is on file with the clerk;

(5) the purposes for which the property
taxes or the special levies will be imposed, and the revenues
raised will be used, including a description of the public
improvements to be financed with tax revenues, special
levies, district revenues or bond proceeds; and

(6) that the imposition of property taxes or
special levies will result in a lien for the payment thereof
on property within the district.

B. The district board or, in the case of a
formation election, the governing body, shall determine the
date of the election by passing a resolution to place the
ballot question on a regular local election or general
election ballot or by adopting a proclamation calling for a
special election.

C. Except as otherwise provided by this section,
the election shall comply with the Local Election Act. The
ballot material provided to each qualified elector shall
include:

(1) for a formation election, an impartial
description of the district improvements contemplated and a
brief description of arguments for and against the formation
of the district, if any;

(2) for an election concerning the
imposition of property taxes, an impartial description of the
taxes to be imposed, the method of apportionment, collection
and enforcement and other details sufficient to enable each
elector to determine the amount of tax it will be obligated
to pay; a brief description of arguments for and against the
imposition of taxes that are the subject of the election, if
any; and a statement that the imposition of property taxes is
for the provision of certain but not necessarily all public
infrastructure improvements and services that may be needed
or desirable within the district, and that other taxes,
levies or assessments by other governmental entities may be
presented for approval by owners and qualified electors; and

(3) for a formation election, the ballot,
which shall pose the question to be voted upon as "district,
yes" and "district, no"; for a bond election, "bonds, yes"
and "bonds, no"; for a property tax election, if no tax is in
place, "property tax, yes" and "property tax, no"; and for an
election to change an existing maximum or eliminate an
existing tax, "tax change, yes" and "tax change, no",
specifying the type of tax to which the proposed change
pertains.

D. At least a three-fourths' majority of the votes
cast by qualified electors at the election shall be required
for formation, issuing the bonds, imposing the tax or special
levy or changing the tax or special levy. Failure of a
required majority to vote in favor of the matter submitted
shall not prejudice the submission of the same or similar
matters at a later election.
E. If a person listed on the assessment roll is no longer the owner of land in the district and the name of the successor owner becomes known to the governing body or the district board, as applicable, and is verified by recorded deed or other similar evidence of transfer of ownership, the successor owner is deemed to be the owner for the purposes of the Public Improvement District Act.

F. Notwithstanding any other provision of the Public Improvement District Act, if a petition for formation is signed by owners of all of the land in the district described in the petition and is approved by the municipality or county, the municipality or county may waive any or all requirements of posting, publication, mailing, notice, hearing and owner determination. On receipt of such a petition, and after approval by an election of qualified electors, if any, the municipality or county shall declare the district formed without being required to comply with the provisions of the Public Improvement District Act for posting, publication, mailing, notice, hearing or owner determination.

G. If no person is registered to vote within the district or proposed district areas within seventy days immediately preceding any scheduled election date, the election required to be held pursuant to the Public Improvement District Act shall be canceled. Under such
circumstances, when the question is on the formation of the
district, the results of the formation determination of the
owners shall prevail, unless the formation determination was
waived by the governing body pursuant to Subsection F of this
section. To the extent allowable by the constitution of New
Mexico, when the question is on any other allowable action
otherwise requiring a vote of the qualified electors, the
owners or the owners of the proposed district areas shall
make a determination, the result of which shall prevail."

B. At the end of the appointed directors' terms, the governing body shall resume governance of the district as its board either directly or through the governing body's designees or, at the governing body's option, shall hold an election of new directors by majority vote of the qualified electors or if the election is canceled pursuant to Subsection G of Section 5-11-7 NMSA 1978, an owner's determination conducted by ballot shall decide the new directors."

Lands within the district that are subject to the lien of property taxes,

No election shall be required solely for the purposes of this subsection."

SECTION 197. Section 5-11-19 NMSA 1978 (being Laws 2001, Chapter 305, Section 19, as amended) is amended to read:

"5-11-19. GENERAL OBLIGATION BONDS--Tax Levy--
EXCEPTION.--

A. At any time after the hearing on formation of the district, the district board, or, if before formation, the governing body may from time to time order that the question of authorizing the issuance of general obligation bonds to provide money for public infrastructure purposes consistent with the general plan be presented to the owners for a determination and that a general obligation bond election be called to submit the question to the qualified electors. The question shall include authorization for a levy, including a limitation on the levy, of a property tax to pay debt service on the bonds. The election shall be held pursuant to the provisions of the Local Election Act and may be held in conjunction with the formation election.

C. Bonds may be sold in a public offering or in a negotiated sale.
D. After the bonds are issued, the district board shall enter in its minutes a record of the bonds sold and their numbers and dates and shall annually levy and cause a property tax to be collected, at the same time and in the same manner as other property taxes are levied and collected on all taxable property in the district, sufficient, together with any money from the sources described in Section 5-11-17 NMSA 1978 to pay debt service on the bonds when due. Money derived from the levy of property taxes that are pledged to pay the debt service on the bonds shall be kept separately from other funds of the district. Property tax revenues not pledged to pay debt service on bonds may be used to pay other costs of the district, including costs of formation, administration, operation and maintenance, services or enhanced services. A district's levy of property taxes shall constitute a lien on all taxable property within the district, including, without limitation, all leased property or improvements to leased land, which shall be subject to foreclosure in the same manner as other property tax liens under the laws of this state. The lien shall include delinquencies and interest thereon at a rate not to exceed ten percent per year, the actual costs of foreclosure and any other costs of the district resulting from the delinquency. The proceeds of any foreclosure sale shall be deposited in the special bond fund for payment of any obligations secured
thereby.

E. Subject to the determination and election provisions of this section, a district may issue general obligation bonds at such times and in such amounts as the district deems appropriate to carry out a project or projects in phases.

F. Pursuant to this section, the district may issue and sell refunding bonds to refund general obligation bonds of the district authorized by the Public Improvement District Act. No determination or election is required in connection with the issuance and sale of refunding bonds. Refunding bonds issued pursuant to this section shall have a final maturity date no later than the final maturity date of the bonds being refunded."

F. Sunday sales pursuant to the provisions of Subsection D of this section are permitted in a local option district that voted to permit them. If in that election a majority of the voters in a local option district voted "no" on the question "Shall Sunday sales of alcoholic beverages by the drink for consumption on the licensed premises of licensees be allowed in this local option district?", Sunday sales are unlawful in that local option district upon certification of the election returns unless the provisions of Subsection K of this section apply. The question shall not again be placed on the ballot in that local option district until at least one year has passed and:

An election shall be held on the question of whether to continue to allow the sale, service or consumption of alcoholic beverages by the drink on licensed premises from noon until 10:00 p.m. on Christmas day in a local option district, if a petition requesting the governing body of that district to call the election is signed by at least ten percent of the registered voters of the district and is filed with the clerk of the governing body of the district. Upon verification by the clerk that the petition contains the required number of signatures of registered voters, the governing body shall pass a resolution calling for the question to be placed on a regular election.

The election may also be initiated by a resolution adopted by the governing body of the local option district without a petition from qualified electors having been submitted. The election shall be held pursuant to the Local Election Act. If a majority of the voters voting on the question votes against continuing the sale, service or consumption of alcoholic beverages by the drink on licensed premises from noon until 10:00 p.m. on Christmas day, then such sales and consumption shall be prohibited. If a majority of the voters voting on the question votes to allow continued sale, service and consumption of alcoholic beverages by the drink on licensed premises from noon until 10:00 p.m. on Christmas day, then such sales and consumption shall be allowed to continue. The question then shall not be submitted again to the voters within two years of the date of the last election on the question.

governing body of the Indian nation, tribe or pueblo, permit
Sunday sales by the drink on the licensed premises of
licensees on lands within the territorial boundaries of the
Indian nation, tribe or pueblo; provided that a certified
copy of such enactment is filed with the office of the
director and with the secretary of state.

I. Subject to the provisions of Subsection J of
this section, a dispenser or retailer, upon payment of an
additional fee of one hundred dollars ($100), may obtain a
permit to sell alcoholic beverages in unbroken packages for
consumption off the licensed premises on Sundays from noon
until midnight, and in those years when December 31 falls on
a Sunday, from noon on December 31 until 2:00 a.m. of the
following day. The permit shall expire on June 30 of each
year and may be renewed from year to year upon application
for renewal and payment of the required fee. The permit fee
shall not be prorated. Sales made pursuant to the provisions
of this subsection shall be called "Sunday package sales".

J. If a petition requesting the governing body of
a local option district to call an election on the question
of continuing to allow sales of alcoholic beverages in
unbroken packages for consumption off the licensed premises
on Sundays is filed with the clerk of the governing body and
that petition is signed by at least ten percent of the number of registered voters of the local option district and the clerk of the governing body verifies the petition signatures, the governing body shall pass a resolution calling for the question to be placed on a regular election ballot or adopt a proclamation calling for the question to be placed before the voters in a special local election on the question. The election may also be initiated by a resolution adopted by the governing body of the local option district without a petition from qualified electors having been submitted. The election shall be held within ninety days of the date that the petition is verified pursuant to the provisions of the Local Election Act; provided that the date of the election is not in conflict with the provisions of Section 1-24-1 NMSA 1978. If a majority of the voters of the local option district voting in the election votes to allow the sale of alcoholic beverages in unbroken packages for consumption off the licensed premises, then those sales shall continue to be allowed. If a majority of the voters of the local option district voting in the election votes not to allow the Sunday package sales, then those Sunday package sales shall be prohibited commencing the first Sunday after the results of the election are certified. Following the election, the question of allowing the Sunday package sales shall not be submitted again to the voters within two years of the date of
the last election on the question.

K. Sunday sales of alcoholic beverages shall be permitted at resorts and at horse racetracks statewide pursuant to the provisions of Section 60-7A-2 NMSA 1978."
