1 A. The state board of finance may issue and sell
2 severance tax bonds in compliance with the Severance Tax
3 Bonding Act in an amount not to exceed the total of the amounts
4 authorized for purposes specified in this act. The state board
5 of finance shall schedule the issuance and sale of the bonds in
6 the most expeditious and economical manner possible upon a
7 finding by the board that the project has been developed
8 sufficiently to justify the issuance and that the project can
9 proceed to contract within a reasonable time. The state board
10 of finance shall further take the appropriate steps necessary
11 to comply with the federal Internal Revenue Code of 1986, as
12 amended. Proceeds from the sale of the bonds are appropriated
13 for the purposes specified in this act.

14 B. The agencies named in this act shall certify to
15 the state board of finance when the money from the proceeds of
16 the severance tax bonds appropriated in this section is needed
17 for the purposes specified in the applicable section of this
18 act. If an agency has not certified the need for severance tax
19 bond proceeds for a particular project by the end of fiscal
20 year 2022, the authorization for that project is void.

21 C. Before an agency may certify for the need of
22 severance tax bond proceeds, the project must be developed
23 sufficiently so that the agency reasonably expects to:

24 (1) incur within six months after the
25 applicable bond proceeds are available for the project a

.217731.1

1 substantial binding obligation to a third party to expend at
2 least five percent of the bond proceeds for the project; and

3 (2) spend at least eighty-five percent of the
4 bond proceeds within three years after the applicable bond
5 proceeds are available for the project.

6 D. Except as otherwise specifically provided by
7 law:

8 (1) the unexpended balance from the proceeds
9 of severance tax bonds appropriated in this act for a project
10 shall revert to the severance tax bonding fund no later than
11 the following dates:

12 (a) for a project for which severance
13 tax bond proceeds were appropriated to match federal grants,
14 six months after completion of the project;

15 (b) for a project for which severance
16 tax bond proceeds were appropriated to purchase vehicles,
17 including emergency vehicles and other vehicles that require
18 special equipment; heavy equipment; books; educational
19 technology; or other equipment or furniture that is not related
20 to a more inclusive construction or renovation project, at the
21 end of the fiscal year two years following the fiscal year in
22 which the severance tax bond proceeds were made available for
23 the purchase; and

24 (c) for any other project for which
25 severance tax bonds were appropriated, within six months of

.217731.1

1 completion of the project, but no later than the end of fiscal
2 year 2024; and

3 (2) all remaining balances from the proceeds
4 of severance tax bonds appropriated for a project in this act
5 shall revert to the severance tax bonding fund three months
6 after the latest reversion date specified for that type of
7 project in Paragraph (1) of this subsection.

8 E. Except for appropriations to the capital program
9 fund, money from severance tax bond proceeds provided pursuant
10 to this act shall not be used to pay indirect project costs.

11 F. Except for a project that was originally funded
12 using a tax-exempt loan or bond issue, a project involving
13 repayment of debt previously incurred shall be funded through
14 the issuance of taxable severance tax bonds with a term that
15 does not extend beyond the fiscal year in which they are
16 issued.

17 G. For the purpose of this section, "unexpended
18 balance" means the remainder of an appropriation after
19 reserving for unpaid costs and expenses covered by binding
20 written obligations to third parties.

21 SECTION 2. GENERAL FUND AND OTHER FUND APPROPRIATIONS--
22 LIMITATIONS--REVERSIONS.--

23 A. Except as otherwise specifically provided by
24 law:

25 (1) the unexpended balance of an appropriation

.217731.1

1 made in this act from the general fund or other state funds
2 shall revert no later than the following dates:

3 (a) for a project for which an
4 appropriation was made to match federal grants, six months
5 after completion of the project;

6 (b) for a project for which an
7 appropriation was made to purchase vehicles, including
8 emergency vehicles and other vehicles that require special
9 equipment; heavy equipment; books; educational technology; or
10 other equipment or furniture that is not related to a more
11 inclusive construction or renovation project, at the end of the
12 fiscal year two years following the fiscal year in which the
13 appropriation was made for the purchase; and

14 (c) for any other project for which an
15 appropriation was made, within six months of completion of the
16 project, but no later than the end of fiscal year 2024; and

17 (2) all remaining balances from an
18 appropriation made in this act for a project shall revert three
19 months after the latest reversion date specified for that type
20 of project in Paragraph (1) of this subsection.

21 B. Except for appropriations to the capital program
22 fund, money from appropriations made in this act shall not be
23 used to pay indirect project costs.

24 C. Except as provided in Subsection E of this
25 section, the balance of an appropriation made from the general

.217731.1

1 fund shall revert in the time frame set forth in Subsection A
2 of this section to the capital projects fund.

3 D. Except as provided in Subsection E of this
4 section, the balance of an appropriation made from other state
5 funds shall revert in the time frame set forth in Subsection A
6 of this section to the originating fund.

7 E. The balance of an appropriation made from the
8 general fund or other state funds to the Indian affairs
9 department or the aging and long-term services department for a
10 project located on lands of an Indian nation, tribe or pueblo
11 shall revert in the time frame set forth in Subsection A of
12 this section to the tribal infrastructure project fund.

13 F. For the purpose of this section, "unexpended
14 balance" means the remainder of an appropriation after
15 reserving for unpaid costs and expenses covered by binding
16 written obligations to third parties.

17 SECTION 3. FUNDING EXCEEDING TOTAL PROJECT COST--GENERAL
18 FUND OVERAGE TO OPERATING RESERVE.--Prior to any general fund
19 money appropriated in this act being available for expenditure,
20 the department of finance and administration and the
21 legislative council service shall determine those capital
22 improvement projects for which legislative appropriations, in
23 combination with all other funding sources, exceed the total
24 cost for those projects. If capital improvement projects
25 funded with general fund appropriations are found to be in

.217731.1

1 excess of the total project cost, the department shall not
 2 allow that overage to be encumbered. The department shall
 3 transfer all amounts of general fund appropriations in this act
 4 that are in excess of total project costs to the general fund
 5 operating reserve by July 1, 2021.

6 SECTION 4. ADMINISTRATIVE OFFICE OF THE COURTS PROJECTS--
