

1 AN ACT

2 MAKING GENERAL APPROPRIATIONS AND AUTHORIZING EXPENDITURES BY STATE AGENCIES REQUIRED BY LAW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

4 Section 1. SHORT TITLE.--This act may be cited as the "General Appropriation Act of 2020".

5 Section 2. DEFINITIONS.--As used in the General Appropriation Act of 2020:

6 A. "agency" means an office, department, agency, institution, board, bureau, commission,  
7 court, district attorney, council or committee of state government;

8 B. "efficiency" means the measure of the degree to which services are efficient and  
9 productive and is often expressed in terms of dollars or time per unit of output;

10 C. "explanatory" means information that can help users to understand reported performance  
11 measures and to evaluate the significance of underlying factors that may have affected the reported  
12 information;

13 D. "federal funds" means any payments by the United States government to state government or  
14 agencies except those payments made in accordance with the federal Mineral Leasing Act;

15 E. "full-time equivalent" means one or more authorized positions that alone or together  
16 receives or receive compensation for not more than two thousand eighty-eight hours worked in fiscal year  
17 2021. The calculation of hours worked includes compensated absences but does not include overtime,  
18 compensatory time or sick leave paid pursuant to Section 10-7-10 NMSA 1978;

19 F. "general fund" means that fund created by Section 6-4-2 NMSA 1978 and includes federal  
20 Mineral Leasing Act receipts and those payments made in accordance with the federal block grant and the  
21 federal Workforce Investment Act but excludes the general fund operating reserve, the appropriation  
22 contingency fund, the tax stabilization reserve and any other fund, reserve or account from which general  
23 appropriations are restricted by law;

24 G. "interagency transfers" means revenue, other than internal service funds, legally  
25 transferred from one agency to another;

1 H. "internal service funds" means:

2 (1) revenue transferred to an agency for the financing of goods or services to another  
3 agency on a cost-reimbursement basis; and

4 (2) balances in agency internal service fund accounts appropriated by the General  
5 Appropriation Act of 2020;

6 I. "other state funds" means:

7 (1) nonreverting balances in agency accounts, other than in internal service funds  
8 accounts, appropriated by the General Appropriation Act of 2020;

9 (2) all revenue available to agencies from sources other than the general fund,  
10 internal service funds, interagency transfers and federal funds; and

11 (3) all revenue, the use of which is restricted by statute or agreement;

12 J. "outcome" means the measure of the actual impact or public benefit of a program;

13 K. "output" means the measure of the volume of work completed or the level of actual  
14 services or products delivered by a program;

15 L. "performance measure" means a quantitative or qualitative indicator used to assess a  
16 program;

17 M. "quality" means the measure of the quality of a good or service produced and is often an  
18 indicator of the timeliness, reliability or safety of services or products produced by a program;

19 N. "revenue" means all money received by an agency from sources external to that agency, net  
20 of refunds and other correcting transactions, other than from issue of debt, liquidation of investments  
21 or as agent or trustee for other governmental entities or private persons; and

22 O. "target" means the expected level of performance of a program's performance measures.

23 Section 3. **GENERAL PROVISIONS.--**

24 A. Amounts set out under column headings are expressed in thousands of dollars.

25 B. Amounts set out under column headings are appropriated from the source indicated by the

1 column heading. All amounts set out under the column heading “Internal Service Funds/Interagency  
2 Transfers” are intergovernmental transfers and do not represent a portion of total state government  
3 appropriations. All information designated as “Total” or “Subtotal” is provided for information and  
4 amounts are not appropriations.

5 C. Amounts set out in Section 4 of the General Appropriation Act of 2020, or so much as may  
6 be necessary, are appropriated from the indicated source for expenditure in fiscal year 2021 for the  
7 objects expressed.

8 D. Unexpended balances in agency accounts remaining at the end of fiscal year 2020 shall  
9 revert to the general fund by October 1, 2020 unless otherwise indicated in the General Appropriation Act  
10 of 2020 or otherwise provided by law.

11 E. Unexpended balances in agency accounts remaining at the end of fiscal year 2021 shall  
12 revert to the general fund by October 1, 2021 unless otherwise indicated in the General Appropriation Act  
13 of 2020 or otherwise provided by law.

14 F. The state budget division shall monitor revenue received by agencies from sources other  
15 than the general fund and shall reduce the operating budget of any agency whose revenue from such sources  
16 is not meeting projections. The state budget division shall notify the legislative finance committee of  
17 any operating budget reduced pursuant to this subsection.

18 G. Except as otherwise specifically stated in the General Appropriation Act of 2020,  
19 appropriations are made in this act for the expenditures of agencies and for other purposes as required  
20 by existing law for fiscal year 2021. If any other act of the second session of the fifty-fourth  
21 legislature changes existing law with regard to the name or responsibilities of an agency or the name or  
22 purpose of a fund or distribution, the appropriation made in the General Appropriation Act of 2020 shall  
23 be transferred from the agency, fund or distribution to which an appropriation has been made as required  
24 by existing law to the appropriate agency, fund or distribution provided by the new law.

25 H. The department of finance and administration will regularly consult with the legislative

1 finance committee staff to compare fiscal year 2021 revenue collections with the revenue estimate. If the  
2 analyses indicate that revenues and transfers to the general fund are not expected to meet  
3 appropriations, then the department shall present a plan to the legislative finance committee that  
4 outlines the methods by which the administration proposes to address the deficit.

5 I. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, agencies whose revenue from state  
6 board of finance loans, from revenue appropriated by other acts of the legislature, or from gifts,  
7 grants, donations, bequests, insurance settlements, refunds or payments into revolving funds exceeds  
8 specifically appropriated amounts may request budget increases from the state budget division. If  
9 approved by the state budget division, such money is appropriated.

10 J. Except for gasoline credit cards used solely for operation of official vehicles,  
11 telephone credit cards used solely for official business and procurement cards used as authorized by  
12 Section 6-5-9.1 NMSA 1978, none of the appropriations contained in the General Appropriation Act of 2020  
13 may be expended for payment of agency-issued credit card invoices.

14 K. For the purpose of administering the General Appropriation Act of 2020, the state of New  
15 Mexico shall follow the modified accrual basis of accounting for governmental funds in accordance with  
16 the manual of model accounting practices issued by the department of finance and administration.

**J. HIGHER EDUCATION**

8 On approval of the higher education department, the state budget division of the department of finance  
9 and administration may approve increases in budgets of agencies in this subsection, with the exception of  
10 the policy development and institutional financial oversight program of the higher education department,  
11 whose other state funds exceed amounts specified. In approving budget increases, the director of the  
12 state budget division shall advise the legislature through its officers and appropriate committees, in  
13 writing, of the justification for the approval.

14 The department of finance and administration shall, as directed by the secretary of higher  
15 education, withhold from an educational institution or program that the higher education department  
16 places under an enhanced fiscal oversight program a portion, up to ten percent, of the institution's or  
17 program's general fund allotments. On written notice by the secretary of higher education that the  
18 institution or program has made sufficient progress toward satisfying the requirements imposed by the  
19 higher education department under the enhanced fiscal oversight program, the department of finance and  
20 administration shall release the withheld allotments. Money withheld in accordance with this provision  
21 and not released at the end of fiscal year 2021 shall revert to the general fund. The secretary of the  
22 department of finance and administration shall advise the legislature through its officers and  
23 appropriate committees, in writing, of the status of all withheld allotments.

24 Except as otherwise provided, any unexpended balances remaining at the end of fiscal year 2021

2 For fiscal year 2021, if the general fund appropriation to the state equalization guarantee  
3 distribution for extended learning time programs is insufficient to meet the level of state support  
4 required for department-approved extended learning time programs and the secretary of public education  
5 certifies to the department of finance and administration, legislative finance committee and legislative  
6 education study committee that sufficient funds are available for department-approved K-5 plus programs,  
7 up to thirty-five million dollars (\$35,000,000) of the general fund appropriation to the state  
8 equalization guarantee distribution for K-5 plus programs may be used for extended learning time  
9 programs.

10 For fiscal year 2021, the secretary of public education may allow an elementary school ~~starting a~~  
11 ~~new K-5 plus program~~ with at least eighty percent of students that participate in the K-5 plus program  
12 staying with the same teacher and cohort of students during the regular school year to be eligible for K-  
13 5 plus program units in fiscal year 2021, provided the elementary school shall meet all requirements of  
14 Subsection B of Section 22-13D-2.B. NMSA 1978 by fiscal year 2022.

15 For fiscal year 2021, if the program cost made available is insufficient to meet the level of state  
16 support required by the special education maintenance of effort requirements of Part B of the federal  
17 Individuals with Disabilities Education Act, the public education department shall reduce the program  
18 cost in an amount that equals the projected shortfall and distribute that amount to school districts and  
19 charter schools in the same manner and on the same basis as the state equalization guarantee distribution  
20 to meet the level of support required by Part B of the federal Individuals with Disabilities Education  
21 Act for fiscal year 2021 ~~and shall reduce the final unit value to account for the reduction.~~

22 The general fund appropriation to the state equalization guarantee distribution includes six  
23 million dollars (\$6,000,000) for elementary physical education programs. After considering those  
24 elementary physical education programs eligible for state financial support and the amount of state  
25 funding available for elementary physical education, the secretary of public education shall annually

4 in excess of the total average number of elementary school students enrolled on the second and third  
5 reporting date of the 2019-2020 school year multiplied by the cost differential factor of six one-  
6 hundredths as established in Section 22-8-23.7 NMSA 1978.

7 The public education department shall monitor and evaluate the ways in which school districts and  
8 individual schools use funding distributed for at-risk program units, bilingual and multicultural  
9 education program units, extended learning time program units, K-5 plus program units, special education  
10 program units, instructional materials, new teacher mentorship and classroom instruction in fiscal year  
11 2021 and report its findings and recommendations to the governor, legislative education study committee  
12 and legislative finance committee on or before November 1, 2020.

13 The general fund appropriation to the state equalization guarantee distribution includes thirty  
14 million dollars (\$30,000,000) for school districts and charter schools to purchase culturally and  
15 linguistically appropriate instructional materials for eligible students. A school district or charter  
16 school that does not use the allocation for instructional materials shall provide the public education  
17 department a description of how the allocation was used and demonstrate that budgeted spending levels for  
18 instructional materials are sufficient to provide a free and appropriate public education to all  
19 students.

20 The public education department shall monitor and evaluate the extent to which schools purchase and  
21 use instructional materials relevant to the cultures, languages, history and experiences of culturally  
22 and linguistically diverse students and report its findings and recommendations to the governor,  
23 legislative education study committee and legislative finance committee on or before November 1, 2020.  
24 The general fund appropriation to the state equalization guarantee distribution includes eleven million
