BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 40-4-11.1 NMSA 1978 (being Laws 1988, Chapter 87, Section 2, as amended) is amended to read:

"40-4-11.1. CHILD SUPPORT--GUIDELINES.--

A. In any action to establish or modify child support, the child support guidelines as set forth in this section shall be applied to determine the child support due and shall be a rebuttable presumption for the amount of such child support. Every decree or judgment or stipulation of child support that deviates from the guideline amount shall contain a statement of the reasons for the deviation.

B. The purposes of the child support guidelines are to:

(1) establish as state policy an adequate standard of support for children, subject to the ability of parents to pay;

(2) make awards more equitable by ensuring more consistent treatment of persons in similar circumstances; and

(3) improve the efficiency of the court process by promoting settlements and giving courts and the parties guidance in establishing levels of awards.

C. For purposes of the guidelines specified in this section:

1 (1) "income" means actual gross income of a  
2 parent if employed to full capacity or potential income if  
3 unemployed or underemployed. [~~Income need not be imputed to~~  
4 ~~the primary custodial parent actively caring for a child of the~~  
5 ~~parties who is under the age of six or disabled. If income is~~  
6 ~~imputed, a reasonable child care expense may be imputed.~~] The  
7 gross income of a parent means only the income and earnings of  
8 that parent and not the income of subsequent spouses,  
9 notwithstanding the community nature of both incomes after  
10 remarriage; and

11 (2) "gross income" includes income from any  
12 source and includes but is not limited to income from salaries,  
13 wages, tips, commissions, bonuses, dividends, severance pay,  
14 pensions, interest, trust income, annuities, capital gains,  
15 social security benefits, workers' compensation benefits,  
16 unemployment insurance benefits, disability insurance benefits,  
17 significant in-kind benefits that reduce personal living  
18 expenses, prizes and alimony or maintenance received, provided:

19 (a) "gross income" shall not include  
20 benefits received from: 1) means-tested public assistance  
21 programs, including, but not limited to, temporary assistance  
22 for needy families, supplemental security income and general  
23 assistance; 2) the earnings or public assistance benefits of a  
24 child who is the subject of a child support award; or 3) child  
25 support received by a parent for the support of other children;

1 (b) for income from self-employment,  
2 rent, royalties, proprietorship of a business or joint  
3 ownership of a partnership or closely held corporation, "gross  
4 income" means gross receipts minus ordinary and necessary  
5 expenses required to produce such income, but ordinary and  
6 necessary expenses do not include expenses determined by the  
7 court to be inappropriate for purposes of calculating child  
8 support;

9 (c) "gross income" shall not include the  
10 amount of alimony payments actually paid in compliance with a  
11 court order;

12 (d) "gross income" shall not include the  
13 amount of child support actually paid by a parent in compliance  
14 with a court order for the support of prior children; and

15 (e) "gross income" shall not include a  
16 reasonable amount for a parent's obligation to support prior  
17 children who are in that parent's custody. A duty to support  
18 subsequent children is not ordinarily a basis for reducing  
19 support owed to children of the parties but may be a defense to  
20 a child support increase for the children of the parties. In  
21 raising such a defense, a party may use Table A as set forth in  
22 Subsection [K] M of this section to calculate the support for  
23 the subsequent children.

24 D. If a court finds that a parent has willfully  
25 failed to obtain or maintain appropriate employment, the court

1 may impute to that parent an income equal to that parent's  
2 earning and employment potential.

3 (1) The following criteria shall be used:

- 4 (a) availability of employment  
5 opportunities for the parent;  
6 (b) the parent's employment history;  
7 (c) the parent's income history;  
8 (d) the parent's job skills;  
9 (e) the parent's education;  
10 (f) the parent's age and health;  
11 (g) the parent's history of convictions  
12 and incarceration; and  
13 (h) the parent's ability to obtain or  
14 maintain employment due to providing care for a disabled child  
15 of the parties.

16 (2) Minimum wage may be imputed if a parent  
17 has no recent employment or earnings history and that parent  
18 has the capacity to earn minimum wage. The minimum wage to be  
19 imputed to that parent is the prevailing minimum wage in the  
20 locality where that parent resides.

21 E. Income may not be imputed to a parent if the  
22 parent is incarcerated for a period of one hundred eighty days  
23 or longer. Incarceration is not considered a voluntary  
24 unemployment.

25 ~~[D.]~~ F. As used in this section:

1 (1) "children of the parties" means the  
2 natural or adopted child or children of the parties to the  
3 action before the court but shall not include the natural or  
4 adopted child or children of only one of the parties;

5 (2) "basic visitation" means a custody  
6 arrangement whereby one parent has physical custody and the  
7 other parent has visitation with the children of the parties  
8 less than thirty-five percent of the time. Such arrangements  
9 can exist where the parties share responsibilities pursuant to  
10 Section 40-4-9.1 NMSA 1978; and

11 (3) "shared responsibility" means a custody  
12 arrangement whereby each parent provides a suitable home for  
13 the children of the parties, when the children of the parties  
14 spend at least thirty-five percent of the year in each home and  
15 the parents significantly share the duties, responsibilities  
16 and expenses of parenting.

17 [~~E.~~] G. The basic child support obligation shall be  
18 calculated based on the combined income of both parents and  
19 shall be paid by them proportionately pursuant to Subsection  
20 [~~K.~~] L. of this section.

21 [~~F.~~] H. Physical custody adjustments shall be made  
22 as follows:

23 (1) for basic visitation situations, the basic  
24 child support obligation shall be calculated using the basic  
25 child support schedule, Worksheet A and instructions contained

underscoring material = new  
~~[bracketed material] = delete~~

1 in Subsection [K] L of this section. The court may provide for  
2 a partial abatement of child support for visitations of one  
3 month or longer; and

4 (2) for shared responsibility arrangements,  
5 the basic child support obligation shall be calculated using  
6 the basic child support schedule, Worksheet B and instructions  
7 contained in Subsection [K] L of this section.

8 ~~[G.]~~ I. In shared responsibility situations, each  
9 parent retains the percentage of the basic support obligation  
10 equal to the number of twenty-four-hour days of responsibility  
11 spent by each child with each respective parent divided by  
12 three hundred sixty-five.

13 ~~[H.]~~ J. The cost of providing medical and dental  
14 insurance for the children of the parties and the net  
15 reasonable child-care costs incurred on behalf of these  
16 children due to employment or job search of either parent shall  
17 be paid by each parent in proportion to that parent's income,  
18 in addition to the basic obligation.

19 ~~[I.]~~ K. The child support may also include the  
20 payment of the following expenses not covered by the basic  
21 child support obligation:

22 (1) any extraordinary medical, dental and  
23 counseling expenses incurred on behalf of the children of the  
24 parties. Such extraordinary expenses are uninsured expenses in  
25 excess of one hundred dollars (\$100) per child per year;

.218671.3SA

1 (2) any extraordinary educational expenses for  
2 children of the parties; and

3 (3) transportation and communication expenses  
4 necessary for long distance visitation or time sharing.

5 ~~[J.]~~ L. Whenever application of the child support  
6 guidelines set forth in this section requires a person to pay  
7 to another person more than forty percent of the paying  
8 person's gross income for a single child support obligation for  
9 current support, there shall be a presumption of a substantial  
10 hardship, justifying a deviation from the guidelines.

8 Multiply the total child support amount on Line 8 by each  
9 parent's percentage share on Line 2, and enter each parent's  
10 dollar share under that parent's column on Line 9.

11 Line 10. Total Support:  
12 Enter the total amount shown for each parent on Line 8 beside  
13 the "minus" marks on Line 10.

14 Line 11. Each Parent's Net Obligation:

23 Part 1 - Basic Support:

24 Line 1. Gross Monthly Income:

25 Includes all income, except TANF, food stamps and supplemental

1 security income. See text for allowed deductions from income.  
2 Use current income if steady. If income varies a lot from  
3 month to month, use an average of the last twelve months, if  
4 available, or last year's income tax return. Add both parents'  
5 gross incomes and put total under the combined column.

6 Line 2. Percentage of Combined Income:

7 Divide each parent's income by combined income to get that  
8 parent's percentage of combined income.

9 Lines 3 and 4. Basic Support:

10 Fill in the number of children on the worksheet (Line 3).  
11 Round combined income to nearest fifty dollars (\$50.00). Look  
12 at the basic child support schedule. In the far left-hand  
13 column of that schedule, find the rounded combined income  
14 figure. Read across to the column with the correct number of  
15 children. Enter that amount on Line 4.

16 Line 5. Shared Responsibility Basic Obligation:

17 Multiply the basic obligation on Line 4 by 1.5.

18 Line 6. Each Parent's Share:

19 Multiply the support amount on Line 5 by each parent's  
20 percentage share on Line 2, and enter each parent's dollar  
21 share under that parent's column on Line 6.

22 Line 7. Each Parent's Time of Care for Children:

23 Enter the number of twenty-four-hour days of responsibility  
24 that each parent has each child in a year according to the  
25 parenting plan.

1           Line 8.   Percentage of Twenty-Four-Hour Days With Each  
2   Parent:

3   Divide each parent's number of twenty-four-hour days (Line 7)  
4   by three hundred sixty-five to obtain a percentage.

5           Line 9.   Amount Retained:

6   Under shared responsibility arrangements, each parent retains  
7   the percentage of the basic support obligation equal to the  
8   number of twenty-four-hour days of responsibility spent by each  
9   child with each respective parent divided by three hundred  
10  sixty-five.  Multiply each parent's share of basic support  
11  (Line 6) by the percentage in that parent's Line 8 and enter  
12  the result on that parent's Line 9.  This is the amount that  
13  each parent retains to pay the children's expenses during that  
14  parent's periods of responsibility.

15          Line 10.  Each Parent's Basic Obligation:

16  Subtract the amount retained by each parent for direct expenses  
17  (Line 9) from that parent's share (Line 6) and enter the  
18  difference on that parent's Line 10.

19          Line 11.  Amount Transferred for Basic Support:

20  In shared responsibility situations, both parents are entitled  
21  not only to retain money for direct expenses but also to  
22  receive contributions from the other parent toward those  
23  expenses.  Therefore, subtract the smaller amount on Line 10  
24  from the larger amount on Line 10 to arrive at a net amount  
25  transferred for basic support.

5 Line 12. Add costs paid by each parent and enter under the  
6 combined column on Line 12.

7 Line 13. Work-Related Child Care:

8 Enter the cost paid by each parent for work-related child care.  
9 If the cost varies (for example, between school year and  
10 summer), take the total yearly cost and divide by twelve.

11 Enter each parent's figure in that parent's column on Line 13.  
12 Add the cost for both parents and enter in the combined column

14 Line 14. Additional Expenses:

15 Enter the cost paid by each parent for additional expenses

20 14). Enter the total in that parent's column on Line 15 and  
21 the total of both parents' expenses under the combined column  
22 on Line 15.

23 Line 16. Each Parent's Obligation:

24 Multiply the total additional payments (combined column on Line  
25 15) by each parent's percentage share of income on Line 2, and

.218671.3SA

1 enter each parent's dollar share of the additional payments on  
2 that parent's Line 16.

3 Line 17. Amount Transferred:

4 Subtract each parent's obligation for additional expenses  
5 (that parent's Line 16) from the total additional payments made  
6 by that parent (that parent's Line 15). The parent with a  
7 "minus" figure pays the other parent the amount on Line 17.

8 Part 3 - Net Amount Transferred:

9 Line 18. Combine Lines 11 and 17:

10 Combine the amount owed by one parent to the other for basic  
11 support (Line 11) and the amount owed by one parent to the  
12 other for additional payments (Line 17). If the same parent  
13 owes for both obligations, add Lines 11 and 17, and enter the  
14 total on Line 18. If one parent owes for basic support and the  
15 other owes for additional payments, subtract the smaller amount  
16 from the larger and enter on Line 18. Fill in the blanks by  
17 stating which parent pays and which parent receives the net  
18 amount transferred."

8 SECTION 13. Section 40-4C-11 NMSA 1978 (being Laws  
9 1990, Chapter 78, Section 11, as amended) is amended to read:

10 "40-4C-11. RELEASE OF INFORMATION.--When an order for

12 showing of increased need and provides a basis for  
13 modification of the medical support obligor's child support  
14 order.

15 C. A medical support obligor is required to provide

3 International Recovery of Child Support and Other Forms of

7 imposable by law to provide support for a child, spouse or  
8 former spouse, including an unsatisfied obligation to provide  
9 support;

10 E. "foreign country" means a country, including a  
11 political subdivision thereof, other than the United States,  
12 that authorizes the issuance of support orders and:

13 (1) that has been declared under the law of  
14 the United States to be a foreign reciprocating country;

15 (2) that has established a reciprocal  
16 arrangement for child support with this state as provided in  
17 Section 40-6A-308 NMSA 1978;

18 (3) that has enacted a law or established  
19 procedures for the issuance and enforcement of support orders  
20 that are substantially similar to the procedures pursuant to

4 to determine parentage of a child. "Foreign tribunal"  
5 includes a competent authority pursuant to the convention;

6 H. "gross income" means income from any source and  
7 includes income from salaries, wages, tips, commissions,  
8 bonuses, dividends, severance pay, pensions, interest, trust  
9 income, annuities, capital gains, social security benefits,  
10 workers' compensation benefits, unemployment insurance  
11 benefits, disability insurance benefits, significant in-kind  
12 benefits that reduce personal living expenses, prizes and  
13 alimony or maintenance received; provided that:

14 (1) "gross income" does not include benefits  
15 received from:

16 (a) means-tested public assistance  
17 programs, including temporary assistance for needy families,  
18 supplemental security income and general assistance;

19 (b) the earnings or public assistance  
20 benefits of a child who is the subject of a child support  
21 award; or

12 (5) "gross income" does not include a  
13 reasonable amount for a parent's obligation to support prior  
14 children who are in that parent's custody. A duty to support  
15 subsequent children is not ordinarily a basis for reducing  
16 support owed to children of the parties but may be a defense  
17 to a child support increase for the children of the parties.  
18 In raising such a defense, a party may use Table A as set  
19 forth in Subsection M of Section 40-4-11.1 NMSA 1978 to

1 six months old, the state or foreign country in which the  
2 child lived from birth with a parent or a person acting as

7 ~~property subject to withholding for support under the law of~~

9 to full capacity or potential income if unemployed or  
10 underemployed. Income need not be imputed to the primary  
11 custodial parent actively caring for a child of the parties  
12 who is under the age of six or disabled. If income is  
13 imputed, a reasonable child care expense may be imputed. The  
14 gross income of a parent means only the income and earnings  
15 of that parent and not the income of subsequent spouses,  
16 notwithstanding the community nature of both incomes after  
17 remarriage;

18 ~~[J.]~~ K. "income-withholding order" means an order
