	9	AN ACT
	10	
	11	MAKING GENERAL APPROPRIATIONS AND AUTHORIZING EXPENDITURES BY STATE AGENCIES REQUIRED BY LAW.
	12	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:
	13	Section 1. SHORT TITLEThis act may be cited as the "General Appropriation Act of 2022".
	14	Section 2. DEFINITIONSAs used in the General Appropriation Act of 2022:
-	15	A. "agency" means an office, department, agency, institution, board, bureau, commission,
= deletion	16	court, district attorney, council or committee of state government;
lele	17	B. "efficiency" means the measure of the degree to which services are efficient and
=	18	productive and is often expressed in terms of dollars or time per unit of output;
ial	19	C. "explanatory" means information that can help users to understand reported performance
nter	20	measures and to evaluate the significance of underlying factors that may have affected the reported
m;	21	information;
sted	22	D. "federal funds" means any payments by the United States government to state government or
Icke	23	agencies except those payments made in accordance with the federal Mineral Leasing Act;
[bracketed material]	24	E. "full-time equivalent" means one or more authorized positions that alone or together
_	25	receives or receive compensation for not more than two thousand eighty-eight hours worked in fiscal year

1 2023. The calculation of hours worked includes compensated absences but does not include overtime, compensatory time or sick leave paid pursuant to Section 10-7-10 NMSA 1978; 2 F. "general fund" means that fund created by Section 6-4-2 NMSA 1978 and includes federal 3 Mineral Leasing Act receipts and those payments made in accordance with the federal block grant and the 4 5 federal Workforce Investment Act but excludes the general fund operating reserve, the appropriation contingency fund, the tax stabilization reserve and any other fund, reserve or account from which general 6 appropriations are restricted by law; 7 G. "interagency transfers" means revenue, other than internal service funds, legally 8 transferred from one agency to another; 9 H. "internal service funds" means: 10 (1) revenue transferred to an agency for the financing of goods or services to another 11 agency on a cost-reimbursement basis; and 12 13 (2) balances in agency internal service fund accounts appropriated by the General Appropriation Act of 2022; 14 I. "other state funds" means: 15 (1) nonreverting balances in agency accounts, other than in internal service funds 16 accounts, appropriated by the General Appropriation Act of 2022; 17 (2) all revenue available to agencies from sources other than the general fund, 18 internal service funds, interagency transfers and federal funds; and 19 20 (3) all revenue, the use of which is restricted by statute or agreement; J. "outcome" means the measure of the actual impact or public benefit of a program; 21 "output" means the measure of the volume of work completed or the level of actual 22 к. 23 services or products delivered by a program; 24 L. "performance measure" means a quantitative or qualitative indicator used to assess a 25 program;

- 2 -

1 2

- M. "quality" means the measure of the quality of a good or service produced and is often an indicator of the timeliness, reliability or safety of services or products produced by a program;
- 3

N. "revenue" means all money received by an agency from sources external to that agency, net of refunds and other correcting transactions, other than from issue of debt, liquidation of investments 4 5 or as agent or trustee for other governmental entities or private persons; and

6 0. "target" means the expected level of performance of a program's performance measures. 7 Section 3. GENERAL PROVISIONS. --

8

[bracketed material] = deletion

A. Amounts set out under column headings are expressed in thousands of dollars.

9 B. Amounts set out under column headings are appropriated from the source indicated by the 10 column heading. All amounts set out under the column heading "Internal Service Funds/Interagency 11 Transfers" are intergovernmental transfers and do not represent a portion of total state government 12 appropriations. All information designated as "Total" or "Subtotal" is provided for information and 13 amounts are not appropriations.

14 C. Amounts set out in Section 4 of the General Appropriation Act of 2022, or so much as may 15 be necessary, are appropriated from the indicated source for expenditure in fiscal year 2023 for the objects expressed. 16

17 D. Unexpended balances in agency accounts remaining at the end of fiscal year 2022 shall 18 revert to the general fund by October 1, 2022 unless otherwise indicated in the General Appropriation Act of 2022 or otherwise provided by law. 19

20 E. Unexpended balances in agency accounts remaining at the end of fiscal year 2023 shall 21 revert to the general fund by October 1, 2023 unless otherwise indicated in the General Appropriation Act of 2022 or otherwise provided by law. 22

23 F. The state budget division shall monitor revenue received by agencies from sources other 24 than the general fund and shall reduce the operating budget of any agency whose revenue from such sources 25 is not meeting projections. The state budget division shall notify the legislative finance committee of

- 3 -

1 any operating budget reduced pursuant to this subsection.

21

22

G. Except as otherwise specifically stated in the General Appropriation Act of 2022,
appropriations are made in this act for the expenditures of agencies and for other purposes as required
by existing law for fiscal year 2023. If any other act of the second session of the fifty-fifth
legislature changes existing law with regard to the name or responsibilities of an agency or the name or
purpose of a fund or distribution, the appropriation made in the General Appropriation Act of 2022 shall
be transferred from the agency, fund or distribution to which an appropriation has been made as required
by existing law to the appropriate agency, fund or distribution provided by the new law.

9 H. The department of finance and administration will regularly consult with the legislative
10 finance committee staff to compare fiscal year 2023 revenue collections with the revenue estimate. If the
11 analyses indicate that revenues and transfers to the general fund are not expected to meet
12 appropriations, then the department shall present a plan to the legislative finance committee that
13 outlines the methods by which the administration proposes to address the deficit.

I. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, agencies whose revenue from state board of finance loans, from revenue appropriated by other acts of the legislature, or from gifts, grants, donations, bequests, insurance settlements, refunds or payments into revolving funds exceeds specifically appropriated amounts may request budget increases from the state budget division. If approved by the state budget division, such money is appropriated.

J. Except for gasoline credit cards used solely for operation of official vehicles, telephone credit cards used solely for official business and procurement cards used as authorized by Section 6-5-9.1 NMSA 1978, none of the appropriations contained in the General Appropriation Act of 2022 may be expended for payment of agency-issued credit card invoices.

K. For the purpose of administering the General Appropriation Act of 2022, the state of New
 Mexico shall follow the modified accrual basis of accounting for governmental funds in accordance with
 the manual of model accounting practices issued by the department of finance and administration.

A school district or charter school shall not pay an increase of more than six percent for group
 health insurance premium increases that take effect in fiscal year 2023.

The general fund appropriation to the state equalization guarantee distribution includes twenty million seventy-eight thousand five hundred dollars (\$20,078,500) to provide incumbents in positions covered by a pension plan created under the Educational Retirement Act a one percent employer-paid pension contribution increase contingent on enactment of legislation in the second session of the fiftyfifth legislature increasing employer-paid pension contributions.

8 The state equalization quarantee distribution includes nineteen million three hundred forty-seven 9 thousand five hundred dollars (\$19,347,500) from the general fund for at-risk student services pursuant 10 to Subsection D of Section 22-8-23.3 NMSA 1978. The secretary of public education may change the at-risk 11 multiplier for a school district or charter school to thirty-two hundredths, approve additional program 12 units for the school district or charter school and provide a distribution from this appropriation if the 13 school district or charter school provides a supplemental at-risk service or intervention only to at-risk 14 students that shows evidence of improving academic proficiency, graduation or attendance rates. Any 15 amount of the nineteen million three hundred forty-seven thousand five hundred dollar (\$19,347,500) 16 general fund appropriation that is not distributed through an increased at-risk multiplier of thirty-two 17 hundredths, calculated by multiplying the final program unit value set for the 2022-2023 school year by 18 the number of additional at-risk program units generated beyond the amount required pursuant to Section 19 22-8-23.3 NMSA 1978 and subtracting that product from nineteen million three hundred forty-seven thousand 20 five hundred dollars (\$19,347,500), shall revert to the public education reform fund.

It is the intent of the legislature that all eligible students will be in a K-5 plus school and extended learning time program by fiscal year 2025. On or before November 30, 2022, the public education department shall report to the legislature a two-year plan, covering a period beginning in fiscal year 2024, to address the instructional time lost during school closures in fiscal years 2020 and 2021, ensure all eligible students are participating in a K-5 plus school and extended learning time program and

2 The state equalization guarantee distribution includes one hundred sixty-one million seven hundred 3 seventy-two thousand three hundred dollars (\$161,772,300) from the general fund for in-person extended 4 learning time programs pursuant to Section 22-8-23.10 NMSA 1978. Any amount of the one hundred sixty-one 5 million seven hundred seventy-two thousand three hundred dollar (\$161,772,300) general fund appropriation 6 that is not distributed through the extended learning time program factor, calculated by multiplying the 7 final program unit value set for the 2022-2023 school year by the total extended learning time program 8 units and subtracting that product from one hundred sixty-one million seven hundred seventy-two thousand 9 three hundred dollars (\$161,772,300), shall revert to the public education reform fund.

10 The general fund appropriation to the state equalization guarantee distribution includes twenty-six 11 million ninety-five thousand seven hundred dollars (\$26,095,700) for extended learning time programs in 12 school districts operating a four-day school week that provide a minimum of one hundred fifty-eight 13 instructional days per year and extended learning time programs in school districts operating a five-day 14 school week that provide a minimum of one hundred ninety instructional days per year pursuant to Section 15 22-8-23.10 NMSA 1978. Using the average of the number of students enrolled on the second and third 16 reporting date of the 2021-2022 school year, the secretary of public education may change the extended 17 learning time program factor up to twenty-two hundredths for a school district with less than two hundred 18 students, up to fifteen hundredths for a school district with less than one thousand students, up to 19 thirteen hundredths for a school district with less than five thousand students and up to twelve 20 hundredths for any school district that provides the minimum instructional days in this subsection, 21 approve the school district for additional program units and provide a distribution from this 22 appropriation. Any amount of the twenty-six million ninety-five thousand seven hundred dollar 23 (\$26,095,700) general fund appropriation that is not distributed through an increased extended learning 24 time program unit multiplier, calculated by multiplying the final program unit value set for the 2022-25 2023 school year by the number of additional extended learning time program units generated beyond the

amount required pursuant to Section 22-8-23.10 NMSA 1978 and subtracting that product from twenty-six million ninety-five thousand seven hundred dollars (\$26,095,700), shall revert to the public education reform fund.

4 For fiscal year 2023, the public education department shall ensure the operating budget of any 5 school district or charter school that does not meet academic performance targets pursuant to Subsection 6 E of Section 22-8-6 NMSA 1978 includes an extended learning time program pursuant to Section 22-8-23.10 7 NMSA 1978 for all students in kindergarten through twelfth grade. If the secretary of public education 8 finds a school district or charter school does not meet academic performance targets and has not provided 9 an extended learning time program, the secretary of public education shall direct the school district or 10 charter school to revise its submitted operating budget or shall make such revisions as required to meet 11 the requirements of this paragraph.

For fiscal year 2023, with department approval, a school district that meets academic performance targets pursuant to Subsection E of Section 22-8-6 NMSA 1978 or a school district with less than two hundred students may structure the school year to provide the additional instructional days required for an extended learning time program pursuant to Section 22-8-23.10 NMSA 1978 by extending the total number of instructional hours by no fewer than sixty additional instructional hours.

Provided students participate in the academic assessment program pursuant to Section 22-2C-4 NMSA 1978 and with department approval, up to thirty hours of instruction provided to students by a tribal government office that oversees education programs within a federally recognized Indian nation, tribe or pueblo located wholly or partially in New Mexico and has entered into a formal agreement with the school shall be deemed to be time in a school-directed program and is part of the instructional day for those students.

For fiscal year 2023, with department approval, a school that did not provide an extended learning time program during the 2021-2022 school year may be eligible for additional program units pursuant to Subsection G of Section 22-8-23.10 NMSA 1978 by structuring the school year to provide a minimum of

eighty noninstructional hours for professional development for instructional staff, after-school program opportunities for students that do not supplant federally funded programs and thirty additional instructional hours and four additional instructional days for a school district operating a four-day school week or thirty additional instructional hours and five additional instructional days for a school district operating a five-day school week. A school district or charter school may convert in-service days to instructional days to meet the instructional time requirements.

7 The state equalization guarantee distribution includes one hundred nineteen million eight hundred ninety-five thousand nine hundred dollars (\$119,895,900) from the general fund for in-person K-5 plus 8 9 programs pursuant to the K-5 Plus Act. Any amount of the one hundred nineteen million eight hundred 10 ninety-five thousand nine hundred dollar (\$119,895,900) general fund appropriation that is not 11 distributed through the K-5 plus program factor, calculated by multiplying the final program unit value 12 set for the 2022-2023 school year by the total K-5 plus program units and subtracting that product from 13 one hundred nineteen million eight hundred ninety-five thousand nine hundred dollars (\$119,895,900), 14 shall revert to the public education reform fund.

For fiscal year 2023, with department approval, a school that was not a department-approved K-5 plus school during the 2021-2022 school year may be eligible for additional program units pursuant to Section 22-8-23.11 NMSA 1978 by structuring the school year to provide no fewer than sixty additional instructional hours and twelve additional instructional days for a school district operating a four-day school week or no fewer than sixty additional instructional hours and fifteen additional instructional days for a school district operating a five-day school week.

each school district's and charter school's share of the total statewide program cost to meet the level of support required by Part B of the federal Individuals with Disabilities Education Act for fiscal year 2023. The public education department shall reset the final unit value and recalculate each school district's and charter school's program cost for fiscal year 2023.

5 The general fund appropriation to the state equalization guarantee distribution includes forty-five 6 million dollars (\$45,000,000) for school districts and charter schools to purchase culturally and 7 linguistically appropriate instructional materials for eligible students, including dual-credit 8 instructional materials and educational technology.

9 The general fund appropriation to the state equalization guarantee distribution includes twenty-one 10 million dollars (\$21,000,000) for school districts and charter schools to meet requirements of Section 11 22-10A-9 NMSA 1978, create an educational plan pursuant to Section 22-8-6 NMSA 1978 and provide targeted 12 and ongoing professional development focused on case management, tutoring, data-guided instruction, 13 coaching or other evidence-based practices that improve student outcomes.

14 The general fund appropriation to the state equalization guarantee distribution includes eight 15 million dollars (\$8,000,000) for school districts and charter schools to provide evidence-based 16 structured literacy interventions and develop literacy collaborative models that lead to improved reading 17 and writing achievement of students in kindergarten through second grade.

18 The public education department shall not approve the operating budget of any school district or 19 charter school to operate a four-day school week during the 2022-2023 school year that did not provide a 20 four-day school week during the 2018-2019 school year.

The public education department shall monitor and review the operating budgets of school districts and charter schools to ensure the school district or charter school is prioritizing available funds to those functions most likely to improve student outcomes. If a school district or charter school submits a fiscal year 2023 operating budget that, in the opinion of the secretary of public education, fails to prioritize funds as described in this paragraph, the secretary of public education shall, prior to
