1 ~~anesthesia care of the patient~~ or in collaboration with other  
2 health care providers in accordance with the policies of a  
3 health care facility. As used in this subsection,  
4 "collaboration" means the process in which each health care  
5 provider contributes the health care provider's respective  
6 expertise. [~~Collaboration includes systematic formal planning~~  
7 ~~and evaluation between the health care professionals involved~~  
8 ~~in the collaborative practice arrangement.~~] As used in this  
9 subsection, "independent role" means performing any action,  
10 including determining, preparing, administering or monitoring  
11 anesthesia care or anesthesia-related services without the  
12 supervision of another health care provider.

13 D. A certified registered nurse anesthetist who has  
14 fulfilled the requirements for prescriptive authority in the  
15 area of anesthesia practice is authorized to prescribe and  
16 administer therapeutic measures, including dangerous drugs and  
17 controlled substances included in Schedules II through V of the  
18 Controlled Substances Act within the emergency procedures,  
19 perioperative care or perinatal care environments. Dangerous  
20 drugs and controlled substances, pursuant to the Controlled  
21 Substances Act, that have been prepared, packaged or fabricated  
22 by a registered pharmacist or doses of drugs that have been  
23 prepackaged by a pharmaceutical manufacturer in accordance with  
24 the Pharmacy Act and the New Mexico Drug, Device and Cosmetic  
25 Act may be prescribed and administered.

.225430.1

1           E. A certified registered nurse anesthetist who has  
2 fulfilled the requirements for prescriptive authority in the  
3 area of anesthesia practice may prescribe in accordance with  
4 rules of the board. The board shall adopt rules concerning a  
5 prescriptive authority formulary for certified registered nurse  
6 anesthetists that shall be based on the scope of practice of  
7 certified registered nurse anesthetists. The board, in  
8 collaboration with the New Mexico medical board, shall develop  
9 the formulary. Certified registered nurse anesthetists who  
10 prescribe shall do so in accordance with the prescriptive  
11 authority formulary.

12           F. The board shall issue an expedited license to an  
13 applicant without an examination if the person has been duly  
14 licensed as a certified registered nurse anesthetist in another  
15 licensing jurisdiction and is in good standing with the  
16 licensing board in that licensing jurisdiction. The board  
17 shall expedite the issuance of the license in accordance with  
18 Section 61-1-31.1 NMSA 1978 within thirty days. If the board  
19 issues an expedited license to a person whose prior licensing  
20 jurisdiction did not require examination, the board may require  
21 that person to pass an examination before applying for license  
22 renewal. An applicant licensed under the laws of a territory  
23 or foreign country shall demonstrate proficiency in English.

24           G. A health care facility may adopt policies  
25 relating to the providing of anesthesia care.
