4 SECTION 2. A new section of the Developmental  
5 Disabilities Act is enacted to read:

6 "[NEW MATERIAL] DATA COLLECTION AND REPORTING.--

7 A. By April 1, 2024 and annually thereafter, direct  
8 support provider agencies shall submit data, in a form approved  
9 by the department, from the previous calendar year regarding  
10 direct support professionals that includes:

11 (1) the number of full- or part-time employees  
12 at any time during the year, the percentage of the year that  
13 the employees were employed and the total length of time that  
14 the employees had been employed as of the end of the year;

15 (2) disaggregated demographic information,  
16 including age, gender, race and ethnicity, education level and  
17 work experience;

18 (3) employee wages paid; and

19 (4) employee benefits provided.

20 B. The department shall submit an annual report by  
21 September 1, 2024, and on September 1 of each subsequent year  
22 to the legislative health and human services committee, the  
23 legislative finance committee and the governor regarding the  
24 direct support professional workforce, including:

5 (4) the average length of employment and  
6 vacancy and turnover rates; and

7 (5) the availability and type of benefits  
8 provided by direct support provider agencies."

9 SECTION 3. Section 28-16A-16 NMSA 1978 (being Laws 1993,  
10 Chapter 50, Section 16) is amended to read:

11 "28-16A-16. DETERMINATION OF RATES FOR PAYMENT FOR  
12 SUPPORT AND SERVICES.--

13 A. The department shall develop, implement and  
14 maintain a provider reimbursement system based on the level of  
15 support and services required by a person with a developmental  
16 disability.

17 ~~[B. If the approved funding from the legislature~~  
18 ~~does not permit the implementation of a reimbursement system~~  
19 ~~using the considerations provided for in this section, the~~  
20 ~~department shall develop and implement a service reduction~~  
21 ~~plan.~~

22 ~~C. The department shall report to the legislature~~  
23 ~~and the governor the impact of any service reduction plans and~~  
24 ~~the steps that will be taken to reinstate those services.~~

25 ~~D. The department shall report annually to the~~

1 ~~legislature and the governor an estimate of the costs of~~  
2 ~~maintaining support and services for persons with developmental~~  
3 ~~disabilities being served, including the effects of changes in~~  
4 ~~the costs of providing support and services, an estimate of the~~  
5 ~~costs of providing support and services to persons that are~~  
6 ~~eligible for service but not receiving services and the request~~  
7 ~~of the department for funding of services.]~~

8 B. Beginning in 2024, contingent on available  
9 funding, the department shall conduct an independent biennial  
10 cost study for the purpose of recommending reimbursement rates  
11 for all service providers. The cost study shall include all  
12 reasonable costs of providing services. Recommended  
13 reimbursement rates, based on the cost study, shall include  
14 consideration of the following factors:

15 (1) the additional costs that would be  
16 incurred by the direct support provider agency if all direct  
17 support professionals were paid at least one hundred fifty  
18 percent of the state minimum wage;

19 (2) recent and projected changes in costs due  
20 to factors that include inflation, changes in the applicable  
21 minimum wage or newly effective requirements for employers  
22 during the period covered by the cost study; and

23 (3) direct support professional vacancies that  
24 affect direct support provider agency costs.

25 C. The department's budget request for each fiscal

1 year shall include sufficient funding to:

2 (1) continue to provide supports and services  
3 for persons with developmental disabilities currently being  
4 served, based on the service provider reimbursement rates  
5 recommended by the most recent cost study; and

6 (2) serve additional persons, who as  
7 determined by the department, are eligible for but are not  
8 currently receiving services.

9 D. If sufficient funds have been appropriated to  
10 implement the reimbursement rates recommended by the most  
11 recent cost study, the department shall implement those rates,  
12 subject to approval by the federal centers for medicare and  
13 medicaid services. If the level of funding for developmental  
14 disabilities services and support is determined to be  
15 insufficient to fully implement such rates, the department  
16 shall adjust reimbursement rates as favorably as possible based  
17 on the level of funding available, subject to approval by the  
18 federal centers for medicare and medicaid services.

19 E. Contractors shall be required to submit records  
20 of support and services delivered as determined by the  
21 department, subject to monitoring by the department.

22 ~~[F. Contingent upon appropriations, the department~~  
23 ~~shall conduct an independent biannual cost study for the~~  
24 ~~purpose of establishing payment rates. The results of this~~  
25 ~~study shall be submitted to the legislature.]"~~
