Voter information shall be handed or mailed immediately to the qualified elector and to no other person.

B. If the applicant's certificate of registration is rejected for any reason, the county clerk shall stamp or write the word "rejected" on the new certificate of registration and hand or mail it, if possible, to the applicant with an explanation of why the new certificate of registration...
registration was rejected and what remedial action, if any, the applicant must take to bring the registration up to date or into compliance with the Election Code.

C. The county clerk shall reject any certificate of registration that does not contain the qualified elector's name, address and date of birth, along with a signature or usual mark. If the qualified elector is a new voter, the county clerk shall reject any certificate of registration that does not contain the qualified elector's driver's license or state identification number issued by the motor vehicle division of the taxation and revenue department, social security number or last four digits of the qualified elector's social security number. The county clerk shall reject any certificate of registration in which the question regarding citizenship is not answered or is answered in the negative.

D. A full social security number is required to finish processing a new voter registration in this state. If the certificate of registration does not contain a social security number, the county clerk shall ascertain the qualified elector's social security number from the qualified elector's previous certificate of registration, from the motor vehicle division of the taxation and revenue department or from the secretary of state.

E. If the county clerk rejects a certificate of
registration because required information is not provided on the certificate or cannot ascertain the qualified elector's social security number, the county clerk shall indicate this on the qualified elector's certificate of registration and shall make the appropriate notation in the voter file, indicating that the voter is required to provide the full social security number prior to receiving a ballot and, until it is provided, may only vote on a provisional ballot. The provisional ballot shall be counted if the required information is provided or the voter's full social security number is ascertained during the period for counting provisional ballots, including any appeals provided for in the Election Code.

F. If the qualified elector does not register in person, has not previously voted in an election in New Mexico and does not provide the registration officer with the required documentary identification, the registration officer shall indicate this on the qualified elector's certificate of registration and the county clerk shall note this on the appropriate precinct signature roster."

B. Members of the board of registration shall not during their service be county employees, elected officials or candidates for public office, and not more than two members of the board of registration shall be members of the same political party at the time of their appointment; provided that:

(1) a member of the board of registration shall not have changed party registration in the two years next preceding the member's appointment in such a manner that the member's prior party registration would make the member ineligible to serve on the board of registration; and

(2) a member of the board of registration shall not continue to serve on the board of registration if the member changes party registration after the date of appointment in such a manner to make the member ineligible to serve on the board of registration.

C. In the event that a position on the board of registration becomes vacant for any of the reasons described in Section 10-3-1 NMSA 1978, the board of county
commissioners shall appoint a replacement who shall qualify pursuant to Subsection B of this section and serve until the expiration of the original term."

SECTION 21. Section 1-4-47 NMSA 1978 (being Laws 1991, Chapter 80, Section 4, as amended) is amended to read:

B. The secretary of taxation and revenue shall select certain employees of the motor vehicle division of the taxation and revenue department or employees of entities on contract to provide field services to the motor vehicle division to provide assistance to any applicant requesting voter registration assistance.

C. Every motor vehicle division office, field office or contract field office of the division shall display within the offices clearly visible signs stating "voter registration assistance available" and:

registration may be made simultaneously with the motor
vehicle application;

(2) voter registration shall be conducted in
a manner such that the applicant completes the full
certificate of registration electronically;

(3) the applicant's digital signature shall
be affixed to the certificate of registration using an

Transactions Act, and the form and signature shall be
transmitted to the secretary of state; and

(4) every certificate of registration
completed electronically shall include the applicant's full
social security number and shall be transmitted by means of a
secured electronic transmission to the secretary of state for
delivery to the appropriate county clerk.

D. A motor vehicle division employee or contractor
shall not intentionally influence the prospective registrant
in the selection of political party, or independent status,
by word or act. A motor vehicle division employee or
contractor shall not reveal the existence of or the nature of
the voter registration to anyone other than a registration
officer.

E. Any certificate of voter registration completed
on a paper form and made or accepted at a motor vehicle
division office, field office or contract field office shall be transmitted to the secretary of state or the county clerk of the county in which the office is located within seven days.

F. The secretary of state shall work with the motor vehicle division to:

(1) ensure compliance in the application of the provisions of this section with the federal National Voter Registration Act of 1993;

(2) ensure consistent implementation in the various counties, based on county classification and developing technology; and

(3) develop procedures to ensure that, once voter registration information is transmitted to the appropriate registration officer, the voter's certificate of registration is printed and placed in the county's register of voters."

SECTION 22. Section 1-5-6 NMSA 1978 (being Laws 1969, Chapter 240, Section 108, as amended) is amended to read:

"1-5-6. PRECINCT VOTER LISTS--SIGNATURE ROSTER PREPARATION--ELECTRONIC POLL BOOK ALTERNATIVE.--

A. The county clerk shall provide for preparation of precinct voter lists and signature rosters generated from the official state voter file for any precincts or an electronic poll book alternative approved by the voting
system certification committee and certified by the secretary of state.

B. The precinct voter lists and signature rosters or an electronic poll book alternative shall be used at any election for which registration of voters is required in lieu of bound original certificates of registration and poll books."

SECTION 23. Section 1-6-4 NMSA 1978 (being Laws 1969, Chapter 240, Section 130, as amended) is amended to read:

"1-6-4. MAILED BALLOT APPLICATION.--

A. In a statewide election, application by a voter for a mailed ballot shall be made only on the official form approved by the secretary of state or its online equivalent accessed through a website authorized by the secretary of state. The form shall identify the applicant and contain information to establish the applicant's qualification for issuance of a mailed ballot under the Absent Voter Act.

B. Each application on a paper form for a mailed ballot shall be signed by the applicant and shall require the applicant's printed name, registration address and year of birth. When submitted by the voter, the county clerk shall accept an application for a mailed ballot pursuant to this subsection regardless of whether the application for a mailed ballot is delivered to the county clerk on paper or by electronic means. When submitted by a third party, the
county clerk shall not accept an application for a mailed ballot pursuant to this subsection if the application for a mailed ballot is delivered by electronic means.

C. The secretary of state shall allow a voter to submit an online application for a mailed ballot through a website authorized by the secretary of state; provided that the voter shall have a current or expired New Mexico driver's license or state identification card issued by the motor vehicle division of the taxation and revenue department. An online request for a mailed ballot shall contain all of the information that is required for a paper form. The voter shall also provide the person's full New Mexico driver's license number or state identification card number.

D. When a voter requests a mailed ballot pursuant to this section, the voter shall mark the box associated with the following statement, which shall be included as part of the online mailed ballot request form:

"By clicking the boxes below, I swear or affirm all of the following:

[ ] I am the person whose name and identifying information is provided on this form and I desire to request a mailed ballot to vote in the state of New Mexico; and

[ ] All of the information that I have provided on this form is true and correct as of the date I am submitting this form.".
E. Online applications for mailed ballots shall retain the dates of submission by the qualified elector and of acceptance by the county clerk. For purposes of deadlines contained in the Election Code, the time and date of the submission by the voter shall be considered the time and date when the application for a mailed ballot is received by the county clerk.

F. New registrants who registered for the first time in this state by mail and at that time did not provide acceptable documentary identification as required by federal law shall be informed of the need to comply with federal identification requirements when returning the requested ballot and notified that if the registrant votes for the first time in New Mexico by mail and does not follow the instructions for returning the required documentary identification, the registrant waives the right to secrecy in that mailed ballot. The secretary of state shall issue rules to exempt voters from submitting identification only as required by federal law and shall review and, if necessary, update these rules no later than March 15 of even-numbered years.

G. A person who willfully and with knowledge and intent to deceive or mislead any voter, election board, canvassing board, county clerk or other election official and who falsifies any information on an absentee ballot request
form or who affixes a signature or mark other than the
person's own on a mailed ballot request form is guilty of a
fourth degree felony."

SECTION 24. Section 1-6-5 NMSA 1978 (being Laws 1969,
Chapter 240, Section 131, as amended) is amended to read:

"1-6-5. PROCESSING APPLICATION--ISSUANCE OF BALLOT.--

A. The county clerk shall mark each completed
application for a mailed ballot with the date and time of
receipt in the clerk's office and enter the required
information in the ballot register. The county clerk shall
then determine if the applicant is a voter and if the voter
is a uniformed-service voter or an overseas voter. If the
applicant is a uniformed-service voter or overseas voter, the
application shall be processed pursuant to the Uniform
Military and Overseas Voters Act. An application for a
mailed ballot from a voter who is not a federal qualified
elector is timely if received by the county clerk no later
than fourteen days prior to election day.

B. If the applicant does not have a valid
certificate of registration on file in the county, a mailed
ballot shall not be issued and the county clerk shall mark
the application "rejected" and file the application in a
separate file from those accepted.

C. When required by federal law, if the applicant
has on file with the county a valid certificate of
registration that indicates that the applicant is a voter who is a new registrant in the state and who registered by mail without submitting the required documentary identification, the county clerk shall notify the voter that the voter must submit with the mailed ballot a form of documentary identification from the list in Paragraph (3) of Subsection I of Section 1-4-5.1 NMSA 1978. The county clerk shall note on the ballot register and signature roster that the applicant's mailed ballot must be returned with the required voter identification.

D. If the applicant has on file with the county a valid certificate of registration, the county clerk shall mark the application "accepted" and deliver a mailed ballot to the voter and the required envelopes for use in returning the ballot.

E. Upon the mailing of a mailed ballot to an applicant who is a voter, an appropriate designation shall be made in the absentee ballot register.

F. A mailed ballot shall not be delivered by the county clerk to any person other than the applicant for the ballot. Mailed ballots shall be sent to applicants beginning twenty-eight days before the election. For each application for a mailed ballot received twenty-three or more days before the election, the county clerk shall send either the ballot or a notice of rejection to the applicant as soon as
practicable; provided that the ballot or a notice of
rejection is sent not later than twenty-two days before the
election. For each application for a mailed ballot received
within twenty-two days of election day, the county clerk
shall send either the mailed ballot or a notice of rejection
to the applicant within twenty-four hours after receipt of
the voter's application for a mailed ballot.

G. If the application for a mailed ballot from a
voter who is not a federal qualified elector indicates that
the mailed ballot is to be delivered to an address other than
an address listed on the voter's certificate of registration,
the county clerk shall prepare a notice of requested mailed
ballot. The notice of requested mailed ballot shall inform
the voter of the address to which the ballot was mailed along
with the phone number of the county clerk's office and the
internet address of the voter web portal provided by the
secretary of state. The notice of requested mailed ballot
shall be sent to the address provided on the voter's
certificate of registration on the same day the county clerk
sends the mailed ballot to the address requested by the
voter.

H. When an application for a mailed ballot is
rejected pursuant to this section, the county clerk shall
send a notice of rejection to the mailing address on the
voter's certificate of registration and the address listed on
the voter's application for mailed ballot, if different. The notice of rejection shall indicate the reason for the rejection and, if applicable, information on how to correct the deficiency that is the reason for the rejection. If an application is rejected because it was not timely received, the county clerk shall, within twenty-four hours of receipt of the application, send a rejection notice to the voter that shall include a list of the early voting locations and election day polling places in the county.

I. The county clerk shall only accept applications for a mailed ballot made through the official web portal operated by the secretary of state or submitted on the official form. If a voter submits more than one application for a mailed ballot containing the same information, subsequent applications containing the same information shall not be processed."

SECTION 25. Section 1-6-5.7 NMSA 1978 (being Laws 2005, Chapter 270, Section 40, as amended) is amended to read:

In marking the ballot, the voter may be assisted pursuant to the provisions of Section 1-12-15 NMSA 1978;

(2) the act of marking the ballot in the office of the county clerk shall be a convenience to the voter in the delivery of the ballot and does not make the office of the county clerk a polling place subject to the requirements of a polling place in the Election Code;

(3) in addition to the regular business hours and days of business of the county clerk's office and on the Saturday immediately prior to the date of the election, early voting may be conducted in each office of the

(2) not later than ninety days before each statewide election, the county clerk shall post the location and hours of operation for early voting locations in the county, which shall open no earlier than 7:00 a.m. and shall close no later than 9:00 p.m. Within ninety days of a statewide election, a county clerk shall not modify the location or hours of operation of early voting locations except with the written approval of the secretary of state and upon posting the approved changes. Early voting locations shall be open each day of early voting for at least eight consecutive hours. Alternate voting locations may be closed Sundays and Mondays during the early voting period.

C. Each early voting location shall comply with the following provisions, unless the county clerk receives a written waiver from the secretary of state specifying the location and specific provision being waived:

D. When voting at an early voting location, the voter shall provide the required voter identification to the election board, county clerk or the clerk's authorized representative. If the voter does not provide the required voter identification, the voter shall be allowed to vote on a provisional ballot. If the voter provides the required voter identification, the voter shall be allowed to vote after
subscribing an application to vote on a form approved by the
secretary of state or its electronic equivalent approved by
the voting system certification committee. The county clerk
or the clerk's authorized representative shall make an
appropriate designation on the signature roster or register
next to the voter's name indicating that the voter has voted
early."

If returned by a person other than the voter, the official mailing
envelope shall contain the signature, printed name and relationship to the voter of the person returning the ballot.

B. The official mailing envelope may be returned by mail using the United States postal service. C. The official mailing envelope may be returned using a commercial delivery service; provided that unless the secretary of state has approved the use of a specific commercial delivery service, the voter shall be responsible for the costs of delivery by means of such service.

D. The official mailing envelope may be returned in person to the office of the county clerk or, in a statewide election, to an alternate voting location, mobile alternate voting location, election day voting location or other location where the receipt and storage of the official mailing envelope containing a voted ballot is under the supervision of an election official or county clerk's agent.

E. The official mailing envelope may be returned by depositing the official mailing envelope in a monitored secured container made available by the county clerk to receive an official mailing envelope containing a voted ballot for that election; provided that:
(1) the location of the containers and the days and times the containers will be available to receive ballots are posted by the county clerk at least forty-two days before an election;

(2) the location of a monitored secured container is considered a polling place for purposes of electioneering too close to the polling place in violation of Section 1-20-16 NMSA 1978;

(3) all secured containers shall be monitored by video surveillance cameras and the video recorded by that system shall be retained by the county clerk as a record related to voting pursuant to the provisions of Section 1-12-69 NMSA 1978;

(4) signage at the location of a monitored secured container shall inform voters and those dropping off ballots at the location:

(a) that it is a violation of law for any person who is not an immediate family member, which includes a voter's spouse, child, parent, domestic partner, grandchild, grandparent, sibling or person with whom the voter has a continuing personal relationship, to collect and deliver a ballot for another person except as authorized by the Election Code;

It is a violation of Section 1-20-7 NMSA 1978 for any person other than the secretary of state or the county clerk to provide or operate a monitored secured container or other receptacle to receive voted ballots."

SECTION 30. Section 1-6-10 NMSA 1978 (being Laws 1969, Chapter 240, Section 136, as amended) is amended to read:

"1-6-10. RECEIPT OF MAILED BALLOTS BY CLERK. --

A. Completed official mailing envelopes that are received at the county clerk's office or a polling place or that are retrieved from the post office or a monitored secured container shall be accepted until 7:00 p.m. on election day. A completed official mailing envelope received
after that time shall not be qualified or opened but shall be
preserved by the county clerk for the applicable retention
period provided in Section 1-12-69 NMSA 1978. The county
clerk shall report the number of late ballots from voters,
uniformed-service voters and overseas voters and report the
number from each category to date on the final mailed ballot
report and as part of the county canvass report. If
additional late ballots are received, the county clerk shall
update the number of late ballots from each category to the
secretary of state.

B. On the day a returned mailed ballot is received
by the county clerk, the county clerk shall mark the date of
receipt on the outside of the official mailing envelope.
Within one business day of receiving a returned official
mailing envelope, the county clerk shall remove the privacy
flap to verify that the voter signed the official mailing
envelope and to confirm that the last four digits of the
social security number provided by the voter match the
information available to the county clerk; provided that no
county clerk or deputy county clerk shall perform the
verification process pursuant to this subsection unless the
county clerk or deputy county clerk would also meet the
requirements to be a challenger, watcher or election observer
pursuant to Paragraphs (1) through (4) of Subsection C of
Section 1-2-22 NMSA 1978.
C. If the voter's signature is present and the last four digits of the voter's social security number match, the county clerk shall note in the absentee ballot register that the information required to be provided by the voter under the privacy flap has been verified and shall safely keep the official mailing envelope unopened in a locked and number-sealed ballot box until it is delivered to the absent voter election board.

D. If either the voter's signature is missing or the last four digits of the voter's social security number are not provided or do not match, the county clerk shall make the appropriate notation in the absentee ballot register and shall safely keep the official mailing envelope unopened in a secured ballot box designated for those official mailing envelopes received that are missing the voter's signature or the last four digits of the voter's social security number or where the last four digits of the social security number do not match the information available to the county clerk. The county clerk shall immediately send the voter a notice to cure containing information regarding how the voter may provide documentation to cure the missing or incorrect information.

E. If, pursuant to Subsection F of Section 1-6-4 NMSA 1978, the voter was notified of the need to comply with federal identification requirements when returning the
requested ballot and failed to comply, the county clerk shall preserve the inner envelope with the official mailing envelope and write "Rejected" on the front of the official mailing envelope, and the county clerk shall update the ballot register accordingly and immediately send the voter a notice to cure containing information regarding how the voter may provide the missing or incorrect information. The county clerk shall place the official mailing envelope with the attached inner envelope in a container provided for rejected ballots; provided that if the county clerk was required to open the inner envelope to determine that the required documentary identification was not included, the untallied ballot shall be returned to the inner envelope and preserved along with the official mailing envelope in a container for this purpose.

F. The voter may provide the missing or corrected information at any time up to the conclusion of the appeal process for rejected ballots. If a voter provides the missing or corrected information:

(1) before the absent voter election board has been convened, the county clerk shall attach the documentation to the unopened official mailing envelope, update the ballot register accordingly and transfer the ballot to the locked and number-sealed ballot box until it is delivered to the absent voter election board;
(2) after the absent voter election board has been convened, the county clerk shall attach the documentation to the unopened official mailing envelope, update the ballot register accordingly and transfer the ballot to the absent voter election board;

(3) after the adjournment of the absent voter election board but before the conclusion of the county canvass process, the county clerk shall attach the documentation to the unopened official mailing envelope, update the ballot register accordingly and transfer the ballot to an election board convened to assist in preparation of the county canvass report; and

(4) after approval of the county canvass report, the voter may appeal in accordance with appeal procedures for provisional ballots established by rule of the secretary of state pursuant to Section 1-12-25.2 NMSA 1978.

G. In a statewide election, if the unopened official mailing envelope is received by the county clerk from an election board before the absent voter election board has adjourned, the unopened official mailing envelope shall be transmitted to the absent voter election board to be tallied immediately. If the unopened official mailing envelope is received by the county clerk from an election board after the absent voter election board has adjourned, the unopened official mailing envelope shall be transmitted
to an election board convened to assist in preparation of the

canvass report of that county for the appropriate precinct."

SECTION 31. Section 1-6-10.1 NMSA 1978 (being Laws
2003, Chapter 357, Section 5, as amended) is amended to read:

"1-6-10.1. ABSENTEE BALLOT--DELIVERY TO COUNTY CLERK.--

A. A voter, caregiver to that voter or member of
that voter's immediate family or household may deliver that
voter's absentee ballot to the county clerk in person or by
mail; provided that the voter has subscribed the official
mailing envelope of the absentee ballot.

B. As used in this section, "immediate family"
means the spouse, children, parents, domestic partner,
grandchildren, grandparents or siblings of a voter or a
person with whom the voter has a continuing personal
relationship."

SECTION 32. Section 1-6-14 NMSA 1978 (being Laws 1971,
Chapter 317, Section 11, as amended) is amended to read:

"1-6-14. HANDLING MAILED BALLOTS.--

A. An absent voter election board may convene as
provided in this section to process the official mailing
envelopes that have been returned. Before opening an
official mailing envelope, the presiding judge and the
election judges shall determine that the county clerk has
verified the required information on the reverse side of the
official mailing envelope.

B. No sooner than the Monday before the election and before the absent voter election board adjourns, the board shall review each uncured returned official mailing envelope that the county clerk determined was missing a signature or the last four digits of the voter's social security number or for which the social security number did not match the information available to the county clerk and determine if the official mailing envelope should be qualified or rejected. An official mailing envelope rejected by the absent voter election board may be qualified if the reason for the rejection is cured at any time before the approval of the county canvass report or prior to the conclusion of an appeal by the voter.

C. Subject to the limitations in Subsection A of Section 1-2-25 NMSA 1978, a lawfully appointed challenger may view the official mailing envelope and may challenge the ballot of any mailed ballot voter for the following reasons:

(1) the official mailing envelope has been opened by someone other than the voter prior to being received by the absent voter election board;

(2) the official mailing envelope does not contain a signature;

(3) the official mailing envelope does not contain the required voter identification; or
(4) the person offering to vote is not a voter as provided in the Election Code.

D. If a challenge is upheld by unanimous vote of the presiding judge and the election judges, the official mailing envelope shall not be opened but shall be placed in a container provided for challenged ballots. If the reason for the challenge is satisfied by the voter before the conclusion of the county canvass or as part of an appeal, the official mailing envelope shall be opened and the vote counted.

E. If the form on the reverse of the official mailing envelope has been completed by the voter with the voter's correct information, as verified by the county clerk, and the ballot has not been successfully challenged, the judges or election clerks shall make the appropriate notation in the ballot register.

F. For any election in which fewer than ten thousand mailed ballots were sent to the voters of a county, only between 8:00 a.m. and 10:00 p.m. on the five days preceding the election, and beginning at 7:00 a.m. on election day, under the personal supervision of the presiding election judge, shall the election judges open the official mailing envelope and the official inner envelope and insert the enclosed ballot into an electronic voting machine to be registered and retained until votes are counted by generating the report of the ballot results beginning no sooner than
9:00 a.m. on election day.

G. For any election in which ten thousand or more mailed ballots were sent to the voters of a county, only during the regular business hours of the office of the county clerk during the two weeks preceding the election, between 8:00 a.m. and 10:00 p.m. on the four days preceding the election and beginning at 7:00 a.m. on election day, under the personal supervision of the presiding election judge, shall the election judges open the official mailing envelope and the official inner envelope and insert the enclosed ballot into an electronic voting machine to be registered and retained until votes are counted by generating the report of the ballot results beginning no sooner than 9:00 a.m. on election day.

H. It is unlawful for a person to disclose the results of a count and tally or the registration on a voting machine of mailed ballots prior to the later of the closing of the polls or the deadline for receiving mailed ballots pursuant to Section 1-6-10 NMSA 1978.

I. Mailed ballots shall be counted and tallied, where possible, on an electronic voting machine as provided in the Election Code.

J. If a mailed ballot is rejected for any reason and not cured by the Friday following election day, it shall be handled by the county clerk in the same manner as a
disqualified provisional paper ballot in accordance with the Election Code.

K. On election night, the absent voter election board shall recess upon the earlier of completion of its work or 11:00 p.m. An absent voter election board that recesses at 11:00 p.m. shall continue its work only between the hours of 9:30 a.m. and 9:30 p.m. on each subsequent day until the board has completed its work. If the absent voter election board does not complete its work by 11:00 p.m. on election night, the county clerk shall notify the county sheriff's office that a deputy is required to be present to secure the room or facility where uncounted ballots are locked overnight. If the sheriff indicates that a sheriff's deputy is unavailable, the county clerk shall notify the secretary of state, who shall request state police to assign a state police officer or other certified law enforcement officer to secure the ballots. The county clerk shall provide as much notice as is practicable in order to secure law enforcement personnel to secure the uncounted ballots overnight. Beginning at 11:00 p.m. on election night, a sheriff's deputy, state police officer or other certified law enforcement officer is required for overnight watch any time the absent voter election board is not present until the return of the absent voter election board. If a sheriff's deputy, a state police officer or other certified law
enforcement officer is not available, the county clerk or county clerk's agent shall remain on-site with or near the uncounted ballots until the return of the absent voter election board and shall allow any watcher or observer to remain present as well. A class A county shall also have video surveillance in the area containing uncounted ballots, which shall be considered a record related to voting pursuant to Section 1-12-69 NMSA 1978."

SECTION 33. Section 1-6-16 NMSA 1978 (being Laws 2019, Chapter 212, Section 74) is amended to read:

"1-6-16. MAILED BALLOTS--REPLACEMENT AND PROVISIONAL PAPER BALLOTS.--

A. A voter who has applied for a mailed ballot or who has been sent a mailed ballot may execute an affidavit stating that the person did not and will not vote the mailed ballot that was issued. Upon receipt of the sworn affidavit, if the ballot register does not show that a ballot from the voter has been cast in that election, the county clerk shall void the mailed ballot that was previously issued to the voter.

B. A voter shall be mailed a replacement ballot to be returned to the county clerk for tabulation by the absent ballot election board if the voter:

(1) communicates with the office of the county clerk and requests a replacement mailed ballot be
delivered to the voter; and

(2) has executed the affidavit required by Subsection A of this section and the county clerk has voided the mailed ballot previously issued to the voter.

C. A replacement ballot shall not be mailed to a voter less than seven days before election day, unless the voter is enrolled in the confidential substitute address program pursuant to the Confidential Substitute Address Act.

D. A voter shall be issued a replacement ballot to be filled out and fed by the voter into the electronic vote tabulator if the voter:

(1) appears at the office of the county clerk, an alternate voting location or a mobile alternate voting location:

(a) at any time during the period for early voting if the county clerk has real-time synchronization between the early voting locations and the qualification of mailed ballots; or

(b) during the period for early voting until the time the county clerk begins qualifying mailed ballots if the county clerk does not have real-time synchronization between the early voting locations and the qualification of mailed ballots; and

(2) has executed the affidavit required by Subsection A of this section and the county clerk has voided
the mailed ballot previously issued to the voter.

E. If the county clerk does not have real-time synchronization between the early voting locations and the qualification of mailed ballots, a voter shall be issued a provisional paper ballot to be filled out and delivered to the county clerk for tabulation during the county canvass if:

(1) the voter appears at an early voting location after the time the county clerk begins qualifying mailed ballots; and

(2) the voter has executed the affidavit required by Subsection A of this section and the county clerk has voided the mailed ballot previously issued to the voter.

F. A provisional paper ballot issued pursuant to this section shall be qualified and tabulated once the county clerk determines that the voter did not vote any other ballot in the same election and if no challenge is successfully interposed.

G. The secretary of state shall prescribe the form of the affidavit and the manner in which the county clerk shall void the previously requested absentee ballot."

SECTION 34. Section 1-6-16.1 NMSA 1978 (being Laws 1989, Chapter 368, Section 1, as amended) is amended to read:

"1-6-16.1. ABSENTEE BALLOT--CONDUCT OF ELECTION--WHEN NOT TIMELY RECEIVED--EMERGENCY PROCEDURE FOR VOTING AND COUNTING.--"
A. A voter who applies for a mailed ballot or who was sent a mailed ballot pursuant to Section 1-6-22.1 NMSA 1978 but whose voted ballot has not been received by the county clerk as of the date of the election may go to a voter convenience center and, after executing an affidavit stating that the person wishes to void any previous mailed ballot that was issued, shall be permitted to vote.

B. If the county clerk has real-time synchronization between the voter convenience centers and the qualification of ballots received by mail, the voter shall be issued a replacement ballot to be filled out and fed by the voter into the electronic vote tabulator. If the county clerk does not have real-time synchronization between the voter convenience centers and the qualification of ballots received by mail, the voter shall be issued a provisional paper ballot, which shall be counted if no challenge is interposed and once the county clerk has verified that no other ballot from the same voter has been processed in that election."

SECTION 35. Section 1-6-22.1 NMSA 1978 (being Laws 2009, Chapter 251, Section 1 and Laws 2009, Chapter 274, Section 1, as amended) is amended to read:

"1-6-22.1. MAIL BALLOT ELECTION PRECINCT--ABSENTEE VOTING IN LIEU OF POLLING PLACE.--

A. Notwithstanding the provisions of Sections
1-1-11 and 1-1-12 NMSA 1978, not later than the first Monday in November of each odd-numbered year, a board of county commissioners may designate a precinct as a mail ballot election precinct if, upon a written request of the county clerk, it finds that the precinct has fewer than one hundred voters and the nearest polling place for an adjoining precinct is more than twenty miles driving distance from the boundary for the precinct in question.

B. If a precinct is designated a mail ballot election precinct, in addition to the notice required pursuant to Section 1-3-8 NMSA 1978, the county clerk shall notify by mail with delivery confirmation all voters in that precinct at least forty-two days before an election that each voter will be sent an absentee ballot twenty-eight days before the election and that there will be no polling place for the precinct on election day. The county clerk shall include in the notice a card informing the voter that if the voter does not want to receive an absentee ballot for that election, the voter should return the card before the date the county clerk is scheduled to mail out absentee ballots. The notice shall also inform the voter that a voting system equipped for persons with disabilities will be available at all early voting locations before election day and in the office of the county clerk on election day in case the voter prefers to vote in person and not by mail. In addition, the
notice shall inform the voter of the ability of the voter to
cast a ballot at any voter convenience center on election day
if the voter chooses not to receive an absentee ballot, or to
cast a replacement ballot at any early voting location or
voter convenience center if the voter does not receive an
absentee ballot, which will be counted upon confirmation that
the voter has not returned the absentee ballot. The notice
shall also contain the information required in the voter
notification sent by the secretary of state on behalf of each
county clerk in advance of a statewide election pursuant to
Section 1-11-4.1 NMSA 1978.

C. The county clerk shall mail each voter in the
mail ballot election precinct an absentee ballot on the
twenty-eighth day before an election, unless the voter has
requested otherwise, along with a notice that there will be
no polling place in that precinct on election day.”

SECTION 36. Section 1-6B-5 NMSA 1978 (being Laws 2015,
Chapter 145, Section 29, as amended) is amended to read:

"1-6B-5. METHODS OF REGISTERING TO VOTE.--

SECTION 39. Section 1-6C-2 NMSA 1978 (being Laws 2019,

Chapter 226, Section 6) is amended to read:

"1-6C-6. TRANSMISSION OF BALLOTS TO VOTER-
PARTICIPANTS.--

A. On the thirty-fifth day before an election, on
behalf of each voter-participant eligible to vote in that
election, the administrator shall request from each
appropriate county clerk the ballot to be used by each
voter-participant registered to vote in that county.
B. The request shall not reveal the name or address of the voter-participant. In place of a voter-participant's name and address, the administrator shall provide the appropriate county clerk the random identifier and verification code associated with the voter-participant for that election. The request made pursuant to this section is a record related to voting subject to the disclosure and retention procedures of Section 1-12-69 NMSA 1978.

C. No later than thirty-two days before the election, the appropriate county clerk shall transmit to the administrator the ballot for each voter-participant registered to vote in that county.

D. Twenty-eight days before the election, the administrator shall mail a ballot and balloting materials to a voter-participant's delivery address, along with a return envelope necessary to return the voted ballot to the appropriate county clerk. The return envelope shall be the same as for all other voters, except that in place of the required voter identification to be written under the privacy flap, the administrator shall provide the random identifier assigned to that voter-participant for that election. The return envelope for the voted ballot shall be postage-paid and the return address shall be the address for the appropriate county clerk.

E. When a participant registers to vote or updates
a voter registration after the thirty-fifth day before an
election but before the deadline to register to vote or to
update an existing registration pursuant to Section 1-4-8
NMSA 1978, the administrator shall:

(1) request from the appropriate county
clerk, and the appropriate county clerk shall transmit to the
administrator as soon as practicable, a ballot and balloting
materials; and

(2) send a voter-participant the ballot and
balloting materials within twenty-four hours of receipt from
the appropriate county clerk.

F. When an unvoted ballot is transmitted to the
administrator on behalf of a voter-participant, the
appropriate county clerk shall note in the ballot register
the random identifier in place of the voter-participant's
name and the address of the confidential substitute address
program in place of the voter-participant's address and shall
not note the voter-participant's gender or year of birth.

G. A voter-participant needing a replacement
ballot may appear in person only at the office of the county
clerk and execute an affidavit stating that the voter
participant wishes to void any previous mailed ballot that
was mailed in that election. When completing the affidavit,
the voter-participant shall use the random identifier in
place of the voter-participant's name and the verification
code in place of the voter-participant's signature. Upon receipt of the sworn affidavit, if the ballot register does not show that a ballot from the voter-participant has been received in that election, the county clerk shall void the ballot that was previously issued and issue to the voter-participant a replacement ballot and ballot materials, which shall include the voter-participant's random identifier, but the county clerk shall not provide to the voter-participant the verification code when issuing a replacement ballot pursuant to this subsection."

SECTION 41. Section 1-6C-7 NMSA 1978 (being Laws 2019, Chapter 226, Section 7) is amended to read:

"1-6C-7. RECEIPT OF VOTED BALLOTS FROM VOTER-PARTICIPANTS.--

A voted ballot from a voter-participant shall be considered timely if it is received no later than the deadline for receiving mailed absentee ballots or mailed ballots pursuant to Section 1-6-10 NMSA 1978.

B. When a voted ballot is received from a voter-participant, the appropriate county clerk or election board shall compare the random identifier provided by the voter-participant under the privacy flap to the list of random identifiers provided by the administrator for that
election. If the random identifier appears in both places, the appropriate county clerk shall verify that the verification code assigned to that random identifier for that election matches the verification code provided by the voter-participant under the privacy flap in lieu of the voter's signature. If the verification code is on the list provided by the administrator for use in that election and matches the random identifier assigned by the administrator to identify the voter-participant, the ballot shall be qualified and processed in the same manner as mailed absentee ballots or mailed ballots received and qualified in that election.

C. If either the random identifier or the verification code is missing, or if the random identifier and verification code under the privacy flap do not match, the ballot shall not be qualified and shall be disposed of in the same manner as mailed absentee ballots or mailed ballots received in that election and not qualified.

D. Following an election and within the time frames provided in the Election Code, the appropriate county clerk shall provide to the administrator using the random identifier for that election the voter credit information for each voter-participant who voted."

(2) the chair and secretary of the county political convention shall certify to the county clerk the names of their party's nominees for elected county offices and for legislative offices elected from a district located wholly within one county or that is composed of only one county.

B. (1) in the state for statewide offices;
provided that if there are fewer members of the minor party
registered to vote in the state for statewide offices or

that office, a nominating petition shall contain the
signatures of voters totaling not less than the required
number of signatures of voters for independent candidates for
the same office; and provided further that for the public
education commission, a nominating petition shall be signed
by at least two-thirds of the number of signatures that would
otherwise be required, and for a judicial office, a

and

(2) in the district for offices other than
countywide offices; provided that if there are fewer members
of the minor party registered to vote in the county for
countywide offices or registered to vote in the district for
offices other than countywide offices than the number of
signatures required for that office, a nominating petition
shall contain the signatures of voters totaling not less than
the required number of signatures of voters for independent
candidates for the same office; and provided further that for
a judicial office, a nominating petition shall be signed by
two-thirds of the number of signatures that would otherwise
be required.

The petition shall contain a statement that the voters
signing the petition are residents of the area to be
represented by the office for which the person being
nominated is a candidate.

D. Except in the case of a political party
certified in the year of the election, persons certified as
candidates shall be members of that party on the day the
secretary of state issues the general election proclamation.

E. When a political party is certified in the year
of the general election, and after the day the secretary of state issues the general election proclamation, a person certified as a candidate shall be:

(1) a member of that party not later than the date the political party filed its rules and qualifying petitions pursuant to Sections 1-7-2 and 1-7-4 NMSA 1978; and

"1-8-7. VACANCY ON GENERAL ELECTION BALLOT--DEATH OF CANDIDATE OR RESIGNATION OR DEATH OF OFFICE HOLDER BEFORE PRIMARY.--"
A. Vacancies on the general election ballot may be filled as provided in Subsection B of this section if after a primary election there is no nominee of a major political party for a public office to be filled in the general election and if the vacancy was caused by:

(1) the death of a candidate after filing of the declaration of candidacy or after certification as a convention-designated nominee and before the primary election;

(2) the failure of a major political party to nominate a candidate for lieutenant governor; provided that the major political party nominated a candidate for governor; or

(3) the resignation or death of a person holding a public office after the last Friday before the first Tuesday in March, when such office was not included in the general election proclamation and is required by law to be filled at the next succeeding general election after the vacancy is created.

B. The vacancy may be filled subsequent to the primary election by the central committee of the state or county political party, as the case may be, as provided by Subsection A of Section 1-8-8 NMSA 1978.

C. Appointments to fill vacancies in the list of a party's nominees for the general election ballot shall be
made and filed with the proper filing officer on the
twenty-third day after the primary election using the form
prescribed by the secretary of state, along with the

party for any public office to be filled in the general
election, or a vacancy occurs because of the resignation or
death of a person holding a public office not included in the
secretary of state's general election proclamation and which
office is required by law to be filled at the next succeeding
general election, or a vacancy occurs because a new public
office is created and was not included in the secretary of
state's general election proclamation but is capable by law
of being filled at the next succeeding general election, the

If two or more positions for the same office are to be elected to represent the same area but with terms of different lengths of time, the candidate receiving the highest number of votes shall be elected to the position with the longest term length, and the candidate receiving the next highest number of votes shall be elected to the position with the next longest term length, with additional candidates elected to positions accordingly.

the positions shall appear on the ballot based on the order
of seniority of the justice or judge who vacated the
position, with the highest seniority listed first; and

(3) supreme court and court of appeals for

B. The state treasurer shall invest the election fund as other state funds are invested, and all income derived from the fund shall be credited directly to the fund. Remaining balances at the end of a fiscal year shall remain in the fund and not revert to the general fund. Money in the fund is appropriated to the office of the secretary of state.

E. If the current year balances in the election fund do not cover the costs of elections, the secretary of state may apply to the state board of finance for an emergency grant to cover those costs pursuant to Section 6-1-2 NMSA 1978."

SECTION 64. Section 1-12-25.2 NMSA 1978 (being Laws 2003, Chapter 356, Section 3, as amended) is amended to read:

B. The secretary of state shall provide a free access system, such as a toll-free telephone number or internet website, that a voter who casts a provisional paper ballot may access to ascertain whether the voter's ballot was counted and, if the vote was not counted, the reason it was not counted and how to appeal the decision pursuant to rules issued by the secretary of state. Access to information about an individual voter's provisional paper ballot through the free access system is restricted to the voter who cast the ballot.

C. Beginning with the closing of the polls on
election day through the tenth day following the election, the county clerk shall notify by mail each person whose provisional paper ballot was not counted of the reason the ballot was not counted. The voter shall have until the Friday prior to the meeting of the state canvassing board to appeal to the county clerk a decision to reject the voter's ballot. The envelope shall not be locked in the ballot box but shall instead be sealed with either a numbered seal or a locking device and transmitted directly to the county clerk for machine-tabulation or hand-tallying of the ballots.

B. The presiding judge and the election judges,
assisted by the election clerks, shall count the number of
machine-tabulated paper ballots with write-in votes, write
the number of such ballots on each copy of the certificate of
returns for that polling place and place those paper ballots
with write-in votes in an envelope provided for that purpose.
The envelope shall not be locked in the ballot box but shall
instead be sealed with either a numbered seal or a locking
device and transmitted directly to the county clerk for
manual counting of the write-in votes.

C. The tallying of paper ballots that were not
tabulated by the electronic vote tabulator at the polling
place and the counting of ballots with write-in votes shall
be in accordance with procedures prescribed by the secretary
of state.

D. If the county clerk receives a sealed envelope
pursuant to Subsection A or B of this section and the absent
voter election board has not adjourned, the sealed envelope
shall be logged and transmitted to the absent voter election
board to be opened and tallied immediately. If the sealed
envelope is received by the county clerk after the absent
voter election board has adjourned, the sealed envelope shall
be logged and transmitted to be opened and tallied by an
election board appointed to assist in the preparation of the
county canvass report."

SECTION 66. Section 1-12-69 NMSA 1978 (being Laws 1977,
Chapter 222, Section 72, as amended) is repealed and a new Section 1-12-69 NMSA 1978 is enacted to read:

"1-12-69. DISPOSITION OF PAPER BALLOTS AND RECORDS REQUISITE TO VOTING.--

A. Paper ballots marked by voters and records requisite to voting in any election shall be retained and preserved for the greater of:

(1) twenty-two months from the date of the election for any election in which a federal office appears on the ballot;

(2) ten months from the date of the election for all other elections; or

(3) four months following resolution of a contest or other judicial inquiry, including all appeals, for any election, precinct or polling place that is the subject of the contest or other judicial inquiry.

B. Following the retention period, paper ballots marked by voters and records requisite to voting retained and preserved in the county may be destroyed at a time and in a manner as determined by the county clerk; provided that the county clerk shall use one of the destruction methods approved by the state records administrator for destruction of public records. Any interested person shall be permitted to be present during the destruction of paper ballots marked by a voter and records requisite to voting by the county.
clerk. At least seven days prior to a destruction, the clerk shall post on the county website a notice of destruction of paper ballots and records requisite to voting and shall provide notice to the county chair of each political party participating in that election. The notice shall include information regarding the election that is the subject of the records destruction and the date, time and place where marked ballots and records requisite to voting will be destroyed.

C. During the retention period, the county clerk may determine that paper ballots marked by voters and physical records requisite to voting from an election should be retained and preserved by the state records administrator. The state records administrator shall receive for storage paper ballots marked by voters and physical records requisite to voting and, following the retention periods required by this section, may destroy the ballots and physical records pursuant to the procedures used by the state records administrator for destruction of public records following a retention period. The state records administrator may enter into a memorandum of understanding with the secretary of state to cover the costs of storage through the election fund. The county clerk shall post on the county website a notice at least seven days prior to sending ballots and physical records requisite to voting to the state records administrator.
D. Paper ballots marked by voters, their digitized equivalents and records requisite to voting are exempt from third-party inspection except as otherwise provided in the Election Code until the later of sixty days following adjournment of the state or county canvassing board for that election or sixty days following any recount, contest or other judicial inquiry for any election, precinct or polling place that is the subject of the recount, contest or judicial inquiry. Thereafter, during the retention period and prior to destruction of the ballots or records, a third-party inspection not otherwise provided for in the Election Code shall be conducted for good cause shown and upon order of the district court. When a third-party inspection is ordered, a county clerk, the clerk's agent, the state records administrator or the state records administrator's agent shall be present during the inspection to ensure that all ballots and records are properly catalogued and returned in proper order. An inspection of paper ballots marked by voters, their digitized equivalents or records requisite to voting shall be conducted in such a manner as to secure the secrecy of the ballot."

SECTION 67. Section 1-13-1 NMSA 1978 (being Laws 1969, Chapter 240, Section 303, as amended) is amended to read:

B. The board of county commissioners may designate the board of registration to serve as the county canvassing board for the county. The designation shall be made in the polling place resolution adopted pursuant to Section 1-3-2 NMSA 1978 and is valid for all statewide and special elections conducted within the county until the expiration of the resolution.

C. The county canvass report prepared by the county clerk and approved by the county canvassing board shall consist of:

SECTION 68. Section 1-13-4 NMSA 1978 (being Laws 1969, Chapter 240, Section 306, as amended) is amended to read:

"1-13-4. POST-ELECTION DUTIES--COUNTY CANVASS--

(2) absentee ballots delivered to an
election board not previously tabulated;
(3) provisional paper ballots that have been
qualified and contain votes that are to be counted; or
(4) ballots with write-in votes not
previously counted;

election returns by carefully examining the returns of each
precinct to ascertain if they contain the properly executed
certificates required by the Election Code and to ascertain
whether any discrepancy, omission or error appears on the
face of the election returns;

C. present the report of the canvass to the county
canvassing board for the board's consideration and approval; and
D. provide the county canvassing board a summary report of the ballots tallied by the election board pursuant to Subsection A of this section and deliver directly to the secretary of state a cumulative report to be used in the event of a recount."

"1-13-8. POST-ELECTION DUTIES--COUNTY CANVASS--SEARCH FOR MISSING RETURNS.--If it is necessary to open a ballot box on election night through the adjournment of the state canvass to ascertain if missing election returns are enclosed in the ballot box, the ballot box shall be opened in the presence of the presiding judge and two election judges of an election board that meets the requirements of Subsection B of Section 1-2-12 NMSA 1978 by the county clerk or a deputy clerk designated by the county clerk. The county clerk or deputy clerk may remove the missing returns necessary to canvass the election. The presiding judge and election judges shall document the search for missing returns using a form prescribed by the secretary of state."

SECTION 70. Section 1-13-10 NMSA 1978 (being Laws 1969, Chapter 240, Section 313, as amended) is amended to read:

"1-13-10. POST-ELECTION DUTIES--VOTING MACHINE RECHECK--COST.--

A. Before any recheck and comparison of returns
and voting machines is made pursuant to Section 1-13-9 NMSA 1978, the candidate making the request, or the petitioners, shall deposit a sum of money or a surety bond made in favor of the county to defray the cost of the recheck. The state canvassing board shall determine the estimated actual cost of a recheck per voting machine no later than March 15 of even-numbered years.

B. If the recheck alters the winner of the election, the deposit or surety bond shall be returned and the cost of the recheck shall be paid by the county. If the recheck does not alter the winner of the election, the deposit or surety bond shall be forfeited and the money from the deposit or bond shall be placed in the county general fund."

SECTION 71. Section 1-14-9 NMSA 1978 (being Laws 1971, Chapter 249, Section 2) is amended to read:

"1-14-9. IMPOUNDING BALLOTS--APPLICATION FOR COURT ORDER--DEPOSIT REQUIRED.--

A. Upon an order of the district court, ballots may be impounded during the period of time between the completion of the county canvass and the last day to file a candidate contest in that election.

B. Any candidate in an election may petition the district court for an order impounding ballots in one or more precincts or polling places within which the candidate's name
appeared on the ballot. The action shall be brought in the
district court for the county in which the precincts or
polling places are located. The petition shall state what
specific items of ballots are requested to be impounded.
Upon receipt of the petition, along with a sufficient cash
deposit or a sufficient surety bond to cover the costs of
each precinct or polling place for which impoundment is
demanded, the court shall issue an order of impoundment.

C. Ballots shall be impounded in the county
courthouse or secured in the county clerk's office. When
impounded ballots are being handled, a county clerk or the
clerk's agent shall be present to ensure that all documents
are properly catalogued and returned in proper order.

D. The state canvassing board shall determine the
estimated actual cost of impoundment per polling place and
for mailed ballots no later than March 15 of even-numbered

SECTION 72. Section 1-14-13.2 NMSA 1978 (being Laws
2009, Chapter 233, Section 1, as amended) is amended to read:

"1-14-13.2. POST-ELECTION DUTIES--VOTING SYSTEM
CHECK.--

A. At least ninety days prior to each statewide
election or as soon as practicable prior to an election to
fill a vacancy in the office of United States representative, the secretary of state shall contract with an auditor qualified by the state auditor to audit state agencies to oversee a check on the accuracy of precinct electronic vote tabulators, alternate voting location electronic vote tabulators and absent voter precinct electronic vote tabulators. The voting system check shall be conducted for all federal offices, for governor, for contests in the regular local election and for the statewide elective office, other than the office of the governor, for which the winning candidate won by the smallest percentage margin of all candidates for statewide office in New Mexico. The voting system check is waived for any office for which an automatic recount is conducted.

B. For each selected office, the auditor shall publicly select a random sample of precincts from a pool of all precincts in the state no later than twelve days after the election. The random sample shall be chosen in a process that will ensure, with at least ninety percent probability for the selected offices, that faulty tabulators would be detected if they would change the outcome of the election for a selected office. The auditor shall select precincts starting with the statewide office with the largest winning margin and ending with the precincts for the statewide office with the smallest winning margin and then, in the same
manner, select precincts from each congressional district. The size of the random sample for each office shall be determined as provided in Table 1 of this subsection. When a precinct is selected for one office, it shall be used in lieu of selecting a different precinct when selecting precincts for another office in the same congressional district, or for any statewide office. If the winning margin in none of the offices for which a voting system check is required is less than fifteen percent, a voting system check for that general election shall not be required.

C. After selecting the random sample of precincts
pursuant to Subsection B of this section or as required for a regular local election, the auditor shall also randomly select one precinct from each county where a precinct was not selected in the random sample.

D. The auditor shall notify the appropriate county clerks of the precincts that are to be included in the voting system check upon their selection. The auditor shall direct the appropriate county clerks to open the locked ballot boxes and remove ballots from the selected precincts and:

(1) in a primary or general election, the auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for candidates for offices subject to the voting system check from the selected precincts for each office with the respective vote totals of a hand recount of the paper ballots from those precincts;

(2) in a regular local election, the size of the random sample shall be the largest number of precincts that were used for the random sample in the previous general election. The auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for the three contests with the closest margin between the two candidates receiving the greatest number of votes affecting the final outcome for an office from each of the selected precincts with the respective vote totals of a hand
recount of the paper ballots from those precincts; provided that if there are fewer than three contested contests in a precinct, the auditor shall randomly select one or more contests so that three contests are included in the sample from that precinct; and

(3) in an election called to fill a vacancy in United States representative, the auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for candidates for United States representative from the selected precincts with the respective vote totals of a hand recount of the paper ballots from those precincts.

E. The county clerks shall report their results to the auditor within fourteen days of the notice to conduct the voting system check unless a county clerk is aware of a recount in any office that includes one or more precincts in the county, in which case the county clerk shall report the results of the post-election audit to the auditor within fourteen days following the conclusion of the recount.

F. Based on the results of the voting system check and any other auditing results, the auditor shall determine the error rate in the sample for each office. If the winning margin decreases and the error rate based on the difference between the vote totals of hand recounts of the paper ballots and the original precinct vote totals exceeds ninety percent
of the winning margin for an office, another sample equal in size to the original sample shall be selected and the original precinct vote totals compared to the vote totals of hand recounts. The error rate based on the first and second sample shall be reported, and if it exceeds ninety percent of the winning margin for the office, the state canvassing board shall order that a full hand recount of the ballots for that office be conducted.

G. The auditor shall report the results of the voting system check to the secretary of state upon completion of the voting system check and release the results to the public.

H. Persons designated as county canvass observers may observe the hand recount described in Subsection D of this section. Observers shall comply with the procedures governing county canvass observers as provided in Section 1-2-31 NMSA 1978.

I. If a recount for an office selected for a voting system check is conducted pursuant to the provisions of Chapter 1, Article 14 NMSA 1978, the vote totals from the hand count of ballots for that office in precincts selected for the voting system check may be used in lieu of recounting the same ballots for the recount.

J. All costs of a voting system check or required hand recount shall be paid in the same manner as automatic
recounts.

K. The secretary of state may issue rules to implement voting system checks.

SECTION 73. Section 1-14-14 NMSA 1978 (being Laws 1969, Chapter 240, Section 343, as amended) is amended to read:

"1-14-14. RECOUNTS--RECHECKS--APPLICATION.--

A. Whenever any candidate believes that any error or fraud has been committed by any precinct board in counting or tallying the ballots, in the verification of the votes cast on the voting machines or in the certifying of the results of any election whereby the results of the election in the precinct have not been correctly determined, declared or certified, the candidate, within six days after completion of the canvass by the proper canvassing board, may have a recount of the ballots, or a recheck of the votes shown on the voting machines, that were cast in the precinct.

B. All applications for recount or recheck shall be filed with the secretary of state."

SECTION 74. Section 1-14-15 NMSA 1978 (being Laws 1978, Chapter 48, Section 1, as amended) is amended to read:

"1-14-15. RECOUNTS--RECHECKS--COST OF PROCEEDINGS.--

A. An applicant for a recount shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state
sufficient cash, or a sufficient surety bond, to cover the
cost of a recount for each precinct for which a recount is
demanded. An applicant for a recheck shall deposit with the
proper canvassing board or, in the case of an office for
which the state canvassing board issues a certificate of
nomination or election, with the secretary of state
sufficient cash, or a sufficient surety bond, to cover the
cost of the recheck for each voting machine to be rechecked.
The state canvassing board shall determine the estimated
