SECTION III: NARRATIVE

BILL SUMMARY

<u>Synopsis:</u> This bill increases the child tax credit amount for an adoptive parent of a child with special needs from \$1.0 (one thousand) to \$1.5 (one thousand five hundred), and updates spousal language from "husband and wife" to "married individuals". Qualifying taxpayers are required to report the amount of the credit taken to the tax and revenue department; and the tax and revenue department is required to issue an annual report with aggregate data concerning the credit.

FISCAL IMPLICATIONS

There is no appropriation contained within this bill. There are no fiscal implications for CYFD.

SIGNIFICANT ISSUES

This bill benefits families who adopt special needs children by increasing the resources available to them for their commitment to providing permanency for children and youth. Meanwhile, the annual report produced by tax and revenue will provide CYFD with a valuable resource for monitoring the successes of placing children for adoption with special needs, and will further validate the importance of having this resource available to adoptive parents and their families. This bill supports CYFD's efforts to recruit, retain, and support resource parents by ensuring that adoptive parents who encounter unexpected costs due to their child's needs will receive sufficient support to meet those needs.

PERFORMANCE IMPLICATIONS

CYFD has performance measurements concerning the recruitment of resource families and placement stability for children which may be positively affected by this bill.
