AN ACT
RELATING TO CYBERSECURITY; AMENDING THE CYBERSECURITY ACT;
ADDING A DEFINITION FOR "PUBLIC BODY"; PROVIDING FOR
RULEMAKING; ESTABLISHING REPORTING REQUIREMENTS FOR PUBLIC
ENTITIES RECEIVING STATE APPROPRIATIONS IN CERTAIN
SITUATIONS; REQUIRING CERTIFICATION OF COMPLIANCE WITH
CERTAIN INFORMATION SECURITY STANDARDS; CHANGING THE
MEMBERSHIP OF THE CYBERSECURITY ADVISORY COMMITTEE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 9-27A-1 NMSA 1978 (being Laws 2023,
Chapter 115, Section 1) is amended to read:

"9-27A-1. SHORT TITLE.--Chapter 9, Article 27A
NMSA 1978 may be cited as the "Cybersecurity Act"."

SECTION 2. Section 9-27A-2 NMSA 1978 (being Laws 2023,
Chapter 115, Section 2) is amended to read:

"9-27A-2. DEFINITIONS.--As used in the Cybersecurity
Act:

A. "agency" means executive cabinet agencies and
their administratively attached agencies, offices, boards and
commissions;

B. "cybersecurity" means acts, practices or
systems that eliminate or reduce the risk of loss of critical
assets, loss of sensitive information or reputational harm as
a result of a cyber attack or breach within an organization's

1 network;

2 C. "information security" means acts, practices or
3 systems that eliminate or reduce the risk that legally
4 protected information or information that could be used to
5 facilitate criminal activity is accessed or compromised
6 through physical or electronic means;

7 D. "information technology" means computer
8 hardware, storage media, networking equipment, physical
9 devices, infrastructure, processes and code, firmware,
10 software and ancillary products and services, including:

11 (1) systems design and analysis;

12 (2) development or modification of hardware
13 or solutions used to create, process, store, secure or
14 exchange electronic data;

15 (3) information storage and retrieval
16 systems;

17 (4) voice, radio, video and data
18 communications systems;

19 (5) network, hosting and cloud-based
20 systems;

21 (6) simulation and testing;

22 (7) interactions between a user and an
23 information system; and

24 (8) user and system credentials;

25 E. "public body" means a county, municipality,

1 public school or institution of higher education; and

2 F. "security officer" means the state chief
3 information security officer."

4 SECTION 3. Section 9-27A-3 NMSA 1978 (being Laws 2023,
5 Chapter 115, Section 3) is amended to read:

6 "9-27A-3. CYBERSECURITY OFFICE CREATED--SECURITY
7 OFFICER--DUTIES AND POWERS.--

8 A. The "cybersecurity office" is created and is
9 administratively attached to the department of information
10 technology. The office shall be managed by the security
11 officer.

12 B. Except as required by federal law, the
13 cybersecurity office shall oversee, in a fiscally responsible
14 manner, cybersecurity- and information security-related
15 functions for agencies and may:

16 (1) adopt and implement rules establishing
17 minimum security standards and policies to protect state
18 information technology systems and infrastructure and provide
19 appropriate governance and application of the standards and
20 policies across state information technology resources to
21 promote the availability, security and integrity of the
22 information processed, transacted or stored by agencies in
23 the state's information technology infrastructure and
24 systems. The rules shall include a requirement that a public
25 body that receives general fund appropriations for

1 information technology resources shall report to the
2 cybersecurity office all cybersecurity and information
3 technology security expenditures in a form and manner
4 established by the cybersecurity office;

5 (2) adopt and implement rules establishing
6 minimum cybersecurity controls for managing and protecting
7 information technology assets and infrastructure for all
8 entities that are connected to an agency-operated or -owned
9 telecommunications network;

10 (3) consistent with information security
11 standards, monitor agency information technology networks and
12 conduct information technology and security assessments to
13 detect security vulnerability incidents and support
14 mitigation efforts as necessary and within capabilities;

15 (4) as reasonably necessary to perform its
16 monitoring and detection duties, obtain agency system logs to
17 support monitoring and detection pursuant to Paragraph (3) of
18 this subsection;

19 (5) in coordination with state and federal
20 cybersecurity emergency management agencies as appropriate,
21 create a model incident-response plan for public bodies to
22 adopt with the cybersecurity office as the incident-response
23 coordinator for incidents that:

24 (a) impact multiple public bodies;

25 (b) impact more than ten thousand

1 residents of the state;

2 (c) involve a nation-state actor; or

3 (d) involve the marketing or transfer
4 of confidential data derived from a breach of cybersecurity;

5 (6) serve as a cybersecurity resource for
6 local governments;

7 (7) develop a service catalog of
8 cybersecurity services to be offered to agencies and to
9 political subdivisions of the state;

10 (8) collaborate with agencies in developing
11 standards, functions and services in order to ensure the
12 agency regulatory environments are understood and considered
13 as part of a cybersecurity incident response;

14 (9) establish core services to support
15 minimum security standards and policies;

16 (10) adopt and implement rules to establish
17 minimum data classification policies and standards and design
18 controls to support compliance with classifications and
19 report on exceptions;

20 (11) adopt and implement rules to develop
21 and issue cybersecurity awareness policies and training
22 standards and develop and offer cybersecurity training
23 services;

24 (12) adopt and implement rules to establish
25 a centralized cybersecurity and data breach reporting process

1 for agencies and political subdivisions of the state;

2 (13) approve agency cybersecurity and
3 information security requests for proposals and invitations
4 for bids that are subject to the Procurement Code, prior to
5 final approval;

6 (14) approve agency cybersecurity and
7 information security contracts and amendments to those
8 contracts, including sole source contracts and price
9 agreements, prior to final approval. Prior to making a
10 cybersecurity or information security emergency procurement,
11 an agency shall consult with the cybersecurity office and,
12 upon making the procurement, shall immediately transmit
13 notice of the procurement to the cybersecurity office; and

14 (15) review and make recommendations to the
15 legislature on all agency, public school, higher education
16 institution, county and municipality legislative
17 appropriation requests related to cybersecurity and
18 information security projects that incorporate protection of
19 personal, sensitive or confidential information as defined by
20 the cybersecurity office by rule prior to submission of such
21 appropriation requests to the legislature.

22 C. The security officer may issue orders to
23 agencies:

24 (1) regarding agency compliance with rules,
25 policies, standards or controls issued by cybersecurity

1 office guidelines or recommendations of the cybersecurity
2 advisory committee; and

3 (2) necessary to protect the state's digital
4 assets from imminent threat.

5 D. Public bodies that receive general fund
6 appropriations used for information technology resources
7 shall adopt and implement cybersecurity, information security
8 and privacy policies, standards and procedures based upon no
9 less than moderate-impact security control baselines,
10 frameworks and standards issued by the national institute of
11 standards and technology. A public body shall certify that
12 it complied with the applicable standard during the preceding
13 fiscal year. The certification shall be made in the form and
14 manner specified by the security officer by a person who
15 possesses the compliance qualifications specified by the
16 security officer by rule. The security officer may report
17 any compliance concerns to authorized oversight entities and
18 cooperate with any compliance assessment.

19 E. A public body or another branch of government
20 may voluntarily comply with the rules, standards, orders and
21 other requirements of the Cybersecurity Act and participate
22 in the cybersecurity and information security programs
23 offered by the cybersecurity office."

24 SECTION 4. Section 9-27A-5 NMSA 1978 (being Laws 2023,
25 Chapter 115, Section 5) is amended to read:

1 "9-27A-5. CYBERSECURITY ADVISORY COMMITTEE CREATED--
2 MEMBERSHIP--DUTIES.--

3 A. The "cybersecurity advisory committee" is
4 created within the cybersecurity office and shall:

5 (1) assist the office in the development of:

6 (a) a statewide cybersecurity plan;

7 (b) guidelines for best cybersecurity
8 practices for agencies; and

9 (c) recommendations on how to respond
10 to a specific cybersecurity threat or attack; and

11 (2) have authority over the hiring,
12 supervision, discipline and compensation of the security
13 officer.

14 B. The security officer or the security officer's
15 designee shall chair and be a voting member of the
16 cybersecurity advisory committee; provided that the security
17 officer shall be recused from deliberations and voting on
18 matters concerning supervision, discipline or compensation of
19 the security officer, and the committee shall select an
20 alternate person who is not an employee of the cybersecurity
21 office to chair those deliberations and votes. The remaining
22 members of the committee consist of:

23 (1) the secretary of homeland security and
24 emergency management or the secretary's designee;

25 (2) the principal information technology

1 staff person for the administrative office of the courts or
2 the staff person's designee;

3 (3) the director of the legislative council
4 service or the director's designee;

5 (4) one member appointed by the secretary of
6 Indian affairs, who is experienced with cybersecurity issues;

7 (5) three members appointed by the chair of
8 the board of directors of the New Mexico association of
9 counties who represent county governmental agencies and who
10 are experienced with cybersecurity issues; provided that at
11 least one member shall represent a county other than a class
12 A or H class county;

13 (6) three members appointed by the chair of
14 the board of directors of the New Mexico municipal league who
15 represent municipal governmental agencies and who are
16 experienced with cybersecurity issues; provided that only one
17 member may represent a home rule municipality;

18 (7) one member appointed by the governor who
19 has experience with cybersecurity issues for public education
20 institutions; and

21 (8) one member appointed by the governor who
22 has experience with cybersecurity issues for public health
23 institutions.

24 C. The cybersecurity advisory committee may invite
25 representatives of unrepresented county, municipal or tribal

1 agencies or other public entities to participate as advisory
2 members of the committee as it determines that their
3 participation would be useful to the deliberations of the
4 committee.

5 D. A meeting of and material presented to or
6 generated by the cybersecurity advisory committee are subject
7 to the Open Meetings Act and the Inspection of Public Records
8 Act subject to an exception for a meeting or material
9 concerning information that could, if made public, expose a
10 vulnerability in:

11 (1) an information system owned or operated
12 by a public entity; or

13 (2) a cybersecurity solution implemented by
14 a public entity.

15 E. The cybersecurity advisory committee shall hold
16 its first meeting on or before August 16, 2023 and shall meet
17 every two months at minimum after that; provided that the
18 security officer shall have the discretion to call for more
19 frequent meetings as circumstances warrant. At the
20 discretion of the security officer, the committee may issue
21 advisory reports regarding cybersecurity issues.

22 F. The cybersecurity advisory committee shall
23 present a report to the legislative finance committee and the
24 appropriate legislative interim committee concerned with
25 information technology at those committees' November 2023

1 meetings and to the governor by November 30, 2023 regarding
2 the status of cybersecurity preparedness within agencies and
3 elsewhere in the state. On or before October 30, 2024 and on
4 or before October 30 of each subsequent year, the
5 cybersecurity office shall present updated reports to the
6 legislative committees and the governor. The reports to
7 legislative committees shall be in executive session, and any
8 materials connected with the report presentations are exempt
9 from the Inspection of Public Records Act.

10 G. The members of the cybersecurity advisory
11 committee shall receive no pay for their services as members
12 of the committee, but shall be allowed per diem and mileage
13 pursuant to the provisions of the Per Diem and Mileage Act.
14 All per diem and contingent expenses incurred by the
15 cybersecurity office shall be paid upon warrants of the
16 secretary of finance and administration, supported by vouchers
17 of the security officer."
