SECTION III: NARRATIVE**BILL SUMMARY**

Synopsis: HB 39 seeks to amend Section 30-46-1, the crime of misdemeanor ticket scalping, to include selling tickets to events presented by the state or its political subdivisions or by formally recognized 501(c)(3) nonprofit corporations. The current law only punishes scalping tickets to college athletic events.

FISCAL IMPLICATIONS

HB 39 essentially adds three new ways to commit the misdemeanor crime of ticket scalping. If aggressively enforced, this could result in an increase in caseloads, which would impact the New Mexico Public Defender Department [hereinafter LOPD]. However, it is difficult to predict the impact on LOPD due to the creation of a new crime insofar as no statistics exist to suggest how much the behavior presently occurs, how much would continue, and how much would be prosecuted. It is important to remember that indigent criminal defense is a constitutionally mandated right, and that LOPD does not control the decision to charge or the number of resultant cases assigned to the agency. Barring some other way to reduce indigent defense workload, any increase in the number of prosecutions would bring a concomitant need for an increase in indigent defense funding in order to keep the LOPD's workload crisis from spreading.
