SECTION III: NARRATIVE

BILL SUMMARY

Synopsis: H-123 streamlines all state and federal grant applications into a single PED system. RECs benefit because districts—especially small rural ones—will need training and support to navigate the new system, positioning RECs as essential partners. The negative impact is the likely increase in technical assistance requests without adequate funding.

FISCAL IMPLICATIONS N/A

Note: major assumptions underlying the fiscal impact should be documented.

Adequate funding is needed so districts can access technical assistance, especially small rural districts.

Note: If an additional operating budget impact is estimated, the assumptions and calculations should be reported in this section.
