### **SECTION III: NARRATIVE**

#### **BILL SUMMARY**

Synopsis: SB 167 amends Section 30-7-2.1 NMSA 1978, governing unlawful carrying of a deadly weapon on school premises, and within the Criminal Code, to increase the penalty for unlawful carrying of a deadly weapon on school premises from a fourth degree penalty to a third degree penalty. The SB 167 amendment also expands the scope of the crime by amending the definition of “school premises” to include any public school in or on which school or school-related activities are being operated under the authority of a local school board or governing body of a charter school.

#### **FISCAL IMPLICATIONS**

There will be a minimal administrative cost for statewide update, distribution and documentation of statutory changes. Any additional fiscal impact on the judiciary would be proportional to the enforcement of this law and commenced prosecutions and appeals from convictions. New laws, amendments to existing laws and new hearings have the potential to increase caseloads in the courts, thus requiring additional resources to handle the increase.

Increased penalties are likely to result in more defendants invoking their right to trials, as well as to jury trials. More trials and more jury trials will require additional judge time, courtroom staff time, courtroom availability and jury fees. Indigent offenders are entitled to public defender services.

#### **SIGNIFICANT ISSUES**

1) Increased penalties are likely to result in more defendants invoking their right to trials, as well as to jury trials. More trials and more jury trials will require additional judge time, courtroom staff time, courtroom availability and jury fees. Indigent offenders are entitled to public defender services.

2) The expansion of the definition of “school premises” to include a public school being operated under the authority of a governing body of a charter school, will result in more schools being covered under the definition and potentially more charges being filed and more convictions occurring for the crime of unlawful carrying of a deadly weapon on school premises.

#### **PERFORMANCE IMPLICATIONS**

The courts are participating in performance-based budgeting. This bill may have an impact on the measures of the district courts in the following areas:

- Cases disposed of as a percent of cases filed
- Percent change in case filings by case type

#### **ADMINISTRATIVE IMPLICATIONS**

See “Fiscal Implications,” above.
