18 commissioner to the counseling compact commission meetings.

19 C. Member states may charge a fee for granting the
20 privilege to practice.

21 D. Individuals not residing in a member state shall

3 requirements established by a member state for the issuance of
4 a single state license.

5 F. A license issued to a licensed professional
6 counselor by a home state to a resident in that state shall be
7 recognized by each member state as authorizing a licensed

17 D. A licensee providing professional counseling
18 services in a remote state is subject to that state's
19 regulatory authority. A remote state may, in accordance with
20 due process and that state's laws, remove a licensee's
21 privilege to practice in the remote state for a specific period
22 of time, impose fines or take any other necessary actions to
23 protect the health and safety of its citizens. The licensee
24 may be ineligible for a privilege to practice in any member
25 state until the specific time for removal has passed and all

1 fines are paid.

11 restored to good standing, the licensee shall meet the
12 requirements of Subsection A of this section in order to obtain
13 a privilege to practice in any remote state.

14 G. If a licensee's privilege to practice in any
15 remote state is removed, the individual may lose the privilege
16 to practice in all other remote states until the following
17 occur:

18 (1) the specific period of time for which the
19 privilege to practice was removed has ended;

20 (2) all fines have been paid; and

21 (3) the licensee has not had any encumbrance
22 or restriction against any license or privilege to practice
23 within the previous two years.

24 H. Once the requirements of Subsection G of this
25 section have been met, the licensee shall meet the requirements

.233399.2

1 in Subsection A of this section in order to obtain a privilege
2 to practice in a remote state.

3 SECTION 4 -- OBTAINING A NEW HOME STATE LICENSE BASED ON A
4 PRIVILEGE TO PRACTICE

5 A. A licensed professional counselor may hold a
6 home state license, which allows for a privilege to practice in
7 other member states, in only one member state at a time.

8 B. If a licensed professional counselor's primary
9 state of residence changes due to moving between two member
10 states:

11 (1) the licensed professional counselor shall
12 file an application for obtaining a new home state license
13 based on a privilege to practice; pay all applicable fees; and
14 notify the current and new home state in accordance with
15 applicable rules adopted by the commission;

16 (2) upon receipt of an application for
17 obtaining a new home state license by virtue of a privilege to
18 practice, the new home state shall verify that the licensed
19 professional counselor meets the pertinent criteria outlined in
20 Section 3 of this compact via the data system, without need for
21 primary source verification except for:

22 (a) a federal bureau of investigation
23 fingerprint-based criminal background check if not previously
24 performed or updated pursuant to applicable rules adopted by
25 the commission in accordance with Public Law 92-544;

.233399.2

1 (b) other criminal background checks as
2 required by the new home state; and

3 (c) completion of any requisite
4 jurisprudence requirements of the new home state;

5 (3) the former home state shall convert the
6 former home state license into a privilege to practice once the
7 new home state has activated the new home state license in
8 accordance with applicable rules adopted by the commission;

9 (4) notwithstanding any other provision of
10 this compact, if the licensed professional counselor cannot
11 meet the criteria established in Section 3 of this compact, the
12 new home state may apply its requirements for issuing a new
13 single state license; and

14 (5) the licensed professional counselor shall
15 pay all applicable fees to the new home state in order to be
16 issued a new home state license.

17 C. If a licensed professional counselor changes
18 primary state of residence by moving from a member state to a
19 nonmember state, or from a nonmember state to a member state,
20 the state criteria shall apply for issuance of a single state
21 license in the new state.

22 D. Nothing in this compact shall interfere with a
23 licensee's ability to hold a single state license in multiple
24 states; however, for the purposes of this compact, a licensee
25 shall have only one home state license.

.233399.2

1 E. Nothing in this compact shall affect the
2 requirements established by a member state for the issuance of
3 a single state license.

4 SECTION 5 -- ACTIVE DUTY MILITARY MEMBERS OR THEIR SPOUSES

5 An active duty military member, or the member's spouse,
6 shall designate a home state where the member or member's
7 spouse has a current license in good standing. The member or
8 member's spouse may retain the home state designation during
9 the period the member is on active duty. Subsequent to
10 designating a home state, the member or member's spouse shall
11 only change the member's or member's spouse's home state
12 through application for licensure in the new state, or through
13 the process outlined in Section 4 of this compact.

14 SECTION 6 -- COMPACT PRIVILEGE TO PRACTICE TELEHEALTH

15 A. Member states shall recognize the right of a
16 licensed professional counselor, licensed by a home state in
17 accordance with Section 2 of this compact and under rules
18 promulgated by the commission, to practice professional
19 counseling in any member state via telehealth under a privilege
20 to practice as provided in the compact and rules promulgated by
21 the commission.

22 B. A licensee providing professional counseling
23 services in a remote state under the privilege to practice
24 shall adhere to the laws and regulations of the remote state.

25 SECTION 7 -- ADVERSE ACTIONS

8 in accordance with existing state due process law, to issue
9 subpoenas for both hearings and investigations that require the
10 attendance and testimony of witnesses as well as the production

12 state for the attendance and testimony of witnesses or the
13 production of evidence from another member state shall be
14 enforced in the latter state by any court of competent
15 jurisdiction, according to the practice and procedure of that
16 court applicable to subpoenas issued in proceedings pending
17 before it. The issuing authority shall pay any witness fees,
18 travel expenses, mileage and other fees required by the service
19 statutes of the state in which the witnesses or evidence is
20 located; and

21 (3) the home state shall have the sole power
22 to take adverse action against a licensed professional

2 had occurred within the home state. In so doing, the home
3 state shall apply its own state laws to determine appropriate
4 action.

5 C. The home state shall complete any pending
6 investigations of a licensed professional counselor who changes
7 the primary state of residence during the course of the
8 investigations. The home state shall also have the authority

16 counselor the costs of investigations and dispositions of cases
17 resulting from any adverse action taken against that licensed
18 professional counselor.

19 E. A member state may take adverse action based on
20 the factual findings of the remote state; provided that the
21 member state follows its own procedures for taking the adverse
22 action.

23 F. Joint investigations shall be conducted as
24 follows:

- 25 (1) in addition to the authority granted to a

5 (2) member states shall share any
6 investigative, litigation or compliance materials in
7 furtherance of any joint or individual investigation initiated
8 under the compact.

10 against the license of a licensed professional counselor, the
11 licensed professional counselor's privilege to practice in all
12 other member states shall be deactivated until all encumbrances
13 have been removed from the state license. All home state
14 disciplinary orders that impose adverse action against the

17 to practice is deactivated in all member states during the
18 pendency of the order.

19 H. If a member state takes adverse action, it shall
20 promptly notify the administrator of the data system. The
21 administrator of the data system shall promptly notify the home
22 state of any adverse actions by remote states.

23 I. Nothing in this compact shall override a member
24 state's decision that participation in an alternative program

22 reasons for taking action, including a description of the views
23 expressed; and identify all documents considered in connection
24 with an action taken; provided that all minutes and documents
25 of a closed meeting shall remain under seal, subject to release

.233399.2

1 by a majority vote of the commission or order of a court of
2 competent jurisdiction.

3 F. Financing of the commission shall be carried out
4 as follows:

5 (1) the commission shall pay, or provide for
6 the payment of, the reasonable expenses of its establishment,
7 organization and ongoing activities;

8 (2) the commission may accept any and all
9 appropriate revenue sources, donations and grants of money,
10 equipment, supplies, materials and services;

11 (3) the commission may levy on and collect an
12 annual assessment from each member state or impose fees on
13 other parties to cover the cost of the operations and
14 activities of the commission and its staff, in an amount
15 sufficient to cover its annual budget as approved each year for
16 which revenue is not provided by other sources. The aggregate
17 annual assessment amount shall be allocated based upon a
18 formula to be determined by the commission by rule, which shall
19 be binding upon all member states;

20 (4) the commission shall not incur obligations
21 prior to securing the funds adequate to meet the obligations or
22 pledge the credit of any of the member states, absent the
23 authority of the member state; and

24 (5) the commission shall keep accurate
25 accounts of all receipts and disbursements. The receipts and

.233399.2

1 disbursements of the commission shall be subject to the audit
2 and accounting procedures established under its bylaws.
3 However, all receipts and disbursements of funds handled by the
4 commission shall be audited yearly by a certified or licensed
5 public accountant, and the report of the audit shall be
6 included in and become part of the annual report of the
7 commission.

8 G. Qualified immunity, defense and indemnification
9 shall apply as follows:

10 (1) the members, officers, executive director,
11 employees and representatives of the commission shall be immune
12 from suit and liability, either personally or in their official
13 capacity, for any claim for damage to or loss of property or
14 personal injury or other civil liability caused by or arising
15 out of any actual or alleged act, error or omission that
16 occurred, or that the person against whom the claim is made had
17 a reasonable basis for believing occurred within the scope of
18 commission employment, duties or responsibilities; provided
19 that nothing in this paragraph shall be construed to protect
20 any such person from suit or liability for any damage, loss,
21 injury or liability caused by the intentional or willful or
22 wanton misconduct of that person;

23 (2) the commission shall defend any member,
24 officer, executive director, employee or representative of the
25 commission in any civil action seeking to impose liability

.233399.2

1 arising out of any actual or alleged act, error or omission
2 that occurred within the scope of commission employment, duties
3 or responsibilities, or that the person against whom the claim
4 is made had a reasonable basis for believing occurred within
5 the scope of commission employment, duties or responsibilities;
6 provided that nothing in this paragraph shall be construed to
7 prohibit that person from retaining his or her own counsel; and
8 provided further that the actual or alleged act, error or
9 omission did not result from that person's intentional or
10 willful or wanton misconduct; and

11 (3) the commission shall indemnify and hold
12 harmless any member, officer, executive director, employee or
13 representative of the commission for the amount of any
14 settlement or judgment obtained against that person arising out
15 of any actual or alleged act, error or omission that occurred
16 within the scope of commission, employment, duties or
17 responsibilities, or that such person had a reasonable basis
18 for believing occurred within the scope of commission
19 employment, duties or responsibilities; provided that the
20 actual or alleged act, error or omission did not result from
21 the intentional or willful or wanton misconduct of that person.

22 SECTION 9 -- DATA SYSTEM

23 A. The commission shall provide for the
24 development, maintenance, operation and utilization of a
25 coordinated database and reporting system containing licensure,

.233399.2

1 adverse action and investigative information on all licensees
2 in member states.

3 B. Notwithstanding any other provision of state
4 law, a member state shall submit a uniform data set to the data
5 system on all individuals to whom this compact is applicable as
6 required by the rules of the commission, including:

- 7 (1) identifying information;
- 8 (2) licensure data;
- 9 (3) adverse actions against a license or
10 privilege to practice;
- 11 (4) non-confidential information related to
12 alternative program participation;
- 13 (5) any denial of application for licensure
14 and the reasons for such denial;
- 15 (6) current significant investigative
16 information; or
- 17 (7) other information that may facilitate the
18 administration of this compact, as determined by the rules of
19 the commission.

20 C. Investigative information pertaining to a
21 licensee in a member state is only available to other member
22 states.

23 D. The commission shall promptly notify all member
24 states of an adverse action taken against a licensee or an
25 individual applying for a license. Adverse action information

.233399.2

1 pertaining to a licensee in a member state is available to any
2 other member state.

3 E. Member states contributing information to the
4 data system may designate information that may not be shared
5 with the public without the express permission of the
6 contributing state.

7 F. Any information submitted to the data system
8 that is subsequently required to be expunged by the laws of the
9 member state contributing the information shall be removed from
10 the data system.

11 SECTION 10 -- RULEMAKING

12 A. The commission shall promulgate reasonable rules
13 in order to effectively and efficiently achieve the purpose of
14 the compact. If the commission exercises its rulemaking
15 authority in a manner that is beyond the scope of the purposes
16 of the compact or the powers granted pursuant to the compact,
17 then such an action by the commission shall be invalid and have
18 no force or effect.

19 B. The commission shall exercise its rulemaking
20 powers pursuant to the criteria set forth in this section and
21 the rules adopted pursuant to the compact. Rules and
22 amendments shall become binding as of the date specified in
23 each rule or amendment.

24 C. If a majority of the legislatures of the member
25 states rejects a rule, by enactment of a statute or resolution

.233399.2

1 in the same manner used to adopt the compact within four years
2 of the date of adoption of the rule, then such rule shall have
3 no further force and effect in any member state.

4 D. Rules or amendments to the rules shall be
5 adopted at a regular or special meeting of the commission.

6 E. Prior to promulgation and adoption of a final
7 rule by the commission, and at least thirty days in advance of
8 the meeting at which the rule will be considered and voted
9 upon, the commission shall file a notice of proposed
10 rulemaking:

11 (1) on the website of the commission or other
12 publicly accessible platform; and

13 (2) on the website of each member state
14 licensing board, other publicly accessible platform or the
15 publication in which each state would otherwise publish
16 proposed rules.

17 F. The notice of proposed rulemaking shall include:

18 (1) the proposed time, date and location of
19 the meeting in which the rule will be considered and voted
20 upon;

21 (2) the text of the proposed rule or amendment
22 and the reason for the proposed rule;

23 (3) a request for comments on the proposed
24 rule from any interested person; and

25 (4) the manner in which interested persons may

1 submit notice to the commission of their intention to attend
2 the public hearing and any written comments.

3 G. Prior to adoption of a proposed rule, the
4 commission shall allow persons to submit written data, facts,
5 opinions and arguments, which shall be made available to the
6 public.

7 H. The commission shall grant an opportunity for a
8 public hearing before it adopts a rule or amendment if a
9 hearing is requested by:

10 (1) at least twenty-five persons;

11 (2) a state or federal governmental
12 subdivision or agency; or

13 (3) an association having at least twenty-five
14 members.

15 I. If a hearing is held on the proposed rule or
16 amendment, the commission shall publish the place, time and
17 date of the scheduled public hearing. If the hearing is held
18 via electronic means, the commission shall publish the
19 mechanism for access to the electronic hearing to ensure the
20 following:

21 (1) all persons wishing to be heard at the
22 hearing shall notify the executive director of the commission
23 or other designated member in writing of their desire to appear
24 and testify at the hearing not less than five business days
25 before the scheduled date of the hearing;

.233399.2

1 (2) hearings shall be conducted in a manner
2 providing each person who wishes to comment a fair and
3 reasonable opportunity to comment orally or in writing;

4 (3) all hearings will be recorded, and a copy
5 of the recording will be made available on request; and

6 (4) nothing in this section shall be construed
7 as requiring a separate hearing on each rule, and rules may be
8 grouped for the convenience of the commission at hearings
9 required by this section.

10 J. Following the scheduled hearing date, or by the
11 close of business on the scheduled hearing date if the hearing
12 was not held, the commission shall consider all written and
13 oral comments received.

14 K. If no written notice of intent to attend the
15 public hearing by interested parties is received, the
16 commission may proceed with promulgation of the proposed rule
17 without a public hearing.

18 L. The commission shall, by majority vote of all
19 members, take final action on the proposed rule and shall
20 determine the effective date of the rule, if any, based on the
21 rulemaking record and the full text of the rule.

22 M. Upon determination that an emergency exists, the
23 commission may consider and adopt an emergency rule without
24 prior notice, opportunity for comment or hearing; provided that
25 the usual rulemaking procedures provided in the compact and in

1 this section shall be retroactively applied to the rule as soon
2 as reasonably possible and later than ninety days after the
3 effective date of the rule. For the purposes of this
4 provision, an emergency rule is one that must be adopted
5 immediately in order to:

6 (1) meet an imminent threat to public health,
7 safety or welfare;

8 (2) prevent a loss of commission or member
9 state funds;

10 (3) meet a deadline for the promulgation of an
11 administrative rule that is established by federal law or rule;
12 or

13 (4) protect public health and safety.

14 N. The commission or an authorized committee of the
15 commission may direct revisions to a previously adopted rule or
16 amendment for purposes of correcting typographical errors,
17 errors in format, errors in consistency or grammatical errors.
18 Public notice of any revisions shall be posted on the website
19 of the commission. The revision shall be subject to challenge
20 by any person for a period of thirty days after posting. The
21 revision may be challenged only on grounds that the revision
22 results in a material change to a rule. A challenge shall be
23 made in writing and delivered to the chair of the commission
24 prior to the end of the notice period. If no challenge is
25 made, the revision shall take effect without further action.

.233399.2

1 If the revision is challenged, the revision may not take effect
2 without the approval of the commission.

3 SECTION 11 -- COMPACT OVERSIGHT, DISPUTE RESOLUTION AND
4 ENFORCEMENT

5 A. Compact oversight shall be carried out as
6 follows:

7 (1) the executive, legislative and judicial
8 branches of state government in each member state shall enforce
9 this compact and take all necessary and appropriate actions
10 necessary to effectuate the compact's purposes and intent. The
11 provisions of this compact and the rules promulgated hereunder
12 shall have standing as statutory law;

13 (2) all courts shall take judicial notice of
14 the compact and the rules in any judicial or administrative
15 proceeding that may affect the powers, responsibilities or
16 actions of the commission in a member state pertaining to the
17 subject matter of this compact; and

18 (3) the commission shall be entitled to
19 receive service of process in such proceedings and shall have
20 standing to intervene in such a proceeding for all purposes.
21 Failure to provide service of process to the commission shall
22 render a judgment or order void as to the commission, this
23 compact or promulgated rules.

24 B. Default, technical assistance and member state
25 termination shall be managed as follows:

.233399.2

1 (1) if the commission determines that a member
2 state has defaulted in the performance of its obligations or
3 responsibilities under this compact or the promulgated rules,
4 the commission shall provide:

5 (a) written notice to the defaulting
6 member state and other member states of the nature of the
7 default, the proposed means of curing the default or any other
8 action to be taken by the commission; and

9 (b) remedial training and specific
10 technical assistance regarding the default.

11 C. If a member state is in default of the compact
12 and fails to cure the default, the defaulting member state may
13 be terminated from the compact upon an affirmative vote of a
14 majority of the member states, and all rights, privileges and
15 benefits conferred by this compact may be terminated on the
16 effective date of termination. A cure of the default does not
17 relieve the defaulting member state of obligations or
18 liabilities incurred during the period of default.

19 D. Termination of compact membership shall be
20 imposed only after all other means of securing compliance have
21 been exhausted. Notice of intent to suspend or terminate shall
22 be given by the commission to the governor, the majority and
23 minority leaders of the defaulting member state's legislature
24 and each of the member states.

25 E. A state that has been terminated from the

.233399.2

1 compact is responsible for all assessments, obligations and
2 liabilities incurred through the effective date of termination,
3 including obligations that extend beyond the effective date of
4 termination.

5 F. The commission shall not bear any costs related
6 to a state that is found to be in default or that has been
7 terminated from the compact, unless agreed upon in writing
8 between the commission and the defaulting state.

9 G. The defaulting state may appeal the action of
10 the commission by petitioning the United States district court
11 for the District of Columbia, federal or state courts of New
12 Mexico or, at the discretion of the commission, the federal
13 district where the commission has its principal offices. The
14 prevailing party shall be awarded all costs of such litigation,
15 including reasonable attorney fees.

16 H. Dispute resolution shall be conducted as
17 follows:

18 (1) upon request by a member state, the
19 commission shall attempt to resolve disputes related to the
20 compact that arise among member states and between member and
21 nonmember states; and

22 (2) the commission shall promulgate a rule
23 providing for both mediation and binding dispute resolution for
24 disputes as appropriate.

25 I. Enforcement shall be carried out as follows:

.233399.2

1 (1) the commission, in the reasonable exercise
2 of its discretion, shall enforce the provisions and rules of
3 this compact;

4 (2) by majority vote, the commission may
5 initiate legal action in the United States district court for
6 the District of Columbia, federal or state courts of New Mexico
7 or, at the discretion of the commission, the federal district
8 where the commission has its principal offices against a member
9 state in default to enforce compliance with the provisions of
10 the compact and its promulgated rules and bylaws. The relief
11 sought may include both injunctive relief and damages. In the
12 event judicial enforcement is necessary, the prevailing party
13 shall be awarded all costs of such litigation, including
14 reasonable attorney fees; and

15 (3) the remedies in this subsection shall not
16 be the exclusive remedies of the commission, and the commission
17 may pursue any other remedies available under federal or state
18 law.

19 SECTION 12 -- DATE OF IMPLEMENTATION OF THE COUNSELING COMPACT
20 COMMISSION AND ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT

21 A. The compact shall come into effect on the date
22 on which the compact statute is enacted into law by the tenth
23 member state. The provisions, which become effective at that
24 time, shall be limited to the powers granted to the commission
25 relating to assembly and the promulgation of rules.

.233399.2

1 Thereafter, the commission shall meet and exercise rulemaking
2 powers necessary for the implementation and administration of
3 the compact.

4 B. Any state that joins the compact subsequent to
5 the commission's initial adoption of the rules shall be subject
6 to the rules as they exist on the date on which the compact
7 becomes law in that state. Any rule that has been previously
8 adopted by the commission shall have the full force and effect
9 of law on the day the compact becomes law in that state.

10 C. To withdraw from this compact, a member state
11 shall enact a statute repealing this statute, and withdrawal:

12 (1) shall take effect six months after the
13 enactment of the repealing statute; and

14 (2) shall not affect the continuing
15 requirement of the withdrawing state's licensing board to
16 comply with the investigative and adverse action reporting
17 requirements of the compact prior to the effective date of
18 withdrawal.

19 D. Nothing contained in this compact shall be
20 construed to invalidate or prevent any professional counseling
21 licensure agreement or other cooperative arrangement between a
22 member state and a nonmember state that does not conflict with
23 the provisions of this compact.

24 E. This compact may be amended by the member
25 states. The amendment shall become effective and binding upon

1 a member state when it is enacted into the laws of all member
2 states.

3 SECTION 13 -- CONSTRUCTION AND SEVERABILITY

4 This compact shall be liberally construed to effectuate
5 its purposes. The provisions of this compact shall be
6 severable, and if any part of this compact is declared to be
7 contrary to the constitution of any member state or of the
8 United States or its applicability to any government, agency,
9 person or circumstance is held invalid, the validity of the
10 remainder of this compact and its applicability to any
11 government, agency, person or circumstance shall not be
12 affected. If this compact is held contrary to the constitution
13 of any member state, the compact shall remain in full force and
14 effect as to the remaining member states and in full force and
15 effect as to the member state affected as to all severable
16 matters.

17 SECTION 14 -- BINDING EFFECT OF COMPACT AND OTHER LAWS

18 A. A licensee providing professional counseling
19 services in a remote state under the privilege to practice
20 shall adhere to the laws and regulations, including scope of
21 practice, of the remote state.

22 B. Nothing in this compact prevents the enforcement
23 of any other law of a member state that is consistent with the
24 compact.

25 C. Any laws in a member state in conflict with the

.233399.2

1 compact are superseded to the extent of the conflict.

2 D. Any lawful actions of the commission, including
3 all rules and bylaws properly promulgated by the commission,
4 are binding upon the member states.

5 E. All permissible agreements between the
6 commission and the member states are binding in accordance with
7 their terms.

8 F. In the event any provision of the compact
9 exceeds the constitutional limits imposed on the legislature of
10 any member state, the provision shall be ineffective to the
11 extent of the conflict with the constitutional provision in
12 question in that member state.".

13 SECTION 2. Section 61-9A-10 NMSA 1978 (being Laws 1993,
14 Chapter 49, Section 10, as amended) is amended to read:

15 "61-9A-10. PROFESSIONAL MENTAL HEALTH COUNSELOR--
16 REQUIREMENTS FOR LICENSURE.--Effective July 1, 2007, the board
17 will no longer license professional mental health counselors.
18 Prior to the effective date, the board shall issue a license as
19 a professional mental health counselor to any person who files
20 a completed application accompanied by the required fees and
21 who submits satisfactory evidence that the applicant:

22 A. has reached the age of twenty-one;

23 B. holds a master's or doctoral degree in
24 counseling or a counseling-related field from an accredited
25 institution and has a total of no less than forty-eight

.233399.2

1 graduate semester hours or seventy-two quarter hours in the
 2 mental health clinical core curriculum; provided that an
 3 applicant who satisfies the educational requirements for
 4 licensure under this subsection shall not be qualified to
 5 exercise the privilege to practice under the Counseling Compact
 6 unless the master's or doctoral level educational program
 7 consists of at least sixty graduate semester hours or ninety
 8 quarter hours in the mental health clinical core curriculum;

9 C. demonstrates professional competency by passing
 10 the required examinations prescribed by the board;

11 D. has completed one thousand client contact hours
 12 of postgraduate professional counseling experience under
 13 appropriate clinical supervision consisting of at least one

17 **SECTION 3.** Section 61-9A-11 NMSA 1978 (being Laws 1993,
 18 Chapter 49, Section 11, as amended) is amended to read:

19 "61-9A-11. PROFESSIONAL CLINICAL MENTAL HEALTH
 20 COUNSELOR--REQUIREMENTS FOR LICENSURE.--The board shall issue a
 21 license as a professional clinical mental health counselor to a
