18 be expended only for the purposes of and to the extent provided
19 in the Medical Malpractice Act. All approved expenses of
20 collecting, protecting and administering the fund, including
21 purchasing insurance for the fund, shall be paid from the fund.

22 B. The superintendent shall contract for the

1 on the annual independent actuarial study of the fund. The
2 surcharge for hospitals and outpatient health care facilities
3 shall be no less than the actuary's recommended surcharges
4 based on an expected value basis to fully fund the current and
5 projected claims obligations of the hospitals and outpatient
6 health care facilities. A hospital or outpatient health care
7 facility seeking participation in the fund during the remaining
8 qualifying years shall provide, at a minimum, the hospital's or
9 outpatient health care facility's direct and indirect cost
10 information as reported to the federal centers for medicare and

23 the duties pursuant to this subsection.

24 E. The surcharge shall be collected on the same
25 basis as premiums by each insurer from the health care

.233835.3

1 provider. The surcharge shall be due and payable within thirty
2 days after the premiums for malpractice liability insurance
3 have been received by the insurer from the health care provider
4 in New Mexico. If the surcharge is collected but not paid
5 timely, the superintendent may suspend the certificate of
6 authority of the insurer until the annual premium surcharge is
7 paid.

8 F. Surcharges shall be set by October 31 of each
9 year for the next calendar year. Beginning in 2021, the

12 All qualified and participating hospitals and outpatient health
13 care facilities shall cure any fund deficit attributable to
14 hospitals and outpatient health care facilities by December 31,
15 2026.

16 G. If the fund would be exhausted by payment of all
17 claims allowed during a particular calendar year, then the
18 amounts paid to each patient and other parties obtaining
19 judgments shall be prorated, with each such party receiving an
20 amount equal to the percentage the party's own payment schedule
21 bears to the total of payment schedules outstanding and payable
22 by the fund. Any amounts due and unpaid as a result of such
23 proration shall be paid in the following calendar years.

24 H. Upon receipt of one of the proofs of
25 authenticity listed in this subsection, reflecting a judgment

1 for damages rendered pursuant to the Medical Malpractice Act,

8 a final judgment in excess of two hundred thousand dollars
9 (\$200,000) against a health care provider;
