D. Each voting member shall upon appointment take and subscribe to an oath or affirmation that the member will support the constitution of the United States and the constitution and laws of the state and that the member will faithfully and impartially discharge the duties of the member's position to the best of the member's abilities. Voting members are entitled to reimbursement for per diem and mileage in

1 accordance with the Per Diem and Mileage Act and shall receive
2 no other compensation, perquisite or allowance for service on
3 the commission. Per diem and mileage reimbursement for members
4 of the commission shall be paid from the fund. The commission
5 shall function until all timely claims made against the fund
6 are disposed.

7 E. A person alleging to have suffered from
8 childhood sexual abuse caused by an act or the negligence of a
9 public body or the public body's employee is eligible to submit
10 a claim against the fund if:

11 (1) the childhood sexual abuse occurred before
12 July 1, 2026;

13 (2) the person has not received any remedy for
14 the childhood sexual abuse pursuant to a civil judgment or
15 settlement; and

16 (3) as of July 1, 2026, the person is time
17 barred from commencing a civil action for personal injury
18 caused by the childhood sexual abuse.

19 F. A claimant who submits a claim against the fund
20 shall have the burden to prove by a preponderance of the
21 evidence that the claimant sustained personal injury from
22 childhood sexual abuse caused by an act or the negligence of a
23 public body or the public body's employee.

24 G. A claim against the fund shall be submitted to
25 the director on or before June 30, 2030. The director shall:

.233820.2

- 1 (1) begin accepting claims on July 1, 2027;
- 2 (2) determine the form and manner for claims
- 3 to be submitted;
- 4 (3) facilitate the commission's review of each
- 5 claim submitted; and
- 6 (4) provide staff for the commission.

7 H. The commission shall conduct a preliminary
8 review of a claim within ninety days from the date the claim is
9 submitted. If the commission reviews a claim and determines
10 that the claimant is eligible to file a claim and that the
11 claim establishes probable cause, the commission shall hold a
12 hearing on the claim. If the commission determines that the
13 claimant is not eligible to file a claim or that the claim does
14 not establish probable cause, the commission shall give notice
15 to the claimant of the basis for the commission's determination
16 and allow the claimant to provide additional information within
17 ninety days from the date of the notice. If the claimant fails
18 to provide additional information, the commission may issue an
19 order dismissing the claim.

20 I. A hearing on a claim shall be nonadversarial and
21 conducted pursuant to commission-adopted procedures that are
22 uniform and provide for the ascertainment of truth and a just
23 determination. The claimant may file a declaratory action in
24 district court against the commission for the sole purpose of
25 conducting discovery in preparation of the hearing. The

1 commission shall give the claimant one hundred twenty days'
2 notice of witnesses identified by the commission before the
3 hearing. The claimant shall have sixty days to add witnesses
4 and to object to any witnesses identified by the commission.
5 The commission shall not seek or consider any evidence
6 regarding the claimant's sexual behavior or the claimant's
7 sexual predisposition.

8 J. The hearing shall be attended by all necessary
9 witnesses who are available and who are not objected to by the
10 claimant. The commission shall, upon request, make
11 accommodations to prevent the claimant's mental anguish. The
12 claimant shall have the right to pick the order of witnesses
13 and to question witnesses. If applicable, the claimant's
14 attorney or non-attorney advocate may attend and participate in
15 the hearing by giving an opening statement, questioning
16 witnesses and giving a closing statement. A hearing shall be
17 completed within three hundred sixty-five days from the date
18 the claim is filed; provided that this time may be extended by
19 the commission with the claimant's consent. Within ninety days
20 after a hearing is completed, the commission shall issue an
21 order with written findings of fact and conclusions as to
22 whether the claimant met the burden of proof for the claim.

23 K. If a claimant meets the burden of proof for a
24 claim, the commission shall determine the compensation to which
25 the claimant is entitled and issue an order for compensation

.233820.2

1 from the fund. The maximum compensation payable to a claimant
2 is seven hundred thousand dollars (\$700,000). In determining
3 the compensation for a claimant, the commission shall consider
4 and make written findings as part of the commission's order as
5 to the following factors:

6 (1) the nature and severity of the childhood
7 sexual abuse;

8 (2) the claimant's pain and suffering as well
9 as the psychological impact of the abuse on the claimant;

10 (3) the economic and social impact of the
11 abuse on the claimant;

12 (4) the circumstances of the abuse and the
13 response of the public body;

14 (5) the nature of the evidence presented; and

15 (6) any other factor relevant to the
16 commission's determination.

17 L. A claimant aggrieved by any order of the
18 commission may appeal the order by requesting a bench trial in
19 the district court of the county where the sexual abuse
20 occurred by filing a notice of appeal in that district court
21 within ninety days from the date the claimant receives the
22 commission's order. The district court shall have exclusive
23 jurisdiction over the appeal and shall not give deference to
24 the commission's findings. A judgment of the district court is
25 final and subject to further appeal to the court of appeals.

1 M. A claimant's acceptance of compensation from the
2 fund constitutes a waiver of any civil claim the claimant may
3 have against any public body arising from the childhood sexual
4 abuse that gave rise to the claim. Nothing in this section
5 shall be construed to waive, limit or impair civil or criminal
6 claims against a private person that arise from the childhood
7 sexual abuse that gave rise to the claim.

8 N. In addition to determining compensation, the
9 commission may determine a corrective action plan for a public
10 body found to be responsible for child sexual abuse. The
11 administrative head of the public body has the discretion to
12 accept the terms of the corrective action plan. If the
13 administrative head of the public body does not accept the
14 terms of a corrective action plan, the commission shall publish
15 the corrective action plan in a newspaper of general
16 circulation that includes notice that the plan was proposed by
17 the commission pursuant to this section and that the
18 administrative head of the public body refused to accept the
19 terms of the plan.

20 O. The commission shall elect a chair no later than
21 thirty days from the date all members are appointed. Once the
22 commission is appointed, the commission is vested with all
23 powers necessary to conduct hearings, including the powers to
24 compel the attendance of witnesses, administer oaths and issue
25 subpoenas. Process for the commission shall be issued by the

.233820.2

1 chair upon majority vote of all voting members, and the process
2 shall be enforced in any court with jurisdiction over the
3 process in accordance with the applicable rules for the court.
4 Witnesses compelled to attend a hearing are entitled to
5 reimbursement for per diem and mileage at the rate specified
6 for nonsalaried public officers in accordance with the Per Diem
7 and Mileage Act. Per diem and mileage reimbursement for a
8 witness compelled to attend a hearing by the commission shall
9 be paid from the fund.

10 P. The record of a claim, a hearing or compensation
11 paid from the fund is a public record; provided that the names
12 and identifying information of persons in the record, including
13 the claimant, shall be confidential; and provided further that
14 the name of the administrative head of a public body shall be
15 published in accordance with Subsection N of this section.

16 Q. At the advice of the attorney general or the
17 attorney general's designee, the commission shall refer
18 suspected crimes to the district attorney of the relevant
19 judicial district.

20 R. The commission shall provide an annual report to
21 the governor and the legislature each year the commission
22 functions. The report shall include information about the
23 number of claims submitted, reviewed and disposed, the manner
24 of the dispositions, the amount of compensation paid and the
25 number of corrective action plans proposed, accepted and

1 rejected.

5 fiscal year 2027 and subsequent fiscal years for the purposes
6 of the fund. Any unexpended balance remaining at the end of a
7 fiscal year shall not revert to the general fund.

8 **SECTION 4. EFFECTIVE DATE.**--The effective date of the
9 provisions of this act is July 1, 2026.
