10 social worker's multistate authorization to practice in the
11 remote state for a specific period of time, impose fines and

13 safety of its citizens.

14 G. If a multistate license is encumbered, the
15 regulated social worker's multistate authorization to
16 practice shall be deactivated in all remote states until the

18 H. If a multistate authorization to practice is
19 encumbered in a remote state, the regulated social worker's
20 multistate authorization to practice may be deactivated in
21 that state until the multistate authorization to practice is
22 no longer encumbered.

23 **SECTION 5. ISSUANCE OF A MULTISTATE LICENSE.--**

24 A. Upon receipt of an application for a multistate
25 license, the home state licensing authority shall determine

1 an applicant's eligibility for a multistate license in
2 accordance with Section 4 of the Social Work Licensure
3 Interstate Compact.

4 B. If an applicant is eligible for a multistate
5 license, the home state licensing authority shall issue a
6 multistate license that authorizes the applicant to practice
7 in all member states under a multistate authorization to
8 practice.

9 C. Upon issuance of a multistate license, the home
10 state licensing authority shall designate whether the
11 regulated social worker holds a multistate license in the
12 bachelor's, master's or clinical category of social work.

13 D. A multistate license issued by a home state to
14 a resident in that state shall be recognized by all member
15 states as authorizing social work practice under a multistate
16 authorization to practice corresponding to each category of
17 licensure regulated in each member state.

18 **SECTION 6. AUTHORITY OF COMPACT COMMISSION AND MEMBER**
19 **STATE LICENSING AUTHORITIES.--**

20 A. Nothing in the Social Work Licensure Interstate
21 Compact, nor any rule of the commission, shall be construed
22 to limit, restrict or in any way reduce the ability of a
23 member state to enact and enforce laws, regulations or other
24 rules related to the practice of social work in that state,
25 where those laws, regulations or other rules are not

1 inconsistent with the provisions of the Social Work Licensure
2 Interstate Compact.

3 B. Nothing in the Social Work Licensure Interstate
4 Compact shall affect the requirements established by a member
5 state for the issuance of a single state license.

6 C. Nothing in the Social Work Licensure Interstate
7 Compact, nor any rule of the commission, shall be construed
8 to limit, restrict or in any way reduce the ability of a
9 member state to take adverse action against a licensee's
10 single state license to practice social work in that state.

11 D. Nothing in the Social Work Licensure Interstate
12 Compact, nor any rule of the commission, shall be construed
13 to limit, restrict or in any way reduce the ability of a
14 remote state to take adverse action against a licensee's
15 multistate authorization to practice in that state.

16 E. Nothing in the Social Work Licensure Interstate
17 Compact, nor any rule of the commission, shall be construed
18 to limit, restrict or in any way reduce the ability of a
19 licensee's home state to take adverse action against a
20 licensee's multistate license based upon information provided
21 by a remote state.

22 SECTION 7. REISSUANCE OF A MULTISTATE LICENSE BY A NEW
23 HOME STATE.--

24 A. A licensee can hold a multistate license issued
25 by the licensee's home state in only one member state at any

1 given time.

2 B. If a licensee changes the licensee's home state
3 by moving between two member states:

4 (1) the licensee shall immediately apply for
5 the reissuance of the licensee's multistate license in the
6 licensee's new home state. The licensee shall pay all
7 applicable fees and notify the prior home state in accordance
8 with the rules of the commission;

9 (2) upon receipt of an application to
10 reissue a multistate license, the new home state shall verify
11 that the multistate license is active, unencumbered and
12 eligible for reissuance under the terms of the compact and
13 the rules of the commission. The multistate license issued
14 by the prior home state shall be deactivated, and all member
15 states shall be notified in accordance with the applicable
16 rules adopted by the commission;

17 (3) prior to the reissuance of the
18 multistate license, the new home state shall conduct
19 procedures for considering the criminal history records of
20 the licensee. The procedures shall include the submission of
21 fingerprints or other biometric-based information by
22 applicants for the purpose of obtaining an applicant's
23 criminal history record information from the federal bureau
24 of investigation and the agency responsible for retaining
25 that state's criminal records;

1 (4) if required for initial licensure, the
2 new home state may require completion of jurisprudence
3 requirements in the new home state; and

4 (5) notwithstanding any other provision of
5 this compact, if a licensee does not meet the requirements
6 set forth in this compact for the reissuance of a multistate
7 license by the new home state, the licensee shall be subject
8 to the new home state requirements for the issuance of a
9 single state license in that state.

10 C. If a licensee changes the licensee's primary
11 state of residence by moving from a member state to a non-
12 member state, or from a non-member state to a member state,
13 then the licensee shall be subject to the state requirements
14 for the issuance of a single state license in the new home
15 state.

16 D. Nothing in the Social Work Licensure Interstate
17 Compact shall interfere with a licensee's ability to hold a
18 single state license in multiple states; provided that, for
19 the purposes of the Social Work Licensure Interstate Compact,
20 a licensee shall have only one home state and only one
21 multistate license.

22 E. Nothing in the Social Work Licensure Interstate
23 Compact shall interfere with the requirements established by
24 a member state for the issuance of a single state license.

25 **SECTION 8. MILITARY FAMILIES.--**An active military

1 member or the spouse of an active military member shall
2 designate a home state where the individual has a multistate
3 license. The active military member or the spouse of an
4 active military member may retain the home state designation
5 during the period the service member is on active duty.

6 SECTION 9. ADVERSE ACTIONS.--

7 A. In addition to the powers conferred by state
8 law, a remote state shall have the authority, in accordance
9 with state due process law, to take adverse action against a
10 regulated social worker's multistate authorization to
11 practice only within the member state and issue subpoenas for
12 both hearings and investigations that require the attendance
13 and testimony of witnesses as well as the production of
14 evidence. Subpoenas issued by a licensing authority in a
15 member state for the attendance and testimony of witnesses or
16 the production of evidence from another member state shall be
17 enforced in the latter state by any court of competent
18 jurisdiction, according to the practice and procedure of that
19 court applicable to subpoenas issued in proceedings pending
20 before it, but only to the extent that both states agree to
21 and are participating in a joint investigation pursuant to
22 the Social Work Licensure Interstate Compact. The issuing
23 licensing authority shall pay any witness fees, travel
24 expenses, mileage and other fees required by the service
25 statutes of the state in which the witnesses or evidence are

1 located. Only the home state shall have the power to take
2 adverse action against a regulated social worker's multistate
3 license.

4 B. For purposes of taking adverse action, the home
5 state shall give the same priority and effect to reported
6 conduct received from a member state as it would if the
7 conduct had occurred within the home state. The home state
8 shall apply its own state laws to determine the appropriate
9 action.

10 C. The home state shall complete any pending
11 investigations of a regulated social worker who changes the
12 regulated social worker's home state during the course of the
13 investigations. The home state shall also have the authority
14 to take appropriate action and shall promptly report the
15 conclusions of the investigations to the administrator of the
16 data system. The administrator of the data system shall
17 promptly notify the new home state of any adverse actions.

18 D. A member state, if otherwise permitted by state
19 law, may recover from the affected regulated social worker
20 the costs of investigation and dispositions of cases
21 resulting from any adverse action taken against that
22 regulated social worker.

23 E. A member state may take adverse action based on
24 the factual findings of another member state; provided that
25 the member state follows its own procedures for taking the

1 adverse action.

2 F. In addition to the authority granted to a
3 member state by the member state's respective social work
4 practice act or other applicable state law, any member state
5 may participate with other member states in joint
6 investigation of licensees. Member states shall share any
7 investigative, litigation or compliance materials in
8 furtherance of any joint or individual investigation
9 initiated under this compact.

10 G. If adverse action is taken by the home state
11 against the multistate license of a regulated social worker,
12 the regulated social worker's multistate authorization to
13 practice in all other member states shall be deactivated
14 until all encumbrances have been removed from the multistate
15 license. All home state disciplinary orders that impose
16 adverse action against the license of a regulated social
17 worker shall include a statement that the regulated social
18 worker's multistate authorization to practice is deactivated
19 in all member states until all conditions of the decision,
20 order or agreement are satisfied.

21 H. If a member state takes adverse action, it
22 shall promptly notify the administrator of the data system.
23 The administrator of the data system shall promptly notify
24 the home state and all other member states of any adverse
25 actions by remote states.

1 I. Nothing in the Social Work Licensure Interstate
2 Compact shall override a member state's decision that
3 participation in an alternative program may be used in lieu
4 of adverse action.

5 J. Nothing in the Social Work Licensure Interstate
6 Compact shall authorize a member state to demand the issuance
7 of subpoenas for attendance and testimony of witnesses or the
8 production of evidence from another member state for lawful
9 actions within that member state.

10 K. Nothing in the Social Work Licensure Interstate
11 Compact shall authorize a member state to impose discipline
12 against a regulated social worker who holds a multistate
13 authorization to practice for lawful actions within another
14 member state.

15 SECTION 10. ESTABLISHMENT OF SOCIAL WORK LICENSURE

22 vote on all matters before the commission requiring a vote by
23 commission delegates;

24 (6) a delegate shall vote in person or by
25 other means as provided by the commission's bylaws. The

2 video conference or other means of communication; and

3 (7) the commission shall meet at least once
4 during each calendar year. Additional meetings may be held
5 as set forth in the commission's bylaws. The commission may
6 meet by telecommunication, video conference or other similar
7 electronic means.

8 C. The commission shall have the power to:

9 (1) establish the fiscal year of the
10 commission;

11 (2) establish a code of conduct and conflict
12 of interest policies;

13 (3) establish and amend rules and bylaws;

14 (4) maintain the commission's financial
15 records in accordance with the bylaws;

16 (5) meet and take actions that are
17 consistent with the provisions of this compact, the
18 commission's rules and the bylaws;

20 or actions in the name of the commission; provided that the
21 standing of any state licensing board to sue or be sued under
22 applicable law shall not be affected;

4 (9) borrow, accept or contract for services
5 of personnel, including employees of a member state;

6 (10) conduct an annual financial review;

7 (11) hire employees, elect or appoint
8 officers, fix compensation, define duties, grant persons
9 appropriate authority to carry out the purposes of this
10 compact and establish the commission's personnel policies and
11 programs relating to conflicts of interest, qualification of
12 personnel and other related personnel matters;

15 language such that the state would not qualify for
16 participation in the compact; and
17 (22) perform other functions as may be
18 necessary or appropriate to achieve the purposes of this
19 compact.

20 D. The executive committee established by the
21 commission shall:

22 (1) have the power to act on behalf of the
23 commission according to the terms of this compact. The
24 powers, duties and responsibilities of the executive
25 committee shall include:

20 (h) exercising the powers and duties of
21 the commission during the interim between commission
22 meetings, except for adopting or amending rules, adopting or

7 (b) the commission shall elect five

3 E. The commission shall adopt and provide an
4 annual report to the member states.

5 F. All meetings of the commission shall be open to
6 the public, except that the commission may meet in a closed,
7 nonpublic meeting as provided in Subsection G of this
8 section. The commission:

9 (1) shall provide public notice for all
10 meetings in the same manner as required for notice of
11 rulemaking under the provisions of Section 12 of the Social
12 Work Licensure Interstate Compact, except that the commission
13 may hold a special meeting as provided in Paragraph (2) of
14 this subsection; and

15 (2) may hold a special meeting when it must
16 meet to conduct emergency business by giving forty-eight
17 hours' notice to all commissioners on the commission's
18 website and by other means as provided in the commission's
19 rules. The commission's legal counsel shall certify that the
20 commission's need to meet qualifies as an emergency.

21 G. The commission, executive committee or other
22 committees of the commission may convene in a closed,
23 nonpublic meeting for the commission, executive committee or
24 other committee of the commission to receive legal advice or
25 to discuss:

1 (1) noncompliance of a member state with its
2 obligations under the compact;

3 (2) the employment, compensation, discipline
4 or other matters, practices or procedures related to specific

17 (8) investigative records compiled for law
18 enforcement purposes;

19 (9) information related to any investigative
20 reports prepared by or on behalf of or for use of the
21 commission or other committee charged with responsibility of
22 investigation or determination of compliance issues pursuant
23 to this compact;

24 (10) matters specifically exempted from
25 disclosure by federal or member state law; or

1 (11) other matters as promulgated by the
2 commission by rule.

3 H. If a meeting or portion of a meeting is closed,
4 the presiding officer shall state that the meeting will be
5 closed and reference each relevant exempting provision, and
6 the reference shall be recorded in the minutes.

7 I. The commission shall keep minutes that fully
8 and clearly describe all matters discussed in a meeting and
9 shall provide a full and accurate summary of actions taken
10 and the reasons for taking the actions, including a
11 description of the views expressed. All documents considered
12 in connection with an action shall be identified in the
13 minutes. All minutes and documents of a closed meeting shall
14 remain under seal, subject to release only by a majority vote
15 of the commission or order of a court of competent
16 jurisdiction.

17 J. With respect to financing, the commission:

18 (1) shall pay or provide for the payment of
19 the reasonable expenses of its establishment, organization
20 and ongoing activities;

21 (2) may accept any and all appropriate
22 revenue sources as provided in Paragraph (13) of Subsection C
23 of this section;

24 (3) may levy on and collect an annual
25 assessment from each member state and impose fees on

1 licensees of member states to whom it grants a multistate
2 license to cover the cost of the operations and activities of
3 the commission and its staff, which shall be in a total
4 amount sufficient to cover the commission's annual budget for
5 which revenue is not provided by other sources. The
6 aggregate annual assessment amount for member states shall be
7 allocated based upon a formula that the commission shall
8 promulgate by rule;

9 (4) shall not incur obligations of any kind
10 prior to securing the funds adequate to meet the obligations;
11 nor shall the commission pledge the credit of any of the
12 member states, except by and with the authority of the member
13 state; and

14 (5) shall keep accurate accounts of all
15 receipts and disbursements. The receipts and disbursements
16 of the commission shall be subject to the financial review
17 and accounting procedures established under the commission's
18 bylaws. All receipts and disbursements of funds shall be
19 subject to an annual financial review by a certified or
20 licensed public accountant, and the report of the financial
21 review shall be included in and become part of the annual
22 report of the commission.

23 K. With respect to defense and indemnification:

24 (1) the commission shall defend any member,
25 officer, executive director, employee and representative of

1 the commission in any civil action seeking to impose
2 liability arising out of any actual or alleged act, error or
3 omission that occurred within the scope of commission
4 employment, duties or responsibilities, or as determined by
5 the commission that the person against whom the claim is made
6 had a reasonable basis for believing occurred within the
7 scope of commission employment, duties or responsibilities;
8 provided that nothing herein shall be construed to prohibit
9 that person from retaining that person's own counsel at that
10 person's own expense; and provided further that the actual or
11 alleged act, error or omission did not result from that
12 person's intentional or willful or wanton misconduct;

13 (2) the commission shall indemnify and hold
14 harmless any member, officer, executive director, employee
15 and representative of the commission for the amount of any
16 settlement or judgment obtained against that person arising
17 out of any actual or alleged act, error or omission that
18 occurred within the scope of commission employment, duties or
19 responsibilities, or that such person had a reasonable basis
20 for believing occurred within the scope of commission
21 employment, duties or responsibilities; provided that the
22 actual or alleged act, error or omission did not result from
23 the intentional or willful or wanton misconduct of that
24 person;

25 (3) nothing in this compact shall be

1 construed as a limitation on the liability of any licensee
2 for professional malpractice or misconduct, which shall be
3 governed solely by any other applicable state laws;

4 (4) nothing in this compact shall be
5 interpreted to waive or otherwise abrogate a member state's
6 state action immunity or state action affirmative defense
7 with respect to antitrust claims under the federal Sherman
8 Act, the federal Clayton Act or any other state or federal
9 antitrust or anticompetitive law or regulation; and

10 (5) nothing in this compact shall be
11 construed to be a waiver of sovereign immunity by the member
12 states or by the commission.

13 **SECTION 11. DATA SYSTEM.--**

14 A. The commission shall provide for the
15 development, maintenance, operation and utilization of a
16 coordinated data system.

17 B. The commission shall assign each applicant for
18 a multistate license a unique identifier, as determined by
19 the rules of the commission.

20 C. Notwithstanding any other provision of state
21 law to the contrary, a member state shall submit a uniform
22 data set to the data system on all persons to whom this
23 compact is applicable as required by the rules of the
24 commission, including:

25 (1) identifying information;

- 1 (2) licensure data;
- 2 (3) adverse actions against a license and
- 3 information related to the adverse actions;
- 4 (4) non-confidential information related to
- 5 alternative program participation, the beginning and ending
- 6 dates of the alternative program participation and other
- 7 information related to alternative program participation not
- 8 made confidential under member state law;
- 9 (5) any denial of application for licensure
- 10 and the reasons for the denial;
- 11 (6) the presence of current significant
- 12 investigative information; and
- 13 (7) other information that may facilitate
- 14 the administration of this compact or the protection of the
- 15 public, as determined by the rules of the commission.

16 D. The records and information provided to a
17 member state pursuant to this compact or through the data
18 system, when certified by the commission or an agent thereof,
19 shall constitute the authenticated business records of the
20 commission.

21 E. Current significant investigative information
22 pertaining to a licensee in any member state will only be
23 available to other member states. It is the responsibility
24 of the member states to report any adverse action against a
25 licensee and to monitor the database to determine whether

1 adverse action has been taken against a licensee. Adverse
2 action information pertaining to a licensee in any member
3 state will be available to any other member state.

4 F. Member states contributing information to the
5 data system may designate information that may not be shared
6 with the public without the express permission of the
7 contributing state.

8 G. Any information submitted to the data system
9 that is subsequently expunged pursuant to federal law or the
10 laws of the member state contributing the information shall
11 be removed from the data system.

12 SECTION 12. RULEMAKING.--

13 A. The commission shall promulgate reasonable
14 rules in order to effectively and efficiently implement and
15 administer the purposes and provisions of this compact. A
16 rule shall be invalid and have no force or effect only if a
17 court of competent jurisdiction holds that the rule is
18 invalid because the commission exercised its rulemaking
19 authority in a manner that is beyond the scope and purposes
20 of this compact, or the powers granted hereunder, or based
21 upon another applicable standard of review.

22 B. Where the rules of the commission conflict with
23 the laws of the member state that establish the member
24 state's laws, regulations and applicable standards that
25 govern the practice of social work as held by a court of

1 competent jurisdiction, the rules of the commission shall be
2 ineffective in that state to the extent of the conflict.

3 C. The commission shall exercise its rulemaking
4 powers pursuant to the criteria set forth in this section and
5 the rules adopted thereunder. Rules shall become binding on
6 the day following adoption or the date specified in the rule
7 or amendment, whichever is later.

8 D. If a majority of the legislatures of member
9 states rejects a rule or portion of a rule by enactment of a
10 statute or resolution in the same manner used to adopt this
11 compact within four years of the date of adoption of the
12 rule, then the rule shall have no further force or effect in
13 any member state.

14 E. Rules shall be adopted at a regular or special
15 meeting of the commission.

16 F. Prior to adoption of a proposed rule, the
17 commission shall hold a public hearing and allow persons to
18 provide oral and written comments, data, facts, opinions and
19 arguments.

20 G. Prior to adoption of a proposed rule, and at
21 least thirty days in advance of the meeting at which the
22 commission will hold a public hearing on the proposed rule,
23 the commission shall provide a notice of proposed rulemaking:

24 (1) on the commission's website or on
25 another publicly accessible platform;

1 (2) to persons who have requested notice of
2 the commission's notices of proposed rulemaking; and

3 (3) in any other ways that the commission
4 may specify by rule.

5 H. The notice of proposed rulemaking shall
6 include:

7 (1) the time, date and location of the
8 public hearing at which the commission will hear public
9 comments on the proposed rule and, if different, the time,
10 date and location of the meeting where the commission will
11 consider and vote on the proposed rule;

12 (2) if the hearing is held via
13 telecommunication, video conference or other electronic
14 means, the commission shall include the mechanism for access
15 to the hearing in the notice of proposed rulemaking;

16 (3) the text of the proposed rule and the
17 reason therefor;

18 (4) a request for comments on the proposed
19 rule from any interested person; and

20 (5) the manner in which interested persons
21 may submit written comments.

22 I. All hearings shall be recorded. A copy of the
23 recording and all written comments and documents received by
24 the commission in response to the proposed rule shall be
25 available to the public.

1 J. Nothing in this section shall be construed as
2 requiring a separate hearing on each rule. Rules may be
3 grouped for the convenience of the commission at hearings
4 required by this section.

5 K. The commission shall, by majority vote of all
6 members, take final action on a proposed rule based on the
7 rulemaking record and the full text of the rule. The
8 commission:

9 (1) may adopt changes to the proposed rule;
10 provided that the changes do not enlarge the original purpose
11 of the proposed rule;

12 (2) shall provide an explanation of the
13 reasons for substantive changes made to the proposed rule as
14 well as reasons for substantive changes not made that were
15 recommended by commenters; and

16 (3) shall determine a reasonable effective
17 date for the rule. Except for an emergency as provided in
18 Subsection L of this section, the effective date of the rule
19 shall be no sooner than thirty days after issuing the notice
20 that the commission adopted or amended the rule.

21 L. Upon determination that an emergency exists,
22 the commission may consider and adopt an emergency rule with
23 forty-eight-hours' notice, with opportunity to comment;
24 provided that the usual rulemaking procedures provided in
25 this compact and in this section shall be retroactively

1 applied to the rule as soon as reasonably possible, in no
2 event later than ninety days after the effective date of the
3 rule. For the purposes of this provision, an emergency rule
4 is one that must be adopted immediately in order to:

5 (1) meet an imminent threat to public
6 health, safety or welfare;

7 (2) prevent a loss of commission or member
8 state funds;

9 (3) meet a deadline for the promulgation of
10 a rule that is established by federal law or rule; or

11 (4) protect public health and safety.

12 M. The commission or an authorized committee of
13 the commission may direct revisions to a previously adopted
14 rule for purposes of correcting typographical errors, errors
15 in format, errors in consistency or grammatical errors.
16 Public notice of any revisions shall be posted on the
17 commission's website. The revision shall be subject to
18 challenge by any person for a period of thirty days after
19 posting. The revision may be challenged only on grounds that
20 the revision results in a material change to a rule. A
21 challenge shall be made in writing and delivered to the
22 commission prior to the end of the notice period. If no
23 challenge is made, the revision shall take effect without
24 further action. If the revision is challenged, the revision
25 shall not take effect without the approval of the commission.

1 N. No member state's rulemaking requirements shall
2 apply under this compact.

3 **SECTION 13. OVERSIGHT, DISPUTE RESOLUTION AND**
4 **ENFORCEMENT.--**

5 A. The executive and judicial branches of state
6 government in each member state shall enforce this compact
7 and take all actions necessary and appropriate to implement
8 the compact.

9 B. Except as to judicial proceedings for the
10 enforcement of this compact among member states, individuals
11 may pursue judicial proceedings related to this compact in
12 any state or federal court in this state that would otherwise
13 have competent jurisdiction. The commission may waive venue
14 and jurisdictional defenses to the extent that it adopts or
15 consents to participate in an alternative dispute resolution
16 proceeding. Nothing in this section shall affect or limit
17 the selection or propriety of venue in any action against a
18 licensee for professional malpractice, misconduct or any
19 similar matter.

20 C. The commission shall be entitled to receive
21 service of process in any proceeding regarding the
22 enforcement or interpretation of the compact and shall have
23 standing to intervene in the proceeding for all purposes.
24 Failure to provide the commission service of process shall
25 render a judgment or order void as to the commission, this

compact or promulgated rules.

D. If the commission determines that a member state has defaulted in the performance of its obligation or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default and any other action that the commission may take and shall offer training and specific technical assistance regarding the default. The commission shall provide a copy of the notice of default to the other member states.

E. If a member state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

F. Termination of membership in this compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority floor leaders of the defaulting

1 state's legislature, the defaulting state's licensing
2 authority and each of the member states' licensing authority.

3 G. A state that has been terminated is responsible
4 for all assessments, obligations and liabilities incurred
5 through the effective date of termination, including
6 obligations that extend beyond the effective date of the
7 termination.

8 H. Upon the termination of a state's membership
9 from this compact, that state shall immediately provide
10 notice to all licensees within that state of the termination.
11 The terminated state shall continue to recognize all licenses
12 granted pursuant to this compact for a minimum of six months
13 after the date of termination.

14 I. The commission shall not bear any costs related
15 to a state that is found to be in default or that has been
16 terminated from the compact, unless agreed upon in writing
17 between the commission and the defaulting state.

18 J. A defaulting member state may appeal an action
19 of the commission by petitioning the United States district
20 court for the District of Columbia or the federal district
21 where the commission has its principal offices or state or
22 federal court of New Mexico.

23 K. Upon request by a member state, the commission
24 shall attempt to resolve disputes related to the compact that
25 arise among member states and between member and non-member

1 states. The commission shall promulgate a rule providing for
2 both mediation and binding dispute resolution for disputes as
3 appropriate.

4 L. By majority vote as provided by rule, the
5 commission may initiate legal action against a member state
6 in default in the United States district court for the
7 District of Columbia or the federal district where the
8 commission has its principal offices to enforce compliance
9 with the provisions of this compact and the commission's
10 promulgated rules. The relief sought may include both
11 injunctive relief and damages. The remedies herein shall not
12 be the exclusive remedies of the commission. The commission
13 may pursue any other remedies available under federal or the
14 defaulting member state's law.

15 M. A member state may initiate legal action
16 against the commission in the United States district court
17 for the District of Columbia or the federal district where
18 the commission has its principal offices or a state or
19 federal court of New Mexico to enforce compliance with the
20 provisions of this compact and the commission's promulgated
21 rules. The relief sought may include both injunctive relief
22 and damages.

23 N. No entity other than a member state shall
24 enforce this compact against the commission.

25 SECTION 14. EFFECTIVE DATE, WITHDRAWAL AND AMENDMENT.--

1 A. This compact shall come into effect on the date
2 on which the compact statute is enacted into law in the
3 seventh member state.

4 B. On or after the effective date of this compact,
5 the commission shall convene and review the enactment of each
6 of the first seven member states to determine if the statute
7 enacted by each charter member state is materially different
8 than the model compact statute.

9 C. A charter member state whose enactment is found
10 to be materially different from the model compact statute
11 shall be entitled to the default process set forth in Section
12 14 of the Social Work Licensure Interstate Compact. If a
13 member state is later found to be in default, or is
14 terminated or withdraws from the compact, the commission
15 shall remain in existence, and the compact shall remain in
16 effect even if the number of member states is less than
17 seven.

18 D. Member states enacting this compact subsequent
19 to the seven initial charter member states shall be subject
20 to the process set forth in Paragraph (21) of Subsection C of
21 Section 10 of the Social Work Licensure Interstate Compact to
22 determine if the enactments are materially different from the
23 model compact statute and whether the states qualify for
24 participation in this compact.

25 E. All action taken for the benefit of the

1 commission or in furtherance of the purposes of the
2 administration of the compact prior to the effective date of
3 the compact or the commission coming into existence shall be
4 considered to be actions of the commission unless
5 specifically repudiated by the commission.

6 F. Any state that joins the compact subsequent to
7 the commission's initial adoption of the rules and bylaws
8 shall be subject to the rules and bylaws as they exist on the
9 date on which the compact becomes law in that state. Any
10 rule that has been previously adopted by the commission shall
11 have the full force and effect of law on the day the compact
12 becomes law in that state.

13 G. Any member state may withdraw from this compact
14 by enacting a statute repealing the compact statute. A
15 member state's withdrawal shall not take effect until one
16 hundred eighty days after enactment of the repealing statute.

17 H. Withdrawal shall not affect the continuing
18 requirement of the withdrawing state's licensing authority to
19 comply with the investigative and adverse action reporting
20 requirements of this compact prior to the effective date of
21 withdrawal.

22 I. Upon the enactment of a statute withdrawing
23 from this compact, a state shall immediately provide notice
24 of the withdrawal to all licensees with that state.

25 Notwithstanding any subsequent statutory enactment to the

1 contrary, the withdrawing state shall continue to recognize
2 all licenses granted pursuant to this compact for a minimum
3 of one hundred eighty days after the date of the notice of
4 withdrawal.

5 J. Nothing contained in this compact shall be
6 construed to invalidate or prevent any licensure agreement or
7 other cooperative arrangement between a member state and a
8 non-member state that does not conflict with the provisions
9 of this compact.

10 K. This compact may be amended by the member
11 states. No amendment to this compact shall become effective
12 and binding upon any member state until it is enacted into
13 the laws of all member states.

14 **SECTION 15. CONSTRUCTION AND SEVERABILITY.--**

15 A. This compact and the commission's rulemaking
16 authority shall be liberally construed so as to effectuate
17 the purposes, implementation and administration of this
18 compact. Provisions of this compact expressly authorizing or
19 requiring the promulgation of rules shall not be construed to
20 limit the commission's rulemaking authority solely for those
21 purposes.

22 B. The provisions of this compact shall be
23 severable, and if any phrase, clause, sentence or provision
24 of this compact is held by a court of competent jurisdiction
25 to be contrary to the constitution of any member state, a

1 state seeking participation in the compact or the United
2 States, or the applicability thereof to any government,
3 agency, person or circumstance is held to be unconstitutional
4 by a court of competent jurisdiction, the validity of the
5 remainder of this compact and the applicability thereof to
6 any other government, agency, person or circumstance shall
7 not be affected.

8 C. Notwithstanding Subsection B of this section,
9 the commission may deny a state's participation in the
10 compact or, in accordance with the requirements of Section 13
11 of the Social Work Licensure Interstate Compact, terminate a
12 member state's participation in the compact if the commission
13 determines that a constitutional requirement of a member
14 state is a material departure from the compact. Otherwise,
15 if this compact shall be held to be contrary to the
16 constitution of any member state, the compact shall remain in
17 full force and effect as to the remaining member states and
18 in full force and effect as to the member state affected as
19 to all severable matters.

20 SECTION 16. CONSISTENT EFFECT AND CONFLICT WITH OTHER
21 STATE LAWS.--

22 A. A licensee providing services in a remote state
23 under a multistate authorization to practice shall adhere to
24 the laws and regulations, including laws, regulations and
25 applicable standards, of the remote state where a client is

1 located at the time care is rendered.

2 B. Nothing in the Social Work Licensure Interstate
3 Compact shall prevent or inhibit the enforcement of any other
4 law of a member state that is not inconsistent with the
5 compact.

6 C. Any laws, statutes, regulation or other legal
7 requirements in a member state in conflict with the compact
8 are superseded to the extent of the conflict.

9 D. All permissible agreements between the
10 commission and the member states are binding in accordance

12 SECTION 17. Section 61-31-6 NMSA 1978 (being Laws 1989,
13 Chapter 51, Section 6, as amended) is amended to read:

14 "61-31-6. SCOPE OF PRACTICE.--

15 A. For the purposes of the Social Work Practice
16 Act, a person is practicing social work if the person
17 advertises, offers to practice, is employed in a position
18 described as social work or holds out to the public or
19 represents in any manner that the person is licensed to
20 practice social work in this state.

21 B. Social work practice means a professional
22 service and emphasizes the use of specialized knowledge of
23 social resources, social systems, human capabilities and New
24 Mexico cultures to effect change in human behavior, emotional
25 responses and social conditions. Services may be rendered

1 through direct assistance to individuals, couples, families,
2 groups and community organizations. Social work practice
3 focuses on both direct and indirect services to facilitate
4 change on the intrapersonal, interpersonal and systemic
5 levels. Areas of specialization that address these include
6 the following:

7 (1) clinical social work practice, which is
8 the professional application of social work theory and
9 methods in the diagnosis, treatment and prevention of
10 psychosocial dysfunction, disability or impairment, including
11 emotional and mental disorders. It is based on knowledge of
12 one or more theories of human development within a
13 psychosocial context. Clinical social work includes
14 interventions directed to interpersonal interactions,
15 intrapsychic dynamics or life support and management issues.
16 Clinical social work services consist of assessment,
17 diagnosis and treatment, including psychotherapy and
18 counseling, client-centered advocacy, consultation and
19 evaluation;

20 (2) social work research practice, which is
21 the professional study of human capabilities and practice of
22 social work specialties, including direct and indirect
23 practice, through the formal organization and the methodology
24 of data collection and the analysis and evaluation of social
25 work data;

1 (3) social work community organization,
2 planning and development practice, which is a conscious
3 process of social interaction and method of social work
4 concerned with the meeting of broad needs and bringing about
5 and maintaining adjustment between needs and resources in a
6 community or other areas; helping people to deal more
7 effectively with their problems and objectives by helping
8 them develop, strengthen and maintain qualities of
9 participation, self-direction and cooperation; and bringing
10 about changes in community and group relationships and in the
11 distribution of decision-making power. The community is the
12 primary client in community organizations. The community may
13 be an organization, neighborhood, city, county, state or
14 national entity;

15 (4) social work administration, which is the
16 practice that is concerned primarily with translating laws,
17 technical knowledge and administrative rulings into
18 organizational goals and operational policies to guide
19 organizational behavior; designing organizational structure
20 and procedures or processes through which social work goals
21 can be achieved; and securing resources in the form of
22 material, staff, clients and societal legitimation necessary
23 for goal attainment and organizational survival; and

24 (5) university social work faculty, which
25 provides an equal quality of social work education in

1 identified areas of content; prepares graduates to practice
2 in a range of geographic areas with diverse populations; and
3 establishes the foundation for practitioners' professional
4 futures, exposing them to the best of current knowledge and
5 developing in them the ability to continue questioning and
6 learning, as well as an awareness of their responsibility to
7 continue this professional development."
