request from the legislature supplemental appropriations from the general fund to provide the necessary reimbursements requested by the negatively affected public body."

31. On page 30, between lines 12 and 13, insert:

"The department of finance and administration shall use existing appropriations to implement tools, including forensic audits, data analytics-driven reviews, performance audits and compliance audits, on a regular and comprehensive basis. The audits shall be undertaken in fiscal year 2027 for any program that provides direct payments to individuals, contractors and service providers and shall focus on examining records and data for irregularities, assessing internal control effectiveness, identifying inefficiencies and detecting program failures that result in measurable waste, fraud and abuse within those audited programs. The department shall report to the governor and the legislative finance committee the findings of these targeted and risk-based audits; the amount of waste, fraud and abuse discovered; recommendations for improved internal controls; and the amount of improper or fraudulent payments received."

32. On page 88, line 9, under the General Fund column, strike the sum and insert in lieu thereof "196,583.1".

33. On page 88, line 15, strike "twenty million nine hundred thousand dollars (\$20,900,000)" and insert in lieu thereof "three million eight hundred sixty thousand dollars (\$3,860,000)".

34. On page 88, line 21, strike "nineteen million nine hundred thousand dollars (\$19,900,000)" and insert in lieu thereof "two million eight hundred sixty thousand dollars (\$2,860,000)".

35. On page 89, between lines 19 and 20, insert:

"The early childhood education and care department shall use

including custom in-home service providers; two million dollars (\$2,000,000) to ensure nursing is available to the medically fragile waiver participants; fifteen million dollars (\$15,000,000) for increased enrollee service utilization; and two million dollars (\$2,000,000) to provide incentivized rates to increase the provision of waiver services in underserved rural areas of the state."

40. On page 101, between lines 24 and 25, insert:

"The health care authority shall use existing appropriations to implement tools, including forensic audits, data analytics-driven reviews, performance audits and compliance audits on a regular and comprehensive basis. The audits shall be undertaken in fiscal year 2027 for any program that provides direct payments to individuals, contractors and service providers and shall focus on examining records and data for irregularities, assessing internal control effectiveness, identifying inefficiencies and detecting program failures that result in measurable waste, fraud and abuse within those audited programs. The authority shall report to the governor and the legislative finance committee the findings of these targeted and risk-based audits; the amount of waste, fraud and abuse discovered; recommendations for improved internal controls; and the amount of improper or fraudulent payments received."

41. On page 115, between lines 5 and 6, insert:

"The department of health shall use existing appropriations to implement tools, including forensic audits, data analytics-driven reviews, performance audits and compliance audits on a regular and comprehensive basis. The audits shall be undertaken in fiscal year 2027 for any program that provides direct payments to individuals, contractors and service providers and shall focus on examining records and data for irregularities, assessing internal control effectiveness, identifying inefficiencies and detecting program failures that result in measurable waste, fraud and abuse within those audited programs. The department shall report to the governor
