SENATE BILL 483

43RD LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 1997

INTRODUCED BY

SUE F. WILSON

AN ACT

RELATING TO STATE LOTTERY REVENUES; CHANGING THE DISPOSITION OF
NET LOTTERY REVENUES TO EARMARK SIXTY PERCENT FOR PUBLIC SCHOOL
MIDDLE SCHOOL AND JUNIOR HIGH SCHOOL EXTRACURRICULAR ACTIVITIES;
CREATING A FUND; MAKING AN APPROPRIATION; AMENDING AND ENACTING
SECTIONS OF THE NMSA 1978.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. [NEW MATERIAL] FINDINGS AND PURPOSE. --

A. The legislature finds that a substantial part of
New Mexico's criminal activities originates when its youth,
especially those in their middle school years, are deprived of
constructive alternatives to juvenile crime. Therefore,
establishing and conducting supervised extracurricular
activities in middle schools should be a major factor in
mitigating the effects of gangs, drugs, classroom disruptions,

1 thefts, murders, suicides and other antisocial activities of
2 this group of at-risk youth.

3 B. It is the purpose of this act to fund the
4 establishment of extracurricular programs, particularly sports
5 programs, for middle school youth. Successful implementation of
6 these programs will eventually alleviate overcrowded conditions
7 in New Mexico's juvenile and adult correctional facilities,
8 contribute to a considerably lower recidivism rate and tend to
9 raise educational performance among New Mexico youth, thus
10 contributing to tangible savings in state expenditures, which
11 can be applied to other programs, including education.

12 Section 2. [NEW MATERIAL] PUBLIC SCHOOL EXTRACURRICULAR
13 ACTIVITIES FUND CREATED--PURPOSE. --

14 A. The "public school extracurricular activities
15 fund" is created in the state treasury and shall be administered
16 by the state department of public education. The fund shall
17 consist of net lottery revenues distributed to the fund and any
18 other appropriations, deposits, transfers or money otherwise
19 accruing to the fund. Earnings from investment of the fund
20 shall be credited to the fund. Any balance in the fund at the
21 end of any fiscal year shall remain in the fund for use for the
22 purposes of the fund.

23 B. Money in the public school extracurricular
24 activities fund is appropriated to the state department of
25 public education for distribution to school districts to

1 establish and conduct extracurricular activities at the middle
2 schools and junior high schools in the district. The amount to
3 be distributed to each district annually shall be the amount
4 determined by multiplying the balance in the fund on August 1 by
5 the percentage that the school district's membership is of total
6 school district membership.

7 C. Lottery revenue distributed to the school
8 districts shall be used solely for establishing and conducting
9 extracurricular activities for middle school and junior high
10 school students. School districts shall use the lottery revenue
11 as provided in this subsection and shall combine or match this
12 revenue with revenue and support from other sources available
13 for the same purpose, such as the Albuquerque middle school
14 initiative. In addition to the specific requirements of this
15 section, school districts may use lottery revenues for
16 intramural sports programs and for activities related to sports
17 programs, such as cheerleading, band and pep clubs.

18 Specifically, each school district shall establish the following
19 extracurricular programs for all middle schools and junior high
20 schools in the district as follows:

21 (1) in the first year that lottery revenues are
22 distributed, an interscholastic basketball program shall be
23 established;

24 (2) in the second year that lottery revenues
25 are distributed, interscholastic football and volleyball

1 programs shall be established;

2 (3) in the third year that lottery revenues are
3 distributed, a fine arts program, including both art and music,
4 shall be established; and

5 (4) in the fourth and fifth years that lottery
6 revenues are distributed, vocational training programs such as
7 auto mechanics and woodshop shall be established.

8 D. As used in this section, "membership" means the
9 total enrollment of qualified middle school and junior high
10 students in the school district on the fortieth day of the
11 school year, as membership is defined and determined for
12 purposes of the Public School Finance Act.

13 Section 3. Section 6-24-24 NMSA 1978 (being Laws 1995,
14 Chapter 155, Section 24) is amended to read:

19 of lottery prizes.

20 B. The authority shall transmit all net revenues to
21 the state treasurer who shall deposit sixty percent of the

16 payment of any revenue bonds issued, contingency reserves,
17 transfers to the reserve fund and any other necessary costs
18 incurred in carrying out the provisions of the New Mexico
19 Lottery Act.

20 D. An amount up to two percent of the gross annual
21 revenues shall be set aside as a reserve fund to cover bonuses
22 and incentive plans for lottery retailers, special promotions
23 for retailers, purchasing special promotional giveaways,
