E. Notwithstanding any other provisions of law, a policy or plan shall not exclude coverage for losses incurred for a preexisting condition more than six months from the effective date of coverage. The policy or plan shall not define a preexisting condition more restrictively than a condition for which medical advice was given or treatment recommended by or received from a physician within six months before the effective date of coverage.

F. No medical group, independent practice association or health professional employed by or contracting with an insurer, fraternal benefit society, health maintenance organization or nonprofit healthcare plan shall maintain any action against any insured person, family or group member for sums owed by an insurer, fraternal benefit society, health
