SENATE BILL 1116

43RD LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 1997

INTRODUCED BY

BEN D. ALTAMIRANO

AN ACT

RELATING TO THE FIRE PROTECTION FUND; PROVIDING FOR
DISTRIBUTIONS; PROVIDING A LIMITATION; AMENDING CERTAIN SECTIONS
OF THE NMSA 1978.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. Section 59A-53-4 NMSA 1978 (being Laws 1984, Chapter 127, Section 975, as amended) is amended to read:

"59A-53-4. CRITERIA FOR DETERMINATION OF NEEDS. --

A. In making the determination of needs pursuant to Section 59A-53-3 NMSA 1978, the marshal shall first determine that each incorporated municipality to be certified has maintained an official fire department created by and regulated in accordance with a duly enacted ordinance for a period of at least one year prior to the date of certification and possesses fire equipment and apparatus in serviceable condition to respond

to a fire incident. The marshal shall also determine the number of fire stations and substations located in each municipality to be certified and shall certify to the state treasurer for each municipality for maintaining a single fire station and substations, if any, which meet the requirements of the marshal and the requirements of this section, and in accordance with the class insurance rating it maintains, amounts [not to exceed] based in fiscal year 1999 on the following:

class	ma	in station	substation
number	1	\$54, 435	\$20, 172
number	2	50, 427	18, 827
number	3	46, 393	17, 481
number	4	42, 358	16, 136
number	5	40, 340	14, 792
number	6	38, 324	13, 447
number	7	36, 307	12, 776
number	8	34, 291	12, 103
number	9	25, 550	10, 091
number	10	22, 860	none.

B. Beginning in fiscal year 1999 and for each fiscal year thereafter, the distribution from the fire protection fund for each class of main station and substation pursuant to

Subsection A of this section shall be one hundred five percent of the prior year's distribution for that class of station and substation, plus an additional amount calculated by multiplying

the prior year's distribution by the cost-of-living adjustment determined pursuant to this subsection. The cost-of-living adjustment is the percentage, if any, by which the average of the monthly consumer price indices for the twelve months ending on December 31 of the prior fiscal year exceeds the average monthly consumer price indices for the twelve months ending on December 31 of the fiscal year preceding the prior fiscal year.

C. In the first fiscal year that the total amount of annual distributions pursuant to this section and Section 59A-53-5 NMSA 1978 equals seventy percent or more of the amount transferred into the fire protection fund in that fiscal year pursuant to Subsection C of Section 59A-6-5 NMSA 1978, the marshal shall distribute for that fiscal year and each fiscal year thereafter a total amount of annual distributions pursuant to this section and Section 59A-53-5 NMSA 1978 that does not exceed eighty percent of the total amount transferred to the fire protection fund for the fiscal year pursuant to Subsection C of Section 59A-6-5 NMSA 1978. The marshal shall adjust distributions by the same percentage as necessary to meet this requirement and shall publish annually the amount of the anticipated distributions from the fund for each class of main station and substation. As used in this subsection, "consumer price index" means the consumer price index for all-urban consumers published by the United States department of labor."

number 8	34, 291	12, 103
number 9	25, 550	10, 091
number 10	22, 860	none,

upon establishing, to the satisfaction of the marshal, the

following:

(1) the county fire district has maintained an official fire department for a period of at least one year, established and governed by appropriate resolution of the board of county commissioners of the county in which the county fire district is located, and possesses fire apparatus and equipment in serviceable condition to respond to a fire incident;

- (2) the geographic limits and boundaries of the county fire district have been clearly defined and established by the board of county commissioners of the county in which the county fire district is located, and a plat showing the geographic limits and boundaries has been accepted by the board of county commissioners and filed as part of the official record of proceedings of the board and a certified copy thereof filed with the marshal; and
- (3) there is available within the geographic limits and boundaries of the county fire district an adequate water supply to be used in connection with the fire-fighting facilities of the county fire district.
- B. Beginning in fiscal year 1999 and for each fiscal year thereafter, the distribution from the fire protection fund for each class of main station and substation pursuant to

 Subsection A of this section shall be one hundred five percent of the prior year's distribution for that class of station and substation, plus an additional amount calculated by multiplying

the prior year's distribution by the cost-of-living adjustment
determined pursuant to this subsection. The cost-of-living
adjustment is the percentage, if any, by which the average of
the monthly consumer price indices for the twelve months ending
on December 31 of the prior fiscal year exceeds the average
monthly consumer price indices for the twelve months ending on
December 31 of the fiscal year preceding the prior fiscal year.

C. In the first fiscal year that the total amount of annual distributions pursuant to this section and Section 59A-53-4 NMSA 1978 equals seventy percent or more of the amount transferred into the fire protection fund in that fiscal year pursuant to Subsection C of Section 59A-6-5 NMSA 1978, the marshal shall distribute for that fiscal year and each fiscal year thereafter a total amount of annual distributions pursuant to this section and Section 59A-53-4 NMSA 1978 that does not exceed eighty percent of the total amount transferred to the fire protection fund for the fiscal year pursuant to Subsection C of Section 59A-6-5 NMSA 1978. The marshal shall adjust distributions by the same percentage as necessary to meet this requirement and shall publish annually the amount of the anticipated distributions from the fund for each class of main station and substation. As used in this subsection, "consumer price index" means the consumer price index for all-urban consumers published by the United States department of labor.

[B.] D. The county commissioners of any county may

permit a county fire district located in the county to service an area adjacent and contiguous to the district but within another county; provided that the county commissioners of the other county shall consent by resolution duly adopted to the service and to the boundaries of the other area serviced.

Before commencement of service, a plat showing the geographic limits and boundaries of the county fire district and of the additional area to be serviced shall be filed with and approved by the marshal. The county commissioners of either the county in which the county fire district is located or of the county in which the area being serviced is located may terminate the service but only with the approval of the marshal."

Section 3. Section 59A-53-7 NMSA 1978 (being Laws 1984, Chapter 127, Section 978, as amended) is amended to read:

"59A-53-7. DISTRIBUTION OF FIRE PROTECTION FUND. --

A. Annually on or before the last day of July, the state treasurer shall distribute from the money in the fire protection fund, subject to the provisions of Sections 59A-53-4 and 59A-53-5 NMSA 1978, to each incorporated municipality and to each county fire district, the amount [as] the marshal or the state fire board, as the case may be, [shall have] has certified to him. Payment shall be made to the treasurer of any incorporated municipality and to the county treasurer of the county in which any county fire district is located for credit to the county fire district.
