7
8
9

10 AN ACT

11 RELATING TO COURTS; MAKING APPROPRIATIONS.

12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

13 Section 1. SHORT TITLE.--This act may be cited as the "Court Appropriation Act of 1998".

14 Section 2. DEFINITIONS.--As used in the Court Appropriation Act of 1998:

15 A. "agency" means an office, department, agency, institution, board, bureau, commission, court,
16 district attorney, council or committee of state government;

17 B. "expenditures" means costs, expenses, encumbrances and other financing uses, other than
18 refunds authorized by law, recognized in accordance with generally accepted accounting principles for the
19 legally authorized budget amounts and budget period;

20 C. "federal funds" means any payments by the United States government to state government or
21 agencies except those payments made in accordance with the federal Mineral Lands Leasing Act;

22 D. "full time employee" or "FTE" means one or more authorized positions that together receive
23 compensation for not more than two thousand eighty hours worked in fiscal year 1999. The calculation of
24 hours worked includes compensated absences but does not include overtime, compensatory time or sick leave
25 paid pursuant to Section 10-7-10 NMSA 1978;

1 E. "general fund" means that fund created by Section 6-4-2 NMSA 1978 and includes federal
2 Mineral Lands Leasing Act receipts, but excludes the general fund operating reserve, the appropriation
3 contingency fund and the risk reserve;

4 F. "interagency transfers" means revenue, other than internal service funds, legally
5 transferred from one agency to another;

6 G. "internal service funds" means:

7 (1) revenue transferred to an agency for the financing of goods or services to another
8 agency on a cost-reimbursement basis; and

9 (2) unencumbered balances in agency internal service fund accounts appropriated by the
10 Court Appropriation Act of 1998;

11 H. "other state funds" means:

12 (1) unencumbered, nonreverting balances in state agency accounts, other than in internal
13 service funds accounts, appropriated by the Court Appropriation Act of 1998;

14 (2) all revenue available to state agencies from sources other than the general fund,
15 internal service funds, interagency transfers and federal funds; and

16 (3) all revenue, the use of which is restricted by statute or agreement;

17 I. "revenue" means all money received by an agency from sources external to that agency, net of
18 refunds and other correcting transactions, other than from issue of debt, liquidation of investments or as
19 agent or trustee for other governmental entities or private persons; and

20 J. "unforseen federal funds" means a source of federal funds or an increased amount of federal
21 funds that could not have been reasonably anticipated or known during the first session of the forty-third
22 legislature and, therefore, could not have been requested by an agency or appropriated by the legislature.

23 Section 3. FORMAT.--The general format of the appropriations set forth in the Court Appropriation
24 Act with respect to symbols used, column headings and amounts stated are those used in the General
25 Appropriation Act of 1998.

1 Section 4. GENERAL PROVISIONS.--

2 A. Amounts set out under column headings are expressed in thousands of dollars.

3 B. Amounts set out under column headings are appropriated from the source indicated by the
4 column heading. All amounts set out under the column heading "Internal Service Funds/Interagency
5 Transfers" indicate an intergovernmental transfer and do not represent a portion of total state government
6 appropriations. All information designated as "Totals" or "Subtotals" are provided for information and
7 are not appropriations.

8 C. Amounts set out in Section 5 of the Court Appropriation Act of 1998, or so much as may be
9 necessary, are appropriated from the indicated source for expenditure in fiscal year 1999 for the objects
10 expressed.

11 D. Unencumbered balances in agency accounts remaining at the end of fiscal year 1998 shall
12 revert to the general fund by October 1, 1998, unless otherwise indicated in the Court Appropriation Act
13 of 1998 or otherwise provided by law.

14 E. Unencumbered balances in agency accounts remaining at the end of fiscal year 1999 shall
15 revert to the general fund by October 1, 1999, unless otherwise indicated in the Court Appropriation Act
16 of 1998 or otherwise provided by law.

17 F. The state budget division shall monitor revenue received by agencies from sources other than
18 the general fund and shall reduce the operating budget of any agency whose revenue from such sources is
19 not meeting projections. The state budget division shall notify the legislative finance committee of any
20 operating budget reduced pursuant to this subsection.

21 G. Except as otherwise specifically stated in the Court Appropriation Act of 1998,
22 appropriations are made in that act for the expenditures of agencies and for other purposes as required by
23 existing law for fiscal year 1999. If any other act of the second session of the forty-third legislature,
24 changes existing law with regard to the name or responsibilities of an agency or the name or purpose of a
25 fund or distribution, the appropriation made in the Court Appropriation Act of 1998 shall be transferred

Item	General Fund	Other State Funds	Intrnl Svc Funds/Inter-Agency Trnsf	Federal Funds	Total
1 from the agency, fund or distribution to which an appropriation has been made as required by existing law 2 to the appropriate agency, fund or distribution provided by the new law.					
3 H. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, agencies whose revenue from unforeseen 4 federal funds, from state board of finance loans, from revenue appropriated by other acts of the 5 legislature, or from gifts, donations, bequests, insurance settlements, refunds or payments into revolving 6 funds exceed specifically appropriated amounts may request budget increases from the state budget 7 division. If approved by the state budget division such money is appropriated. In approving a budget 8 increase from unforeseen federal funds, the director of the state budget division shall advise the 9 legislative finance committee as to the source of the federal funds and the source and amount of any 10 matching funds required.					
11 I. For fiscal year 1999, the number of permanent and term full-time equivalent positions 12 specified for each agency shows the maximum number of employees intended by the legislature for that 13 agency, unless another provision of the Court Appropriation Act of 1998 or another act of the second 14 session of the forty-third legislature provides for additional employees.					
15 J. Except for gasoline credit cards used solely for the operation of official vehicles and 16 telephone credit cards used solely for official business, none of the appropriations contained in the 17 Court Appropriation Act of 1998 may be expended for payment of credit card invoices.					
18 K. To prevent unnecessary spending, expenditures from the Court Appropriation Act of 1998 for 19 gasoline for state-owned vehicles at public gasoline service stations shall be made only for self-service 20 gasoline; provided that a state agency head may provide exceptions from the requirement to accommodate 21 disabled persons or for other reasons the public interest may require.					
22 L. When approving operating budgets based on appropriations in the Court Appropriation Act of 23 1998, the state budget division is specifically authorized to approve only those budgets that are in 24 accordance with generally accepted accounting principles for the purpose of properly classifying other 25 financing sources and uses, including interfund, intrafund and interagency transfers.
