2005	HTRC/House Bill 885, Chapter 347.	<u>Not CBPC legislation</u> , but Section 64 authorized short-term severance tax bonds of \$17 million for a state laboratory facility for the Department of Health.

Authorized an increase in the GRT intercept to finance the construction of a state-owned executive office building on the Main Capitol Campus. GRT intercept would not begin until July 1, 2011, or when debt service payments are to begin. Senate Bill 546 would additionally have allowed the NMFA to sell revenue bonds to finance the construction of the facility and would have established a statutory lease-purchase financing mechanism for the NMFA for this and future projects.</p>
