HOUSE BILL 10

57TH LEGISLATURE - STATE OF NEW MEXICO - SECOND SESSION, 2026

INTRODUCED BY

Elizabeth "Liz" Thomson and Gail Armstrong
and Joshua N. Hernandez and Jenifer Jones

AN ACT

RELATING TO INTERGOVERNMENTAL AGREEMENTS; ENACTING THE
PHYSICIAN ASSISTANT LICENSURE INTERSTATE COMPACT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. [NEW MATERIAL] SHORT TITLE.--This act may be
cited as the "Physician Assistant Licensure Interstate
Compact".

SECTION 2. [NEW MATERIAL] PURPOSE.--In order to
strengthen access to medical services, and in recognition of
the advances in the delivery of medical services, the
participating states of the Physician Assistant Licensure
Interstate Compact have allied in common purpose to develop a
comprehensive process that complements the existing authority
of state licensing boards to license and discipline physician
assistants and seeks to enhance the portability of a license to

.232737.1

1 practice as a physician assistant while safeguarding the safety
2 of patients. This compact allows medical services to be
3 provided by physician assistants via the mutual recognition of
4 the licensee's qualifying license by other compact-
5 participating states. This compact also adopts the prevailing
6 standard for physician assistant licensure and affirms that the
7 practice and delivery of medical services by a licensed
8 physician assistant occurs where the patient is located at the
9 time of the patient encounter and therefore requires the
10 physician assistant to be under the jurisdiction of the state
11 licensing board where the patient is located. State licensing
12 boards that participate in this compact retain the jurisdiction
13 to impose adverse actions against a compact privilege in that
14 state issued to a physician assistant through the procedures of
15 this compact. The Physician Assistant Licensure Interstate
16 Compact will alleviate burdens for military families by
17 allowing active duty military personnel and their spouses to
18 obtain a compact privilege based on having an unrestricted
19 license in good standing from a participating state.

21 Physician Assistant Licensure Interstate Compact:

10 SECTION 4. [NEW MATERIAL] STATE PARTICIPATION IN
11 COMPACT.--

12 A. To participate in the compact, a participating
13 state shall:

- 14 (1) license physician assistants;

16 system;
17 (3) have a mechanism in place for receiving
18 and investigating complaints against licensees and license

23 existence of significant investigative information regarding a
24 licensee or license applicant;
25 (5) fully implement a criminal background

.232737.1

1 check requirement, within a time frame established by
2 commission rule, by requiring the state's licensing board to
3 receive the results of a criminal background check and report
4 to the commission whether the license applicant has been
5 granted a license;

6 (6) comply with the rules of the compact
7 commission;

8 (7) use passage of a recognized national exam,
9 such as the national commission on certification of physician
10 assistants' physician assistant national certifying
11 examination, as a requirement for physician assistant
12 licensure; and

13 (8) grant the compact privilege to a holder of
14 a qualifying license in a participating state.

15 B. Nothing in this compact prohibits a
16 participating state from charging a fee for granting the
17 compact privilege.

18 SECTION 5. [NEW MATERIAL] COMPACT PRIVILEGE.--

19 A. To exercise the compact privilege, a licensee
20 shall:

22 program accredited by the accreditation review commission on
23 education for the physician assistant, inc. or other programs
24 authorized by commission rule;

25 (2) hold current national commission on

3 (4) have never had a controlled substance
4 license, permit or registration suspended or revoked by a state
5 or by the United States drug enforcement administration;

6 (5) have a unique identifier as determined by
7 commission rule;

8 (6) hold a qualifying license;

9 (7) have had no revocation of a license or
10 limitation or restriction on any license currently held due to
11 an adverse action;

12 (8) if the licensee has had a limitation or
13 restriction on a license or compact privilege due to an adverse
14 action, not exercise the compact privilege until two years have
15 elapsed from the date on which the license or compact privilege
16 is no longer limited or restricted due to the adverse action;

17 (9) notify the compact commission that the
18 licensee is seeking the compact privilege in a remote state;

19 (10) meet any jurisprudence requirement of a
20 remote state in which the licensee is seeking to practice under

22 the jurisprudence requirement; and

23 (11) report to the commission any adverse
24 action taken by a nonparticipating state within thirty days
25 after the action is taken.

.232737.1

1 B. The compact privilege is valid until the
2 expiration or revocation of the qualifying license unless
3 terminated pursuant to an adverse action. The licensee shall
4 also comply with all of the requirements of Subsection A of
5 this section to maintain the compact privilege in a remote
6 state. If the participating state takes adverse action against
7 a qualifying license, the licensee shall lose the compact
8 privilege in any remote state in which the licensee has a
9 compact privilege until all of the following occur:

10 (1) the license is no longer limited or
11 restricted; and

12 (2) two years have elapsed from the date on
13 which the license is no longer limited or restricted due to the
14 adverse action.

15 C. Once a restricted or limited license satisfies
16 the requirements of Subsection B of this section, the licensee
17 shall meet the requirements of Subsection A of this section to
18 re-obtain a compact privilege in any remote state.

19 D. For each remote state in which a physician
20 assistant seeks authority to prescribe controlled substances,
21 the physician assistant shall satisfy all requirements imposed
22 by the state in granting or renewing the authority.

23 E. If a compact privilege has been revoked or is
24 limited or restricted in a participating state for conduct that
25 would not be a basis for disciplinary action in a participating

1 state in which the licensee is practicing or applying to
2 practice under a compact privilege, that participating state
3 shall have the discretion not to consider such action as an
4 adverse action requiring the denial or removal of a compact
5 privilege in that state.

6 SECTION 6. [NEW MATERIAL] DESIGNATION OF THE STATE FROM
7 WHICH A LICENSEE IS APPLYING FOR A COMPACT PRIVILEGE.--Upon a
8 licensee's application for a compact privilege, the licensee
9 shall identify to the commission the participating state from
10 which the licensee is applying, in accordance with applicable
11 rules adopted by the commission, and be subject to the
12 following requirements:

13 A. when applying for a compact privilege, the
14 licensee shall provide the commission with the address of the
15 licensee's primary residence and thereafter shall immediately
16 report to the commission any change in the address of the
17 licensee's primary residence; and

18 B. when applying for a compact privilege, the
19 licensee is required to consent to accept service of process by
20 mail at the licensee's primary residence on file with the
21 commission with respect to any action brought, or investigation
22 conducted, by the commission or a participating state,
23 including a subpoena.

24 SECTION 7. [NEW MATERIAL] ADVERSE ACTIONS.--

25 A. A participating state in which a licensee is

1 licensed shall have exclusive power to impose adverse action
2 against the qualifying license issued by that participating
3 state.

4 B. In addition to the other powers conferred by
5 state law, a remote state shall have the authority, in
6 accordance with state due process law, to do all of the
7 following:

8 (1) take adverse action against a physician
9 assistant's compact privilege within that state to remove a
10 licensee's compact privilege or take other action necessary
11 under applicable law to protect the health and safety of the
12 state's residents; and

13 (2) issue subpoenas for hearings and
14 investigations that require the attendance and testimony of
15 witnesses as well as the production of evidence. Subpoenas
16 issued by a licensing board in a participating state for the
17 attendance and testimony of witnesses or the production of
18 evidence from another participating state shall be enforced in
19 the latter state by any court of competent jurisdiction,
20 according to the practice and procedure of that court
21 applicable to subpoenas issued in proceedings pending before
22 that court. The issuing authority shall pay any witness fees,
23 travel expenses, mileage and other fees required by the service
24 statutes of the state in which the witnesses or evidence are
25 located.

.232737.1

1 C. Notwithstanding Paragraph (2) of Subsection B of
2 this section, subpoenas shall not be issued by a participating
3 state to gather evidence of conduct in another state that is
4 lawful in that other state for the purpose of taking adverse
5 action against a licensee's compact privilege or application
6 for a compact privilege in that participating state. Nothing
7 in this compact authorizes a participating state to impose
8 discipline against a physician assistant's compact privilege or
9 to deny an application for a compact privilege in that
10 participating state for the individual's otherwise lawful
11 practice in another state.

12 D. For purposes of taking adverse action, the
13 participating state that issued the qualifying license shall
14 give the same priority and effect to reported conduct received
15 from any other participating state as it would if the conduct
16 had occurred within the participating state that issued the
17 qualifying license. In so doing, that participating state
18 shall apply the state's own laws to determine appropriate
19 action.

20 E. A participating state, if otherwise permitted by
21 state law, may recover from the affected physician assistant
22 the costs of investigations and disposition of cases resulting
23 from any adverse action taken against that physician assistant.

24 F. A participating state may take adverse action
25 based on the factual findings of a remote state; provided that

1 the participating state follows its own procedures for taking
2 the adverse action.

3 G. In addition to the authority granted to a
4 participating state by the state's physician assistant laws and
5 regulations or other applicable state law, any participating
6 state may participate with other participating states in joint
7 investigations of licensees. Participating states shall share
8 any investigative, litigation or compliance materials in
9 furtherance of any joint or individual investigation initiated
10 under this compact.

11 H. If an adverse action is taken against a
12 physician assistant's qualifying license, the physician
13 assistant's compact privilege in all remote states shall be
14 deactivated until two years have elapsed after all restrictions
15 have been removed from the state qualifying license. All
16 disciplinary orders by the participating state that issued the
17 qualifying license that impose adverse action against a
18 physician assistant's license shall include a statement that
19 the physician assistant's compact privilege is deactivated in
20 all participating states during the pendency of the order.

21 I. If any participating state takes adverse action,
22 the participating state shall promptly notify the administrator
23 of the data system.

24 SECTION 8. [NEW MATERIAL] PHYSICIAN ASSISTANT LICENSURE
25 COMPACT COMMISSION.--

.232737.1

1 A. The participating states hereby create and
2 establish a joint government agency and national administrative
3 body known as "the physician assistant licensure compact
4 commission". The commission is an instrumentality of the
5 participating states acting jointly and not an instrumentality
6 of any one state. The commission shall come into existence on
7 or after the effective date of the compact as set forth in
8 Section 12 of this compact.

9 B. Membership, voting and meetings of the
10 commission shall proceed as follows:

12 limited to one delegate selected by that participating state's
13 licensing board or, if the state has more than one licensing

21 board;

22 (3) a delegate may be removed or suspended
23 from office as provided by the laws of the state from which the
24 delegate is appointed;

25 (4) a participating state's licensing board

1 shall fill any vacancy occurring in the commission within sixty
2 days;

3 (5) each delegate shall be entitled to one
4 vote on all matters voted on by the commission and shall
5 otherwise have an opportunity to participate in the business
6 and affairs of the commission. A delegate shall vote in person
7 or by such other means as provided in the commission's bylaws.
8 The bylaws may provide for delegates' participation in meetings
9 by telecommunications, video conference or other means of
10 communication;

11 (6) the commission shall meet at least once
12 per each calendar year. Additional meetings shall be held as
13 set forth in this compact and the commission's bylaws; and

14 (7) the commission shall establish by rule a
15 term of office for delegates.

16 C. The commission has the powers and duties to:

17 (1) establish a code of ethics for the
18 commission;

19 (2) establish the fiscal year of the
20 commission;

21 (3) establish fees;

22 (4) establish bylaws;

23 (5) maintain the commission's financial
24 records in accordance with the commission's bylaws;

25 (6) meet and take actions that are consistent

1 with the provisions of this compact and the commission's
2 bylaws;

3 (7) promulgate rules to facilitate and
4 coordinate implementation and administration of this compact.
5 The rules shall have the force and effect of law and shall be
6 binding in all participating states;

7 (8) bring and prosecute legal proceedings or
8 actions in the name of the commission; provided that the
9 standing of any state licensing board to sue or be sued under
10 applicable law shall not be affected;

11 (9) purchase and maintain insurance and bonds;

12 (10) borrow, accept or contract for services
13 of personnel, including employees of a participating state;

14 (11) hire employees and engage contractors,
15 elect or appoint officers, fix compensation, define duties,
16 grant individuals appropriate authority to carry out the
17 purposes of this compact and establish the commission's
18 personnel policies and programs relating to conflicts of
19 interest, qualifications of personnel and other related
20 personnel matters;

21 (12) accept any and all appropriate donations
22 and grants of money, equipment, supplies, materials and
23 services and receive, use and dispose of the same; provided
24 that at all times the commission shall avoid any appearance of
25 impropriety or conflict of interest;

.232737.1

1 (13) lease, purchase, accept appropriate gifts
2 or donations of or otherwise own, hold, improve or use any
3 property, real, personal or mixed; provided that at all times
4 the commission shall avoid any appearance of impropriety;

5 (14) sell, convey, mortgage, pledge, lease,
6 exchange, abandon or otherwise dispose of any property, real,
7 personal or mixed;

8 (15) establish a budget and make expenditures;

9 (16) borrow money;

10 (17) appoint committees, including standing
11 committees composed of members, state regulators, state
12 legislators or their representatives, consumer representatives
13 and other interested persons as may be designated in this
14 compact and the commission's bylaws;

15 (18) provide and receive information from, and
16 cooperate with, law enforcement agencies;

17 (19) elect a chair, vice chair, secretary,
18 treasurer and other officers of the commission as provided in
19 the commission's bylaws;

20 (20) in addition to powers reserved
21 exclusively to the commission under this compact, reserve
22 powers for the commission that the executive committee may not
23 exercise;

24 (21) approve or disapprove a state's
25 participation in this compact based on the commission's

1 determination as to whether the state's compact legislation
2 departs in a material manner from the model compact language;

3 (22) prepare and provide to the participating
4 states an annual report; and

5 (23) perform other functions as may be
6 necessary or appropriate to achieve purposes of this compact
7 that are consistent with state regulation of physician
8 assistant licensure and practice.

9 D. Meetings of the commission shall proceed as
10 follows:

11 (1) all meetings of the commission that are
12 not closed pursuant to this subsection shall be open to the
13 public. Notice of public meetings shall be posted on the
14 commission's website at least thirty days prior to the public
15 meeting;

16 (2) notwithstanding Paragraph (1) of this
17 subsection, the commission may convene a public meeting by
18 providing at least twenty-four hours' prior notice on the
19 commission's website, and by any other means as provided in the
20 commission's rules, for any of the reasons that the commission
21 may dispense with notice of proposed rulemaking under
22 Subsection R of Section 10 of this compact;

23 (3) the commission may convene in a closed,
24 nonpublic meeting or nonpublic part of a public meeting to
25 receive legal advice or to discuss:

.232737.1

1 (a) noncompliance of a participating
2 state with the state's obligations under this compact;

3 (b) the employment, compensation,

10 purchase, lease or sale of goods, services or real estate;

11 (e) accusing any person of a crime or
12 formally censuring any person;

13 (f) disclosure of trade secrets or
14 commercial or financial information that is privileged or
15 confidential;

16 (g) disclosure of information of a
17 personal nature where disclosure would constitute a clearly
18 unwarranted invasion of personal privacy;

19 (h) disclosure of investigative records
20 compiled for law enforcement purposes;

21 (i) disclosure of information related to
22 any investigative reports prepared by or on behalf of or for
23 use by the commission or other committee charged with the
24 responsibility of investigation or determination of compliance
25 issues pursuant to this compact;

.232737.1

1 (j) legal advice; or

2 (k) matters specifically exempted from
3 disclosure by federal or participating states' statutes;

4 (4) if a meeting, or portion of a meeting, is

7 of the meeting may be closed and shall reference each relevant
8 exempting provision; and

9 (5) the commission shall keep minutes that
10 fully and clearly describe all matters discussed in a meeting
11 and shall provide a full and accurate summary of actions taken,
12 including a description of the views expressed. All documents
13 considered in connection with an action shall be identified in
14 the minutes. All minutes and documents of a closed meeting
15 shall remain under seal, subject to release by a majority vote
16 of the commission or order of a court of competent
17 jurisdiction.

18 E. The commission shall be financed as follows:

19 (1) the commission shall pay, or provide for
20 the payment of, the reasonable expenses of its establishment,
21 organization and ongoing activities;

22 (2) the commission may accept any and all
23 appropriate revenue sources, donations and grants of money,
24 equipment, supplies, materials and services;

25 (3) the commission may levy and collect an

1 annual assessment from each participating state and may impose
2 compact privilege fees on licensees of participating states to
3 whom a compact privilege is granted to cover the cost of the
4 operations and activities of the commission and its staff,
5 which shall be in a total amount sufficient to cover its annual
6 budget as approved by the commission each year for which
7 revenue is not provided by other sources. The aggregate annual
8 assessment amount levied on participating states shall be
9 allocated based upon a formula to be determined by commission
10 rule. A compact privilege expires when the licensee's
11 qualifying license in the participating state from which the
12 licensee applied for the compact privilege expires. If the
13 licensee terminates the qualifying license in the participating
14 state from which the licensee applied for the compact privilege
15 before its scheduled expiration, and the licensee has a
16 qualifying license in another participating state, the licensee
17 shall inform the commission that the licensee is changing to
18 that participating state for the purposes of applying for a
19 compact privilege and paying to the commission any compact
20 privilege fee required by commission rule;

21 (4) the commission shall not incur obligations
22 of any kind prior to securing the funds adequate to meet the
23 same; nor shall the commission pledge the credit of any of the
24 participating states, except by and with the authority of the
25 participating state; and

.232737.1

1 (5) the commission shall keep accurate
2 accounts of all receipts and disbursements. The receipts and
3 disbursements of the commission shall be subject to the
4 financial review and accounting procedures established under
5 the commission's bylaws. All receipts and disbursements of
6 funds handled by the commission shall be subject to an annual
7 financial review by a certified or licensed public accountant,
8 and the report of the financial review shall be included in and
9 become part of the annual report of the commission.

10 F. The executive committee shall function as
11 follows:

12 (1) the executive committee has the power to
13 act on behalf of the commission according to the provisions of
14 this compact and commission rules;

15 (2) the executive committee is composed of the
16 following nine members:

17 (a) seven voting members who are elected
18 by the commission from the current membership of the
19 commission;

20 (b) one ex-officio, nonvoting member
21 from a recognized national physician assistant professional
22 association; and

24 from a recognized national physician assistant certification
25 organization;

1 (3) the ex-officio members of the executive
2 committee shall be selected by their respective organizations;

3 (4) the commission may remove any member of
4 the executive committee as provided in the commission's bylaws;

7 (6) the executive committee has the following
8 duties and responsibilities:

9 (a) recommending to the commission
10 changes to the commission's rules or bylaws, changes to the
11 compact legislation, fees to be paid by participating states,
12 such as annual dues, and any compact privilege fee charged to
13 licensees;

14 (b) ensuring compact administration
15 services are appropriately provided, contractual or otherwise;

16 (c) preparing and recommending the
17 commission's budget;

18 (d) maintaining financial records on
19 behalf of the commission;

20 (e) monitoring compact compliance of
21 participating states and providing compliance reports to the
22 commission;

23 (f) establishing additional committees
24 as necessary;

25 (g) exercising the powers and duties of

1 the commission during the interim between commission meetings,
2 except for issuing proposed rulemaking or adopting commission
3 rules or bylaws, or exercising any other powers and duties
4 exclusively reserved to the commission by the commission's
5 rules; and

6 (h) performing other duties as provided
7 by the commission's rules or bylaws;

8 (7) all meetings of the executive committee at
9 which the executive committee votes or plans to vote on matters
10 of exercising the powers and duties of the commission shall be
11 open to the public, and public notice of such meetings shall be
12 given in the same manner as notice of public meetings; and

13 (8) the executive committee may convene in a
14 closed, nonpublic meeting for the same reasons that the
15 commission may convene in a nonpublic meeting as provided in
16 this section and shall announce the closed meeting and keep
17 minutes of the closed meeting as the commission is required
18 pursuant to this section.

19 G. With respect to qualified immunity, defense and
20 indemnification:

21 (1) the members, officers, executive director,
22 employees and representatives of the commission shall be immune
23 from suit and liability, both personally and in their official
24 capacity, for any claim for damage to or loss of property or
25 personal injury or other civil liability caused by or arising

1 from any actual or alleged act, error or omission that
2 occurred, or that the person against whom the claim is made had
3 a reasonable basis for believing occurred within the scope of
4 commission employment, duties or responsibilities; provided
5 that nothing in this paragraph shall be construed to protect
6 any such person from suit or liability for any damage, loss,
7 injury or liability caused by the intentional or willful or
8 wanton misconduct of that person. The procurement of insurance
9 of any type by the commission shall not in any way compromise
10 or limit the immunity granted by this compact;

11 (2) the commission shall defend any member,
12 officer, executive director, employee and representative of the
13 commission in any civil action seeking to impose liability
14 arising out of any actual or alleged act, error or omission
15 that occurred within the scope of commission employment, duties
16 or responsibilities, or as determined by the commission that
17 the person against whom the claim is made had a reasonable
18 basis for believing occurred within the scope of commission
19 employment, duties or responsibilities; provided that nothing
20 in this paragraph shall be construed to prohibit that person
21 from retaining counsel at the person's own expense; and
22 provided further that the actual or alleged act, error or
23 omission did not result from that person's intentional or
24 willful or wanton misconduct;

25 (3) the commission shall indemnify and hold

1 harmless any member, officer, executive director, employee and
2 representative of the commission for the amount of any
3 settlement or judgment obtained against that person arising out
4 of any actual or alleged act, error or omission that occurred
5 within the scope of commission employment, duties or
6 responsibilities, or that the person had a reasonable basis for
7 believing occurred within the scope of commission employment,
8 duties or responsibilities; provided that the actual or alleged
9 act, error or omission did not result from the intentional or
10 willful or wanton misconduct of that person;

11 (4) venue is proper and judicial proceedings
12 by or against the commission shall be brought solely and
13 exclusively in a court of competent jurisdiction where the
14 principal office of the commission is located. The commission
15 may waive venue and jurisdictional defenses in any proceedings
16 as authorized by commission rules;

17 (5) nothing in this compact shall be construed
18 as a limitation on the liability of any licensee for
19 professional malpractice or misconduct, which shall be governed
20 solely by any other applicable state laws;

21 (6) nothing in this compact shall be construed
22 to designate the venue or jurisdiction to bring actions for
23 alleged acts of malpractice, professional misconduct,
24 negligence or other civil action pertaining to the practice of
25 a physician assistant. All such matters shall be determined

1 exclusively by state law other than this compact;

2 (7) nothing in this compact shall be
3 interpreted to waive or otherwise abrogate a participating
4 state's state action immunity or state action affirmative
5 defense with respect to antitrust claims under the federal
6 Sherman Act, as amended, the federal Clayton Act, as amended,
7 or any other state or federal antitrust or anticompetitive law
8 or regulation; and

9 (8) nothing in this compact shall be construed
10 to be a waiver of sovereign immunity by the participating
11 states or by the commission.

12 SECTION 9. [NEW MATERIAL] DATA SYSTEM.--

13 A. The commission shall provide for the
14 development, maintenance, operation and utilization of a
15 coordinated data and reporting system containing licensure,
16 adverse actions and data on the existence of significant
17 investigative information on all licensed physician assistants
18 and applicants denied a license in participating states.

19 B. Notwithstanding any other state law to the
20 contrary, a participating state shall submit a uniform data set
21 to the data system on all physician assistants to whom this
22 compact is applicable, using a unique identifier, as required
23 by the rules of the commission, including:

24 (1) identifying information;

25 (2) licensure data;

1 (3) adverse actions;

2 (4) any denial of application for licensure,
3 and the reason for such denial, excluding the reporting of any
4 criminal history record information where prohibited by law;

5 (5) the existence of significant investigative
6 information; and

7 (6) other information that may facilitate the
8 administration of this compact, as determined by the rules of
9 the commission.

10 C. Significant investigative information pertaining
11 to a licensee in any participating state shall only be
12 available to other participating states.

13 D. The commission shall promptly notify all
14 participating states of any adverse action that has been
15 reported to the commission. Adverse action information shall
16 be available to any participating state.

17 E. Participating states contributing information to
18 the data system may, in accordance with state or federal law,
19 designate information that may not be shared with the public
20 without the express permission of the contributing state.
21 Notwithstanding any such designation, the information shall be
22 reported to the commission through the data system.

23 F. Any information submitted to the data system
24 that is subsequently expunged pursuant to federal law or the
25 laws of the participating state contributing the information

.232737.1

1 shall be removed from the data system upon reporting of the
2 expungement by the participating state to the commission.

3 G. The records and information provided to a
4 participating state pursuant to this compact or through the
5 data system, when certified by the commission or an agent of
6 the commission, shall constitute the authenticated business
7 records of the commission and shall be entitled to any
8 associated hearsay exception in any relevant judicial,
9 quasi-judicial or administrative proceedings in a participating
10 state.

11 SECTION 10. [NEW MATERIAL] RULEMAKING.--

12 A. The commission shall exercise rulemaking powers
13 pursuant to the criteria set forth in this section and the
14 rules promulgated pursuant to this section. Commission rules
15 shall become binding as of the date specified by the commission
16 for each rule.

17 B. The commission shall promulgate reasonable rules
18 in order to effectively and efficiently implement and
19 administer this compact and achieve the compact's purposes. A
20 commission rule shall be invalid and have no force or effect
21 only if a court of competent jurisdiction holds that the rule
22 is invalid because the commission exercised its rulemaking
23 authority in a manner that is beyond the scope of the purposes
24 of or the powers granted by this compact or based upon another
25 applicable standard of review.

.232737.1

1 C. The rules of the commission shall have the force
2 of law in each participating state; provided that when the
3 rules of the commission conflict with the laws of the
4 participating state that establish the medical services a
5 physician assistant may perform in the participating state, as
6 held by a court of competent jurisdiction, the rules of the
7 commission shall be ineffective in that state to the extent of
8 the conflict.

9 D. If a majority of the legislatures of the
10 participating states rejects a commission rule by enactment of
11 a statute or resolution in the same manner used to adopt this
12 compact within four years of the date of adoption of the rule,
13 the rule shall have no further force and effect in any
14 participating state or to any state applying to participate in
15 the compact.

16 E. Commission rules shall be adopted at a regular
17 or special meeting of the commission.

18 F. Prior to promulgation and adoption of a final
19 rule by the commission, and at least thirty days in advance of
20 the meeting at which the rule will be considered and voted
21 upon, the commission shall file a notice of proposed
22 rulemaking:

23 (1) on the website of the commission or other
24 publicly accessible platform;

25 (2) to persons who have requested notice of

1 the commission's notices of proposed rulemaking; and

2 (3) in other ways that the commission may
3 specify by rule.

4 G. The notice of proposed rulemaking shall include:

5 (1) the time, date and location of the public
6 hearing on the proposed rule and the proposed time, date and
7 location of the meeting in which the proposed rule will be
8 considered and voted upon;

9 (2) the text of the proposed rule and the
10 reason for the proposed rule;

11 (3) a request for comments on the proposed
12 rule from any interested person and the date by which written
13 comments must be received; and

14 (4) the manner in which interested persons may
15 submit notice to the commission of their intention to attend
16 the public hearing or provide written comments.

17 H. Prior to adoption of a proposed rule, the
18 commission shall allow persons to submit written data, facts,
19 opinions and arguments, which the commission shall make
20 available to the public.

21 I. If the hearing is to be held via electronic
22 means, the commission shall publish the mechanism for access to
23 the electronic hearing.

24 J. A person wishing to be heard at the hearing
25 shall, as directed in the notice of proposed rulemaking, no

.232737.1

1 less than five business days before the scheduled date of the
2 hearing, notify the commission of the person's desire to appear
3 and testify at the hearing. Hearings shall be conducted in a
4 manner that provides each person who wishes to comment a fair
5 and reasonable opportunity to comment orally or in writing.

6 K. All hearings shall be recorded. A copy of the
7 recording and the written comments, data, facts, opinions and
8 arguments received in response to the proposed rulemaking shall
9 be made available upon request.

10 L. Nothing in this section shall be construed as
11 requiring a separate hearing on each proposed rule. Proposed
12 rules may be grouped for the convenience of the commission at
13 hearings required by this section.

14 M. Following a public hearing, the commission shall
15 consider all written and oral comments timely received.

16 N. The commission shall, by majority vote of all
17 delegates, take final action on a proposed rule and shall
18 determine the effective date of the rule, if adopted, based on
19 the rulemaking record and the full text of the rule. If
20 adopted, the rule shall be posted on the commission's website.

21 O. The commission may adopt changes to a proposed
22 rule; provided that the changes do not enlarge the original
23 purpose of the proposed rule.

24 P. The commission shall provide on the commission's
25 website an explanation of the reasons for substantive changes

.232737.1

1 made to a proposed rule as well as reasons for substantive
2 changes not made that were recommended by commenters.

3 Q. The commission shall determine a reasonable
4 effective date for a rule. Except for an emergency as provided
5 in Subsection R of this section, the effective date of a rule
6 shall be no sooner than thirty days after the commission issued
7 the notice that the commission adopted the rule.

8 R. Upon determination that an emergency exists, the
9 commission may consider and adopt an emergency rule with
10 twenty-four hours' prior notice, without the opportunity for
11 comment or hearing; provided that the usual rulemaking
12 procedures provided in this compact and in this section shall
13 be retroactively applied to the rule as soon as reasonably
14 possible, but in no event later than ninety days after the
15 effective date of the rule. For the purposes of this compact,
16 an emergency rule is a rule that must be adopted immediately by
17 the commission in order to:

18 (1) meet an imminent threat to public health,
19 safety or welfare;

20 (2) prevent a loss of commission or
21 participating state funds;

22 (3) meet a deadline for the promulgation of a
23 commission rule that is established by federal law or rule; or

24 (4) protect public health and safety.

25 S. The commission or an authorized committee of the

1 commission may direct revisions to a previously adopted
2 commission rule for purposes of correcting typographical
3 errors, errors in format, errors in consistency or grammatical
4 errors. Public notice of any revisions shall be posted on the
5 website of the commission. The revision shall be subject to
6 challenge by any person for a period of thirty days after
7 posting. The revision may be challenged only on grounds that
8 the revision results in a material change to a rule. A
9 challenge shall be made as set forth in the notice of revisions
10 and delivered to the commission prior to the end of the notice
11 period. If no challenge is made, the revision shall take
12 effect without further action. If the revision is challenged,
13 the revision shall not take effect without the approval of the
14 commission.

15 T. No participating state's rulemaking requirements
16 shall apply under this compact.

17 SECTION 11. [NEW MATERIAL] OVERSIGHT--DISPUTE
18 RESOLUTION--ENFORCEMENT.--

19 A. The executive and judicial branches of
20 government in each participating state shall enforce this
21 compact and take all actions necessary and appropriate to
22 implement the compact.

23 B. Venue is proper and judicial proceedings by or
24 against the commission shall be brought solely and exclusively
25 in a court of competent jurisdiction where the principal office

1 of the commission is located. The commission may waive venue
2 and jurisdictional defenses to the extent the commission adopts
3 or consents to participate in alternative dispute resolution
4 proceedings. Nothing in this compact shall affect or limit the
5 selection or propriety of venue in any action against a
6 licensee for professional malpractice, misconduct or any
7 similar matter.

8 C. The commission is entitled to receive service of
9 process in any proceeding regarding the enforcement or
10 interpretation of this compact or the commission's rules and
11 has standing to intervene in the proceeding for all purposes.
12 Failure to provide the commission with service of process shall
13 render a judgment or order void as to the commission, this
14 compact or commission rules.

15 D. If the commission determines that a
16 participating state has defaulted in the performance of the
17 state's obligations or responsibilities under this compact or
18 commission rules, the commission shall provide written notice
19 to the defaulting state and other participating states. The
20 notice shall describe the default, the proposed means of curing
21 the default and any other action that the commission may take
22 and shall offer remedial training and specific technical
23 assistance regarding the default.

24 E. If a state in default fails to cure the default,
25 the defaulting state may be terminated from this compact upon

1 an affirmative vote of a majority of the delegates of the
2 participating states, and all rights, privileges and benefits
3 conferred by this compact upon the state may be terminated on
4 the effective date of termination. A cure of the default does
5 not relieve the offending state of obligations or liabilities
6 incurred during the period of default.

7 F. Termination of participation in this compact
8 shall be imposed only after all other means of securing
9 compliance have been exhausted. Notice of intent to suspend or
10 terminate shall be given by the commission to the governor, the
11 majority and minority leaders of the defaulting state's
12 legislature and the licensing boards of each of the
13 participating states.

14 G. A state that has been terminated is responsible
15 for all assessments, obligations and liabilities incurred
16 through the effective date of termination, including
17 obligations that extend beyond the effective date of
18 termination.

19 H. The commission shall not bear any cost related
20 to a state that is found to be in default or that has been
21 terminated from the compact, unless agreed upon in writing
22 between the commission and the defaulting state.

23 I. The defaulting state may appeal the state's
24 termination from this compact by the commission by petitioning
25 the United States district court for the District of Columbia

1 or the federal district where the commission has its principal
2 offices. The prevailing party shall be awarded all costs of
3 the litigation, including reasonable attorney fees.

4 J. Upon the termination of a state's participation
5 in this compact, the state shall immediately provide notice to
6 all licensees within that state of the termination. Licensees
7 who:

8 (1) have been granted a compact privilege in
9 that state shall retain the compact privilege for one hundred
10 eighty days following the effective date of the termination;
11 and

12 (2) are licensed in that state who have been
13 granted a compact privilege in a participating state shall
14 retain the compact privilege for one hundred eighty days unless
15 the licensee also has a qualifying license in a participating
16 state or obtains a qualifying license in a participating state
17 before the one-hundred-eighty-day period ends, in which case
18 the compact privilege shall continue.

19 K. Upon request by a participating state, the
20 commission shall attempt to resolve disputes related to this
21 compact that arise among participating states and between
22 participating and nonparticipating states. The commission
23 shall promulgate a rule providing for both mediation and
24 binding dispute resolution for disputes as appropriate.

25 L. The commission, in the reasonable exercise of

1 the commission's discretion, shall enforce the provisions of
2 this compact and rules of the commission. If compliance is not
3 secured after all means to secure compliance have been
4 exhausted, by majority vote, the commission may initiate legal
5 action in the United States district court for the District of
6 Columbia or the federal district where the commission has its
7 principal offices, against a participating state in default to
8 enforce compliance with the provisions of this compact and the
9 commission's promulgated rules and bylaws. The relief sought
10 may include both injunctive relief and damages. In the event
11 that judicial enforcement is necessary, the prevailing party
12 shall be awarded all costs of such litigation, including
13 reasonable attorney fees.

14 M. The remedies provided in this compact shall not
15 be the exclusive remedies of the commission. The commission
16 may pursue any other remedies available under federal or state
17 law.

18 N. A participating state may initiate legal action
19 against the commission in the United States district court for
20 the District of Columbia or the federal district where the
21 commission has its principal offices to enforce compliance with
22 the provisions of this compact and the commission's rules. The
23 relief sought may include both injunctive relief and damages.
24 In the event judicial enforcement is necessary, the prevailing
25 party shall be awarded all costs of such litigation, including

.232737.1

1 reasonable attorney fees. No entity other than a participating
2 state shall enforce this compact against the commission.

3 SECTION 12. [NEW MATERIAL] EFFECTIVE DATE OF THE
4 PHYSICIAN ASSISTANT LICENSURE INTERSTATE COMPACT.--

5 A. This compact shall come into effect on the date
6 on which this compact statute is enacted into law in the
7 seventh participating state.

8 B. On or after the effective date of this compact,
9 the commission shall convene and review the enactment of each
10 of the participating state statutes that enacted the compact
11 prior to the commission convening to determine if the statute
12 enacted by each participating state is materially different
13 than the model compact.

14 C. A charter participating state whose enactment is
15 found to be materially different from the model compact shall
16 be entitled to the default process set forth in Section 11 of
17 this compact. If any participating state later withdraws from
18 this compact or its participation is terminated, the commission
19 shall remain in existence and the compact shall remain in
20 effect even if the number of participating states is fewer than
21 seven. Participating states enacting this compact subsequent
22 to the commission convening shall be subject to the process set
23 forth in Paragraph (21) of Subsection C of Section 8 of this
24 compact to determine if the enactments are materially different
25 from the model compact and whether those states qualify for

.232737.1

1 participation in the compact.

2 D. Participating states enacting this compact
3 subsequent to the seven initial participating states shall be
4 subject to the process set forth in Paragraph (21) of
5 Subsection C of Section 8 of this compact to determine if the
6 enactments are materially different from the model compact and
7 whether the states qualify for participation in the compact.

8 E. All actions taken for the benefit of the
9 commission or in furtherance of the purposes of the
10 administration of this compact prior to the effective date of
11 the compact or the commission coming into existence shall be
12 considered to be actions of the commission unless specifically
13 repudiated by the commission.

14 F. Any state that joins this compact shall be
15 subject to the commission's rules and bylaws as they exist on
16 the date on which the compact becomes law in that state. Any
17 rule that has been previously adopted by the commission shall
18 have the full force and effect of law on the day the compact
19 becomes law in that state.

20 G. Any participating state may withdraw from this
21 compact by enacting a statute repealing the same.

22 H. A participating state's withdrawal shall not
23 take effect until one hundred eighty days after enactment of
24 the repealing statute. During this one-hundred-eighty-day
25 period, all compact privileges that were in effect in the

.232737.1

1 withdrawing state and were granted to licensees licensed in the
2 withdrawing state shall remain in effect. If any licensee
3 licensed in the withdrawing state is also licensed in another
4 participating state or obtains a license in another
5 participating state within the one-hundred-eighty-day period,
6 the licensee's compact privileges in other participating states
7 shall not be affected.

8 I. Withdrawal of a participating state shall not
9 affect the continuing requirement of the state licensing board
10 or boards of the withdrawing state to comply with the
11 investigative and adverse action reporting requirements of the
12 compact prior to the effective date of withdrawal.

13 J. Upon the enactment of a statute withdrawing a
14 participating state from this compact, the withdrawing state
15 shall immediately provide notice of the withdrawal to all
16 licensees within that state. The withdrawing state shall
17 continue to recognize all licenses granted pursuant to this
18 compact for a minimum of one hundred eighty days after the date
19 of the notice of withdrawal.

20 K. Nothing contained in this compact shall be
21 construed to invalidate or prevent any physician assistant
22 licensure agreement or other cooperative arrangement between
23 participating states and between a participating state and
24 nonparticipating state that does not conflict with the
25 provisions of this compact.

1 L. This compact may be amended by the participating
2 states. No amendment to this compact shall become effective
3 and binding upon any participating state until it is enacted
4 materially in the same manner into the laws of all
5 participating states as determined by the commission.

6 **SECTION 13. [NEW MATERIAL] CONSTRUCTION AND**
7 **SEVERABILITY.--**

8 A. This compact and the commission's rulemaking
9 authority shall be liberally construed so as to effectuate the
10 purposes and the implementation and administration of the
11 compact. Provisions of this compact expressly authorizing or
12 requiring the promulgation of rules shall not be construed to
13 limit the commission's rulemaking authority solely for those
14 purposes.

15 B. The provisions of this compact shall be
16 severable, and if any phrase, clause, sentence or provision of
17 this compact is held by a court of competent jurisdiction to be
18 contrary to the constitution of any participating state, a
19 state seeking participation in the compact or the United
20 States, or if the applicability of the compact to any
21 government, agency, person or circumstance is held to be
22 unconstitutional by a court of competent jurisdiction, the
23 validity of the remainder of the compact and the applicability
24 thereof to any other government, agency, person or circumstance
25 shall not be affected.

.232737.1

1 C. Notwithstanding Subsection B of this section,
2 the commission may deny a state's participation in this compact
3 or, in accordance with the requirements of Section 11 of this
4 compact, terminate a participating state's participation in the
5 compact, if it determines that a constitutional requirement of
6 a participating state is, or would be with respect to a state
7 seeking to participate in the compact, a material departure
8 from the compact. Otherwise, if this compact shall be held to
9 be contrary to the constitution of any participating state, the
10 compact shall remain in full force and effect as to the
11 remaining participating states and in full force and effect as
12 to the participating state affected as to all severable
13 matters.

14 SECTION 14. [NEW MATERIAL] BINDING EFFECT OF COMPACT.--

15 A. Nothing in this compact prevents the enforcement
16 of any other law of a participating state that is not
17 inconsistent with this compact.

18 B. Any laws in a participating state in conflict
19 with this compact are superseded to the extent of the conflict.

20 C. All agreements between the commission and the
21 participating states are binding in accordance with their
22 terms.
