Summary of Proposed Rule

The May 28, 2019 issue of the *New Mexico Register* contained a proposed new rule to implement the provisions outlined in Laws 2019, Chapter 193 (House Bill 275). Part 34 of 5.7 NMAC would provide guidelines in the implementation of the teacher preparation affordability scholarship program including eligibility requirements, administration of the program, scholarship duration, and award terms.

Analysis

The teacher preparation affordability scholarship program may enhance efforts to recruit and retain students in teacher preparation programs. Historically, the debt to earnings ratio of individuals who go to college to become a teacher has resulted in challenges for teacher preparation programs to recruit students into teaching.

The Higher Education Department (HED) cites Section 9-25-1 et seq. NMSA 1978, which grants the department their general rulemaking authority. The department also cites Chapter 193, which created the new Teacher Preparation Affordability Act, modeled after the College Affordability Act, which is intended to diversify the teacher pipeline by providing need-based scholarships to students enrolled in a Public Education Department (PED)-approved teacher preparation program. Part 34 of 5.7 NMAC aligns with all provisions outlined in Chapter 193.

Eligibility. To be eligible for a teacher preparation affordability scholarship, the new rule would require eligible students to be residents of New Mexico as defined in 5.7.18.9 NMAC or be eligible for a nondiscrimination waiver as defined in 5.7.18.10 NMAC. See **Attachment 2, 5.7.18 NMAC, Residency for Tuition Purposes.** Eligible students would also be required to be enrolled at least half-time in a PED-approved teacher preparation program, have not completed credentials to be a licensed New Mexico teacher, and demonstrate financial need. Pursuant to the new rule, institutions of higher education would be required to prioritize scholarship awards for English learners (ELs), students who are racial or ethnic minorities historically underrepresented in New Mexico's teaching workforce, and students who have declared an intent to teach in a high-need teacher position as defined by PED.

Pursuant to 5.7.34 NMAC, ELs who are eligible for the teacher preparation affordability scholarship are identified as individuals "whose first or heritage language was not English."

Scholarship Duration and Terms. Consistent with the provisions outlined in Chapter 193, scholarship recipients would receive awards up to \$6,000 per academic year for no more than five academic years as long as the student maintains satisfactory academic progress or graduates from an eligible institution. Award recipients would be able to apply scholarship funds toward educational expenses including tuition, fees, books, course supplies, and living expenses.

The proposed new rule would define "returning adults" as those enrolling in an institution of higher education at any time later than the first semester following high school graduation or the award of a high-school equivalency credential.

Program Administration. Pursuant to 5.7.34 NMAC, institutions of higher education would be required to determine initial and continuing student eligibility for the teacher preparation affordability scholarship; distribute awards to qualifying students; and annually provide HED with financial aid data, including income reported on the Free Application for Federal Student Aid, the number of students enrolled in the teacher preparation programs

within the institution, and the percentage of teacher preparation program students classified as “returning adults” who are otherwise ineligible for state financial aid.

The proposed new rule would require HED to allocate funds to institutions of higher education based on a student need formula calculated according to the financial aid data institutions of higher education are required to provide.

The General Appropriation Act (GAA) of 2019 included a \$10 million general fund revenue transfer to the teacher preparation affordability scholarship fund. It does not appear the funds can be spent in FY20 because the fund is subject to legislative appropriation and the funds were not appropriated for expenditure. The GAA of 2019 did not include an appropriation from the fund to HED. It only included the transfer of general fund revenue into the fund.

Termination of Scholarship. Pursuant to Part 34 of 5.7 NMAC, an award recipient will have their scholarship terminated if they withdraw from the institution of higher education or teacher preparation program, do not maintain at least half-time enrollment, do not achieve satisfactory academic progress, or are in substantial noncompliance with the Teacher Preparation Affordability Act.

5.7.18.8 DETERMINATION OF RESIDENCY STATUS:

A. At time of first admission. A person's residency classification for tuition purposes shall be determined at time of admission and must be completed by the census date of that first enrollment in a given public postsecondary educational institution. A person not meeting the residency requirements shall be classified as a nonresident for purposes of tuition charges. The student's classification at time of admission remains in effect unless the individual is re-admitted to the institution or until the individual petitions to become a New Mexico resident.

B. Petition for resident tuition classification. Once determined a nonresident at the time of census date, a student can petition to be classified as a New Mexico resident by completing the "petition for resident tuition classification" form (see Paragraph (3) of Section B of 5.7.18.12 NMAC, procedure to petition for resident tuition classification).

[5.7.18.8 NMAC - Rp, 5.7.18.10 NMAC, 8/30/2007]

5.7.18.9 REQUIREMENTS TO ESTABLISH NEW MEXICO RESIDENCY: To become a legal resident of New Mexico for tuition purposes each of the following requirements must be satisfied.

A. Twelve (12) month durational requirement. A person must physically reside in New Mexico for the twelve (12) consecutive months immediately preceding the term for which the resident classification is requested. Exceptions may be granted for student's participating in an internship or student exchange program (excluding those described in 5.7.18.11 NMAC) and not exceeding one (1) semester in duration.

B. Financial independence requirement. Only persons who are financially independent may establish residency apart from parents or guardians. A student cannot be approved for residency who is financially dependent upon his or her parents or legal guardians who are nonresidents of New Mexico. Dependency will be determined according to the 1954 Internal Revenue Service Code, Section 152 and is always based on the previous tax year for residency purposes. If under the age of 23 at the time the student applies for residency, a copy of his/her parents' or guardians' 1040 or 1040A U.S. income tax form for the previous tax year is required. If the student is shown to be a dependent on this tax form, he/she will not be considered financially independent or eligible for residency during the current year.

C. Written declaration of intent requirement. The student or person must sign a written declaration of intent to relinquish residency in any other state and to establish it in New Mexico.

D. Overt acts requirement.

(1) Overt acts are required to evidence support of the written declaration of intent to establish permanent residency in New Mexico. Any act considered inconsistent with being a New Mexico resident will cause the request for resident classification to be denied. The required overt acts are evidence of any two (2) of the following:

- (a) if the applicant is financially dependent, a copy of the parent or guardians' previous year income tax showing the applicant as a dependent and the parent address as New Mexico; or
- (b) a New Mexico high school transcript issued in the past year confirming attendance at a New Mexico public or private high school within the past twelve (12) months; or
- (c) a transcript from an online high school showing a New Mexico address confirming attendance within the past twelve (12) months; or
- (d) a New Mexico driver's license or ID card with an original date of issue or a renewal date issued prior to the first day of the term or semester; or
- (e) proof of payment of New Mexico state income tax for the previous year; or
- (f) evidence of employment within the state of New Mexico; or

- (g) New Mexico vehicle registration; or
- (h) voter registration in New Mexico; or
- (i) proof of residential property ownership in New Mexico; or
- (j) a rental agreement within New Mexico; or
- (k) utility bills showing the applicant name and a New Mexico address; or
- (l) other evidence which would reasonably support the individual's intent to

establish and maintain New Mexico residency.

(2) The department recognizes that there may be circumstances in which a student would not be able to fulfill the requirements of an overt act as listed in this section, such as: 1) individual is physically disabled and does not have a driver's license, or 2) individual is a convicted felon and therefore cannot vote, etc. In instances such as these, the institution will afford the student an opportunity to provide other documentary evidence or reasonable explanation which demonstrates that permanent residency in New Mexico has been established by the student.

E. Exceptions to the twelve (12) month requirement. If a student has met the requirements of one (1) of the following exceptions, and is granted residency status, the student shall continue to be classified and reported as a resident for subsequent, continuing enrollment.

(1) An individual married to a legal resident of New Mexico and providing appropriate evidence shall not be required to complete the twelve 12-month durational requirement but must satisfy all other requirements listed in Subsections B, C, and D of 5.7.18.9 NMAC.

(2) Any person, their spouse and dependents who move to New Mexico or who now live in New Mexico and who provide appropriate evidence that they work in a permanent full-time position or practice a profession or conduct a business full-time in New Mexico, shall not be required to complete the twelve 12-month durational requirement but must satisfy all other requirements listed in Subsections B, C, and D of 5.7.18.9 NMAC.

(3) Any person entering the active service of the United States while a resident of New Mexico and who enters a state institution of postsecondary education in New Mexico after separation from such service may be classified as having been a legal resident in New Mexico during the time spent in the service provided they:

- (a) have not while in the service done anything (such as voting in another state) to show abandonment of their New Mexico residency;
- (b) have not established residence in some other state subsequent to being separated from service;
- (c) return to New Mexico within three (3) years after separation from service with the intention of maintaining this state as their legal residence;
- (d) are not a dependent minor with parent(s) or guardian(s) whose place of residence classifies him or her as a nonresident of New Mexico.

(4) Any person, their spouse and dependents, who move to New Mexico for retirement purposes, and who provide appropriate evidence of retirement shall not be required to complete the twelve 12-month durational requirement. They must, however, satisfy the other requirements listed in Subsections B, C, and D of 5.7.18.9 NMAC.

F. Inconsistent acts. A person that demonstrates an inconsistent act, such as residing primarily out of state or maintaining a valid out of state driver's license, may be denied residency irrespective of other overt acts that would establish their residency. An officer of the public postsecondary institution shall exercise professional judgement to determine if an inconsistent act should cause the residency petition to be denied.

[5.7.18.9 NMAC - Rp, 5.7.18.11 & 12 NMAC, 8/30/2007; A, 5/30/2008; A, 10/15/2015; A, 11/15/2016]

5.7.18.10 WAIVERS: If a student has met the requirement of one of the following waivers, the student shall continue to be considered a non-resident for reporting purposes but will receive the benefit of the in-state tuition rates. In receiving such a waiver, the student does not become eligible for state funded student financial aid, unless the regulations for a particular aid program allow for such eligibility.

A. American Indian nations, tribes and pueblos. All out of state members of an American Indian nation, tribe and pueblo, located wholly or partially in New Mexico, regardless of the residence of the member prior to acceptance at a post-secondary educational institution shall be eligible to pay the in-state tuition rate. These include members of the following tribes or pueblos: Navajo Nation, Jicarilla Apache, Mescalero Apache, Taos pueblo, Picuris pueblo, Ohkay Owingeh, Santa Clara pueblo, Nambe pueblo, San Ildefonso pueblo, Pojoaque pueblo, Tesuque pueblo, Cochiti pueblo, Jemez pueblo, Santo Domingo pueblo, San Felipe pueblo, Zia pueblo, Santa Ana pueblo, Sandia pueblo, Isleta pueblo, Laguna pueblo, Acoma pueblo, Zuni pueblo, and the Ute Mountain

(1) Assignment to active duty within New Mexico must be certified by the military person's commanding officer upon the student's initial enrollment. Such students may continue paying resident rates for as long as they attend consecutive semesters at the same institution.

(2) A spouse or child of a veteran of the armed forces is entitled to pay tuition and fees at the rate provided for New Mexico residents; provided that spouse or child is eligible for benefits pursuant to the federal Post-9/11 Veterans Educational Assistance Act of 2008 or any other federal law authorizing educational benefits for a veteran and the dependents of a veteran.

F. Certain Texas residents. Pursuant to Section 21-1-3D, NMSA 1978, for the purposes of tuition payment and budget and revenue calculations, the board of regents of any post-secondary, state educational institution, as defined in Article 12, Section 11 of the constitution of New Mexico (specifically, NMHU, ENMU, NMSU, or WNMU), may determine that any Texas resident who resides within a one hundred thirty-five (135) mile radius of that institution may qualify for in-state tuition rates.

Tuition reciprocity participants from Colorado and Arizona shall be selected by eligible institutions to pay in-state tuition rates based on criteria set forth by each eligible institution. The department will notify each eligible institution of the maximum waivers allocated on an annual basis.

Pursuant to Section 21-1-3E, NMSA 1978, for the purposes of tuition payment and budget and revenue calculations, any student (U.S. citizens and foreign nationals) receiving an athletic scholarship from a post-secondary educational institution set forth in Article 12, Section 11 of the Constitution of New Mexico (specifically, UNM, NMSU, NMHU, ENMU, WNMU, or NNMC) may qualify for in-state tuition rates.

I. Competitive scholarship recipients. Any student participating in this program shall be recognized as a competitive scholar and reported as such, unless the student petitions for and is granted residency status.

A. Western undergraduate exchange (WUE). Institutions must apply to the WICHE to participate in the WUE program where students in western states may enroll in many two-year and four-year college programs at a reduced tuition level, which is 150 percent of the institution's regular resident tuition

B. Western regional graduate program (WRGP). Residents of Alaska, Arizona, Colorado,

Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming are eligible to enroll in available graduate programs outside of their home state at resident tuition rates. Students need not meet financial aid criteria. To be included in WRGP, programs must meet the criteria of distinctiveness and quality. Programs are nominated by their institutions, peer reviewed by other graduate institutions in the west, and approved biannually by the student exchange program advisory council, a policy body that represents all participating states.
