

## K5+ & Extended School Year

Legislative Education Study Committee November 20, 2019

**Dana Sanders, Superintendent**

## K5+ Victories

- Extra 25 days of learning/Open to all.
- Service to families & community.
- Established routines and procedures allows the K5+ students to serve as models for the new students when the school year begins.
- STEM Theme integration allows for excellent extension and enrichment activities. (i.e. Human Body, Space)
- Per pupil allocation allows for the opportunity for a fully funded academic program.

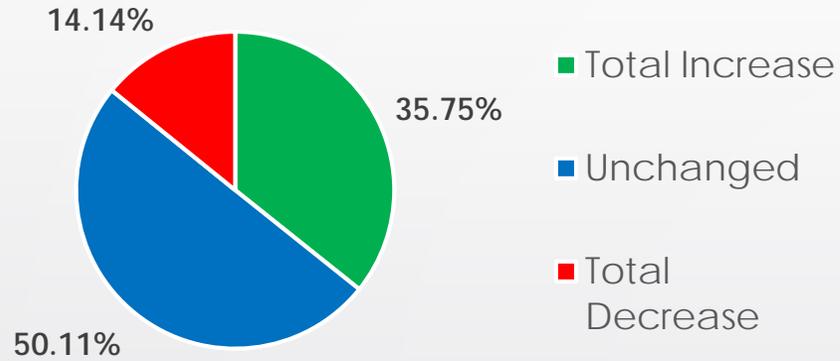

## K5+ Challenges

- Uncertainty in funding leaves the district open to significant unplanned expenses.
- Single capture date linked to the 40-day count makes financial planning a challenge.
- Challenge to recruit staff.
- Consistent student attendance.
- Mandate that requires students to stay with the same teacher does not allow us to meet program and student need. Changes occur in staffing that are beyond the district's control.
- Tend to get a higher proportion of families seeking remediation. Higher percentage of the "Three B's": Boys, Behaviors & Below proficient students.

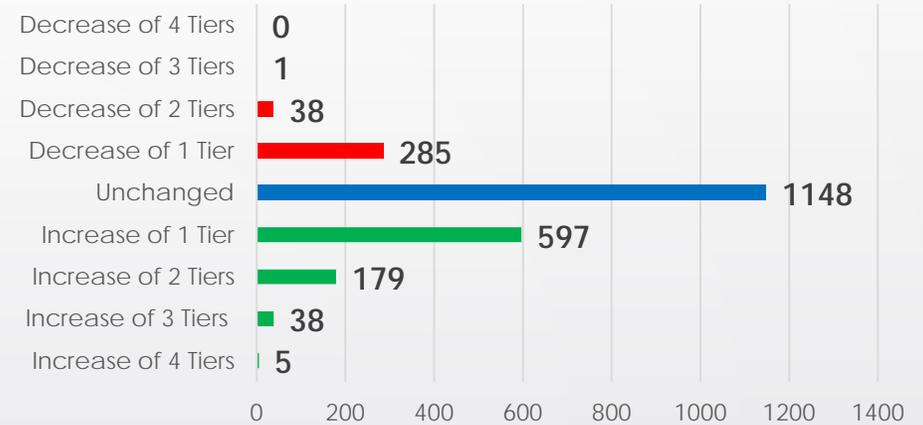

# Trend Enrollment

K3+ Trend Enrollment								
	APE	DVE	LLE	PE	RGE	TE	VE	Total Funded
2012-2013	32	81	N/A	N/A	N/A	N/A	N/A	113
2013-2014	82	83	N/A	N/A	N/A	53	N/A	218

### LLS All Kindergarten - Third Grade Fall 2018- Spring 2019 Reading Growth

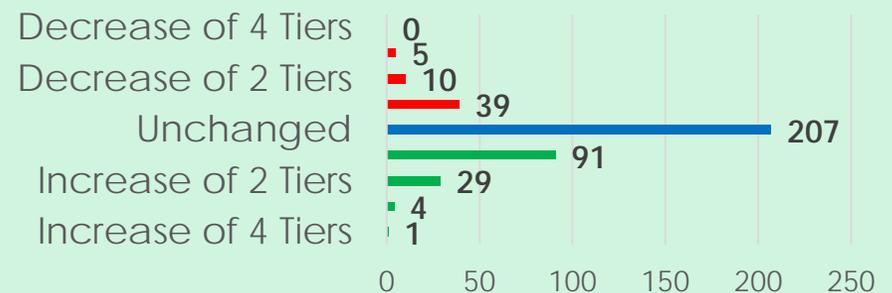

### LLS All Kindergarten - Third Grade Istation Fall 2018 to Spring 2019 Comparison

### Overall K3+ Summer 2018 - Spring 2019 Reading Growth

### Overall K3+ Istation Reading Summer 2018 to Spring 2019 Comparison

## K5+ Considerations

- State mandating year round schooling.
- Requiring attendance to the K5+ program.
- List of can's and cannot's.

## Extended Learning Time (ELT): Victories

- All Los Lunas Schools students and staff participate.
- Per pupil allocation allows for the opportunity for a fully funded academic program.
- Same calendar for all.
- 10 days built in allows for teachers to extend and enrich curricula and remediate as needed throughout the year.
- It has been positively embraced by staff and the community.
- Opportunity to provide STREAM Clubs before and after school.
- Opportunity to provide additional Tier II supports before and after school.

## Extended Learning Time (ELT): Challenges

- Short timeline and turnaround/Approved calendars & collective bargaining.
- Our unique circumstances created reporting challenges.
- Staffing.
- Teacher burnout.
- Voluntary participation means not all students opt in for the before and afterschool activities.
- Growing pains.

## ELT Considerations

- Increase the number of hours that students need to be in school statewide to afford all students ELT opportunities.
- Allow districts to use ELT funds to increase career and technical education courses during the school day.
