

BERNALILLO COUNTY

DEPARTMENT OF SUBSTANCE ABUSE PROGRAMS - DSAP

BUDGET

- DSAP currently operates on a budget of \$9.6 million dollars that is fully subsidized by outside funding sources
- Most of the funding comes from DWI and Detox grant funds
- Other Funding Sources: Optum Health, UNM Hospital, HUD

SERVICES PROVIDED

OUT PATIENT:

- Assessment Center- Serves the Community Custody Program and Courts
- Addiction Treatment Out Patient Program (non IOP)

IN-PATIENT PROGRAMS:

- Renee's Project
- Addiction Treatment Jail Based Program
- Drug and Alcohol Detoxification Services
- Supportive After Care
- Medical Observation and Treatment Unit
- Public Inebriate Intervention Program (PIIP)

OTHER FUNDED SERVICES

ENFORCEMENT:

- DWI Check Points
- Party Patrol

ALTERNATIVE SENTENCING:

- Community Custody Program (for DWI offenders)
- Juvenile Alcohol Program

Prevention

- Schools from Elementary to the University of New Mexico (UNM)
- Working with UNM on a Social Media Campaign for Youth
- Tavern Taxi/ Safe Ride Program

MATS

Metropolitan Assessment and Treatment Services (MATS) - Campus

- 24 hr. Social Model Detox services
- MOTU/Outpatient Clinic
- 12 hr. Public Inebriate Intervention Program (PIIP)
- Supportive After Care (SAC)
- Milagro Residential
- Turquoise Lodge Hospital Adult/Adolescent Medical Detox and Intense Rehabilitation

PIIP

Public Inebriate Intervention Program (PIIP)

- 30 bed capacity, can be expanded based on detox census
- 2 - 12 hr. observation and stabilization
- Diverts clients to treatment services rather than MDC or area hospitals
- Reduces down and out calls for APD and AFD

SAC

Supportive After Care (SAC)

- Eighty bed unit located on the MAT's Campus
- Transitional living facility that provides extended aftercare recovery for up to 180 days
- Clients must have completed alcohol and drug detoxification to qualify for this program
- Clients receive intensive case management services in order to receive a warm hand off back to the community

Milagro

- 10 bed unit located on the MAT's Campus
- Clients must be pregnant or postpartum
- Provides Substance abuse aftercare recovery support
- Clients receive intensive case management services
- Bernalillo county partners with UNM FOCUS program.

PROVIDER PERSPECTIVE

Bernalillo County Needs:

- Centralized Assessment Center to appropriately evaluate treatment needs
- Consistent Funding for a variety of In-Patient Services ranging from Medically Managed Detox to Transitional Living Beds
- Wrap-around services for both individuals and families
- Build capacity for a provider continuum so clients can access the right services to meet their needs
- Build a continuum of services from abstinence to harm reduction

ASAM (Adult) Levels of Care (American Society of Addiction Medicine)

- **DETOXIFICATION SERVICES**

- ASAM Level IV-D Medically Managed Intensive Hospital Inpatient Detox
- ASAM Level III.7-D Medically Monitored Inpatient Detox
- ASAM Level III.2-D Clinically Managed Residential Detox (Social Detox)
- ASAM Level II-D or I-D Ambulatory Outpatient Detox with or without extended on-site monitoring

- **TREATMENT SERVICES**

- ASAM Level IV Medically Managed Intensive Hospital Inpatient Treatment
- ASAM Level III.7 Medically Monitored Intensive Inpatient Treatment
- ASAM Level III.5 Clinically Managed High-Intensity Residential Treatment
- ASAM Level III.3 Clinically Managed Medium-Intensity Residential Treatment
- ASAM Level III.1 Clinically Managed Low-Intensity Residential Treatment
- ASAM Level II.5 Partial Hospitalization/Day Treatment
- ASAM Level II.1 Intensive Outpatient Treatment
- ASAM Level I Outpatient Services
- ASAM OMT - ORT Opioid Maintenance Outpatient – Opioid Replacement Therapy
- ASAM Level 0.5 Early Intervention Only – e.g. DWI offender education only programs

Clients should always be brought in for whichever service (Detox or Treatment) at the lowest level of care required that meets their current needs
