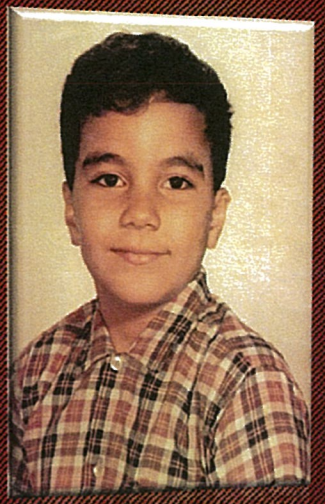
Henri Grau Design and Photography

As a young deaf child, I was shut out of the sound environment……

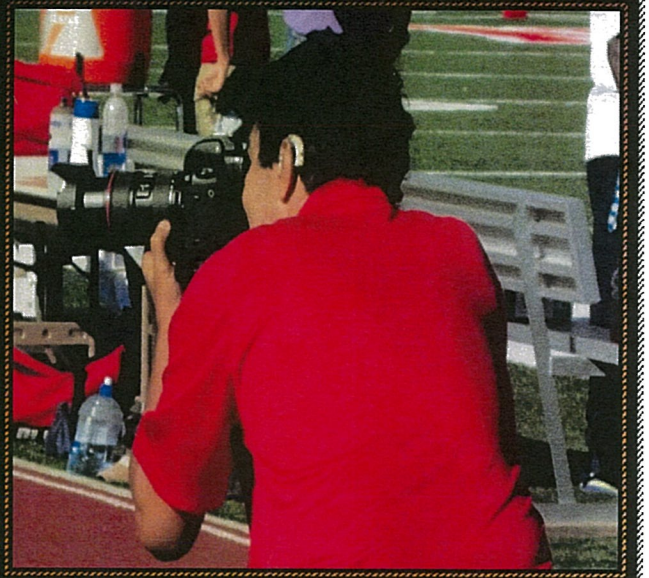


"I was about 10 years old when I started taking pictures with a Kodak Instamatic camera and I have had a camera in my hands ever since"

The passion to create is built into my very DNA.

…Henri Grau

"CREATING IS BREATHING"



"My camera is the window through which I experience life"

"It is an explosion of self expression poured out in the unending process of living and surviving in a hearing world.
