

## **WHY EXPANDING GAMING IN NM WORKS AS WE RETOOL AND REVIVE OUR ECONOMY.**

### **TRIBES BENEFIT**

**No more revenue sharing. Tribes keep @\$70M per year for their own needs on Tribal lands.**

Eliminate any question of legality of types of gaming on NM tribal lands.

Negotiate online gaming per the existing compact.

Possible lengthening of the term of the compacts. (In perpetuity?)

Las Vegas style comps apply:

Full comps for hotel rooms

Full comps for food

Full comps for golf and other amenities.

Expanded players club.

Ability to have alcohol on the floor.

Nontribal competition is capped.

More employment opportunities.

Construction jobs.

Greater high action players and tourism opportunities.

Join "the big leagues" in gaming world.

### **TRACKS BENEFIT**

**Create large and stable racing purses across all tracks while making up for Tribal gaming revenue.**

Remove limits on number of gaming machines and hours of operation.

Allow table games, sport wagering and on-line gaming.

Ability to have alcohol on the floor.

Offer comps for food.

Offer comps for hotel rooms.

Comp golf and other amenities.

Expanded players club.

Offer lines of credit.

More employment opportunities.

Construction jobs.

## STATE BENEFITS

**Current revenue stream is maintained.** Will increase over time.

Streamlines Gaming Compacts.

Streamlines gaming regulation.

Gives boost to horse racing industry in NM.

Streamlines horse racing regulation.

Provides more opportunity for increases in taxes to State (lodgers tax, GRT, income tax, employment taxes).

Re-builds and strengthens the all-important tourism industry. Gives tourists more reasons to visit New Mexico and spend their dollars.
