LEAP Initiative

Scope of issue: A longstanding need to support the recruitment, placement, and retention of New Mexico Military Institute graduates and age-related cohorts into occupations within the State of New Mexico. Law Enforcement (LE), the Department of Corrections (DOC), and the National Guard present compatible opportunities.

Course of Action: Introduce a multi-step agency initiative to create a cadet pathway program from the NMMI graduate population to form a Law Enforcement/Corrections Academic Pathway (LEAP) Program.
