# PSCOC Annual Grant Assistance— 3 and 5 Year Averages

## **22-24-4. Public school capital outlay fund created; use.**

- A 5-year average of awards vs a 3-year average of awards allows for a more even operating budget.
- A 3-year average of awards budget causes a wider variation (difference) in budget from one fiscal year to the next fiscal year.
- A 5-year budget will allow for better planning and forecasting of the operating budget.
