In addition to physical safety, AMSD has a commitment to the mental health of students and staff alike. To this end, the district employs a mental health coordinator who works with students, social workers, and counselors on mental health and social and emotional learning initiatives as well as serves as the district's Crisis Team lead.

Despite dedicating more than a million dollars in local funds to safety projects over the past two years, AMSD anticipates another estimated \$1.4 million in safety projects, including:

- Fencing
- Radio Communication
- Cameras
- Door Access Controls
- Door Buzzer Controls
- Exterior Lighting
