PROPOSED WORK PLAN

A permanent public school capital outlay oversight task force was created by Laws 2005, Chapter 274, Sections 10 and 11. The task force consists of twenty-four members and includes the secretaries of public education and finance and administration; the state investment officer; the speaker of the house; the president pro tempore of the senate; the chairmen of the house appropriations and finance and house education committees and the senate finance and senate education committees; four minority party members, two from each house; a member of the Indian affairs committee; seven public members, two appointed by the speaker; two appointed by the president pro tempore and three appointed by the governor; and three superintendents, two of whom must be from federal impact aid districts, appointed by the legislative council in consultation with the governor.

During the 2005 interim the task force will focus on the following activities:

1. Monitor the progress and effectiveness of programs administered pursuant to the Public School Capital Outlay Act and the Public School Capital Improvements Act.
2. Monitor the existing permanent revenue streams to ensure that they remain adequate long-term funding sources for public school capital outlay projects.
3. Monitor the overall progress of bringing all public schools up to the statewide adequacy standards developed pursuant to the Public School Capital Outlay Act.
4. Oversee the work of the public school capital outlay council and the public school facilities authority as they perform functions pursuant to the Public School Capital Outlay Act, particularly as they implement the statewide-based process for making grant awards.
5. Appoint an advisory committee to study the feasibility of implementing a long-range planning process that will facilitate the interaction between charter schools and their school districts on issues relating to facility needs.
6. Report the results of its analyses and oversight and any recommendations to the

governor and the legislature before the start of the regular session.
