2015 COMPACT PROVISIONS

- **Compulsive Gambling self-exclusion tie-in with State;**
- **Cap on total number of casinos based on population;**
- **24-hour Operation permitted;**
- **Allows for extension of credit subject to tight federal regulatory requirements;**
- **Allows for provision of incentives and complimentaries not to exceed 3% of adjusted net win;**
- **Additional financial statement requirements;**
- **Revenue Share provision has sliding scale based on adjusted net win;**
- **Promotional credits that may not be exchanged for cash are not counted as revenue for purposes calculating adjusted net win.**

COMPULSIVE GAMBLING REQUIREMENTS

➤ **Section 4.B.16 of the 2015 Tribal-State Class III Gaming Compacts require:**

“ the Gaming Enterprise to spend, annually, an amount that is no less than one-quarter of one percent (.25%) of its Adjusted Net Win as that term is defined in Section 11(C)(1), to fund or support programs that the Tribe selects for the treatment and assistance of compulsive gamblers in New Mexico or who patronize New Mexico gaming facilities, and for the prevention of compulsive gambling in New Mexico; and requiring that a substantial portion of such funds be distributed to an organization that has expertise in and provides counseling, intervention or other services for compulsive gamblers in New Mexico, and whose services are available to all persons without regard to race or tribal membership; and requiring that the Tribe submit a report accounting for the use of these funds as described in the attached Appendix, and that this report and any other information existing as a result of this paragraph, not including information that may identify or contain information referring to any gaming patron, shall not be subject to the confidentiality provisions of Section 4(E)(4) of this Compact and shall be made available for inspection and publication without restriction or limitation.”

Compulsive Gambling Fund Expenditures-All Tribes
