

# Presentation to the STTC

---

New Mexico Department of Information Technology

Darryl Ackley

Cabinet Secretary

State of New Mexico Chief Information Officer

26 August 2015

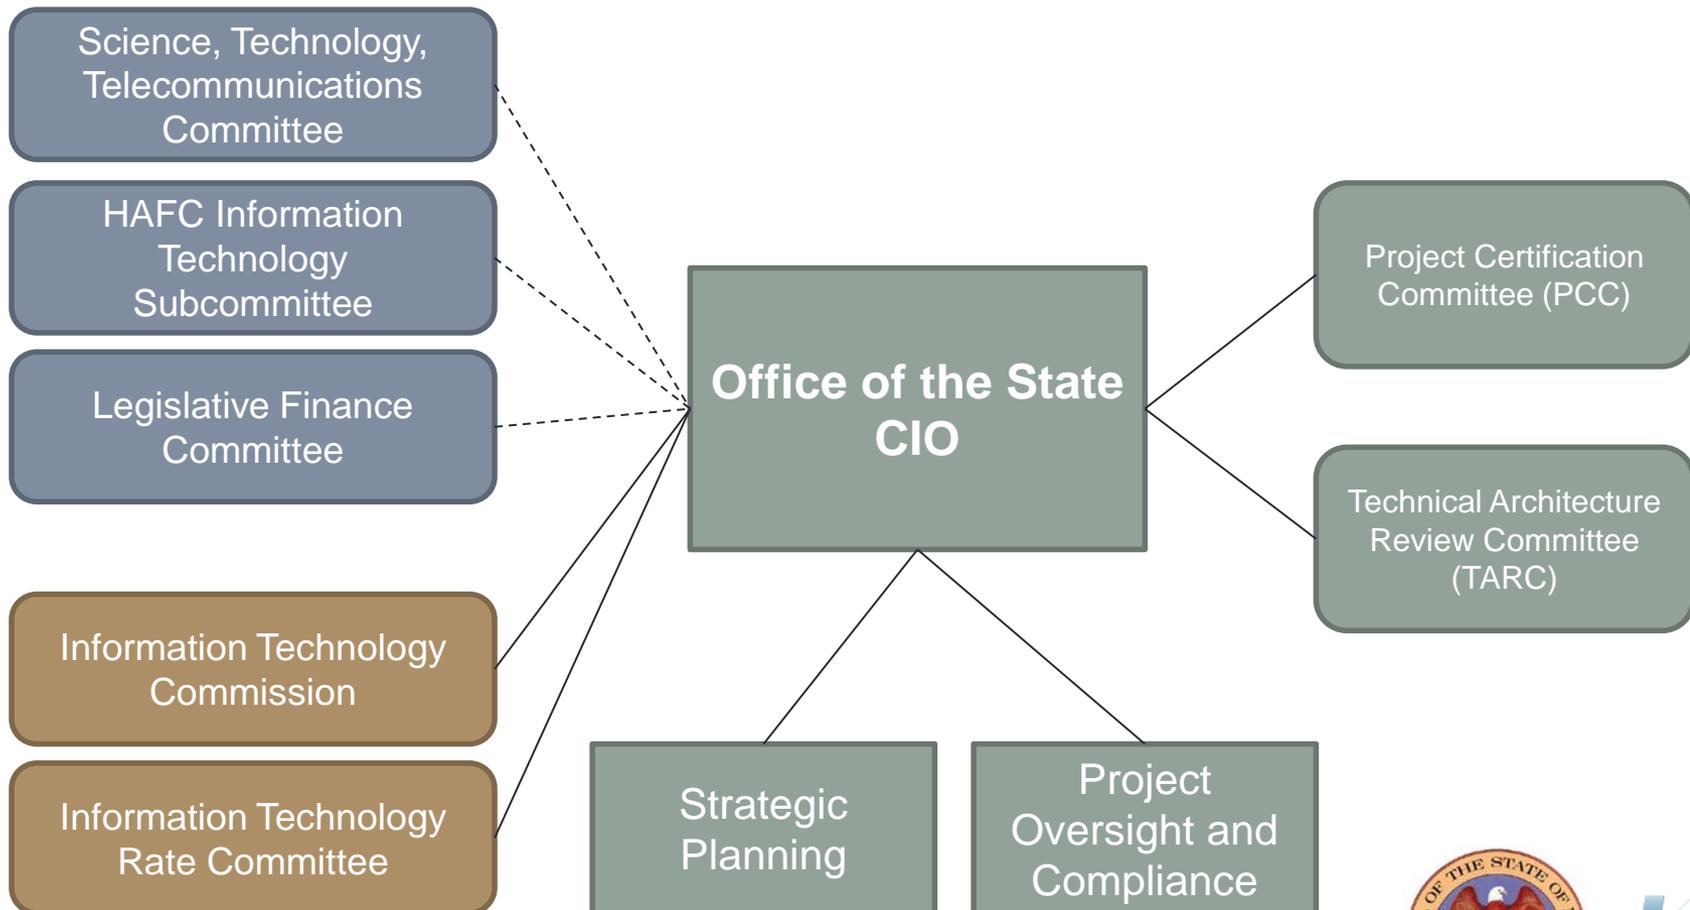

# Agenda

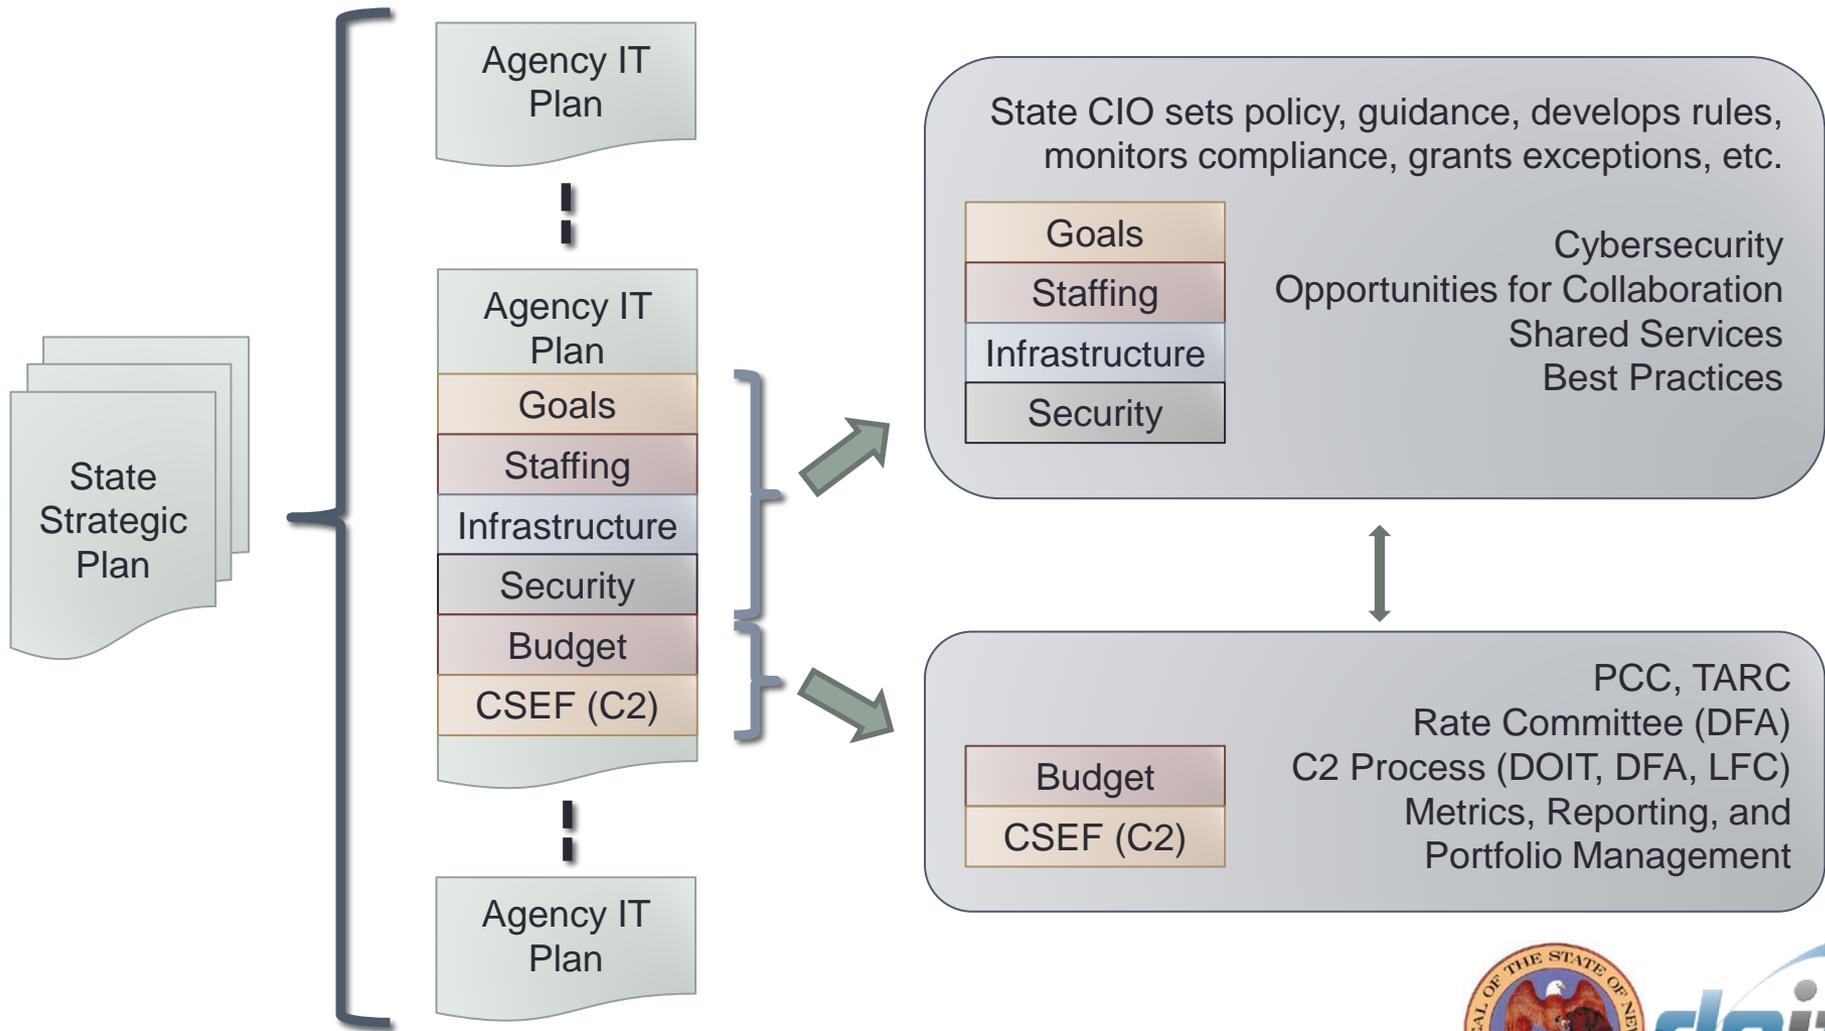

- Overview of IT Governance in New Mexico
- Review of Information Technology Commission
- Information Technology Portfolio Status Report

# IT Governance in New Mexico

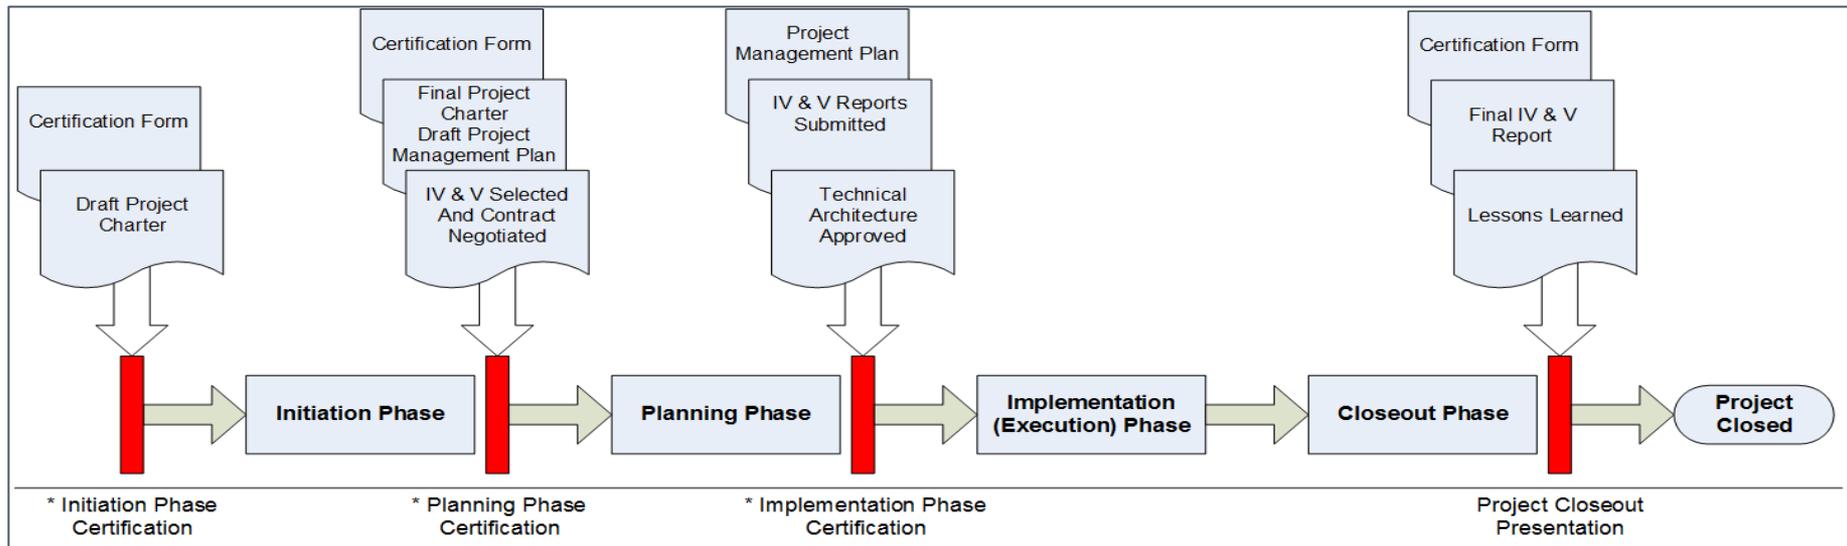

# IT Governance in New Mexico

# IT Governance in New Mexico

- Project Oversight and Compliance
  - Core Tenets:
    - Planning and Project Management
    - Gated funding via the Project Certification Committee
    - Strong contract template; Contract Review
    - Transparency
  - Project Funding (C2) is a cross-branch, collaborative process

# Information Technology Commission

- Established as part of the “DoIT Act”
- Codified under **NMSA 9-27-9** 15 voting members, 5 non-voting (quorum of 8)
  - CIO as *non-voting member*
- Conducted per Open Meetings Act
- Some **key stipulations:**
  - “No appointee or designee of the commission from a state agency shall be less than the deputy head of the agency”
  - No registered lobbyists
  - Per-diem available for non public-supported members
  - Membership on the Project Certification Committee (PCC)
  - Chair and Vice-Chair elections (two-year terms)

# ITC Overview

- Powers and Duties
  - The commission shall meet at least quarterly to review and approve:
    - the development and implementation of the state information technology strategic plan;
    - critical information technology initiatives for the state;
    - identification of information technology needs of state agencies;
    - strategies for identifying information technology projects that affect multiple agencies;
    - the state information architecture and the state information technology strategic plan for updates and compliance by executive agencies;
    - proposed rules by the secretary; and
    - guidelines for mediation of disputes between an executive agency and the secretary as chief information officer.
