**AMENDED ORDER SETTING SCHEDULE GOVERNING DISCOVERY ON
THE NON-SETTLING PARTIES AND REMAINING PROCEEDINGS**

THIS MATTER comes before the Court on the Settling Parties' Proposed Schedule for Discovery on the Non-Settling Parties filed July 20, 2012. The San Juan Water Commission filed a response on July 25, 2012, and the Settling Parties filed a reply on July 27, 2012.

The Court adopts the Settling Parties' proposed schedule, as set forth below. The Non-Settling parties may, if necessary and for good cause shown, request an extension of time to submit any responses which cannot be produced by November 5, 2012.

The Settling Parties are encouraged to consolidate their discovery requests to the extent possible. All parties are also encouraged to discuss and attempt to resolve any objections to the Settling Parties' discovery requests prior to submitting objections to the Court.

The Court has *sua sponte* amended the pre-hearing procedure in paragraphs 13 and 15 to require the parties to submit a proposed pre-trial order and proposed pre-hearing findings of fact and conclusions of law.
