

## NEW MEXICO LEGISLATIVE INTERNSHIP PROGRAM — 2015

The New Mexico Legislature invites applicants for up to three internships. Interns will be assigned to the Legislative Council Service, the Legislative Education Study Committee or the Legislative Finance Committee.

The purpose of the New Mexico Legislative Internship Program is to educate interested students and recent graduates about the state legislature and to provide practical experience in the day-to-day staff work for New Mexico's citizen-legislature. Interns will provide staff support to interim legislative committees that study various public policies. Work performed may include legal and policy research, issue analysis, speechwriting, budget analysis and committee organization.

The internship is a full-time job for six months.

Each intern will receive up to \$10,000, to be paid in biweekly installments, and will be reimbursed for expenses incurred while traveling with interim legislative committees. The internships are from July 6 through December 31, 2015. An intern's work day will generally start at 8:00 a.m. and end at 5:00 p.m.

Applicants must be undergraduate or graduate students at, or a 2015 graduate from, one of New Mexico's four-year post-secondary educational institutions: Eastern New Mexico University, New Mexico Highlands University, New Mexico Institute of Mining and Technology, New Mexico State University, Northern New Mexico College, University of New Mexico or Western New Mexico University.

Interested students should submit a cover letter, a resumé and a transcript of college courses (an unofficial copy will suffice) to:

JOHN YAEGER  
Assistant Director for Legislative Affairs  
Legislative Council Service  
Room 411, State Capitol  
Santa Fe, NM 87501

or by email to: [john.yaeger@nmlegis.gov](mailto:john.yaeger@nmlegis.gov).

Applications must be received by April 24, 2015.

Interns will be responsible for making their own housing arrangements.

The Legislative Council Service is an equal opportunity employer. No applicant for the New Mexico Legislative Internship Program shall be discriminated against on the basis of race, color, national origin, sex, sexual preference, age or handicap.
