SUBJECT: SESSION — STATE CAPITOL PARKING FACILITY

The following is some information you may find helpful regarding the State Capitol Parking Facility.

The parking facility will be open from 6:00 a.m. until 9:00 p.m., or until one half-hour after a floor session or the last legislative committee adjourns, whichever is later.

Spaces are available each day to the public on a first-come, first-parked basis. Rates are \$1.00 per hour with a maximum of \$8.00 per day. Payment can be made in cash only, and bills larger than \$20.00 will not be accepted. Lost tickets will be charged the maximum rate of \$8.00.

For this session (and this might be considered a "pilot" parking session to work out the kinks in our system!), 30 spaces will be set aside in the public area at the normal public rates to encourage car-pooling. "HOV" means a vehicle with three or more passengers.

For any members of the public who wish to ensure that they have a space available, there will also be a limited number of spaces that may be reserved for the full 30 days of the session. To reserve a space, please contact Legislative Building Services at 986-4575 as soon as possible. A reserved space will cost \$360 for the full 30 days or any portion thereof.

During the interim, parking assignments will be handled separately for state agency personnel and for members of the public who wish to reserve parking spaces.

Please feel free to contact me if you have any questions.
